Current Business Recession is Dicussed in General at Meeting

MURPHY, F. D. R. TALK

Washington, Jan. 11. - President Roosevelt late this afternoon conducted a depression clinic of his own when he discussed with five of the nation's outstanding business men the causes of the present business recession.

The group consisted of Alfred P. Sloan, chairman of the board of General Motors corporation; Ernest T. Weir, chairman of the board, National Steel corporation; Lewis Brown, president Johns-Manville corporation; M. W. Clement, new president of the Pennsylvania railroad; and Colby Chester, head of General Foods corporation and chairman of board of the National Association of Manufacturers.

Without going into details of the discussion, Mr. Sloan made the following brief statement:

'We had an interesting and constructive talk with the President and all of us agree that we have a better understanding of each other's problems, out of which we are sure will come closer co-operation in meeting the difficulties of the moment.

Mr. Sloan added that there was no insurmountable conflict be-

FIRE BURNS HOME NEAR STATE ROAD

The home of Mr. and Mrs. Glenn Hamby, near State Road, was completely destroyed by fire about noon Wednesday of last week. Mr. Hamby, who works at night, was asleep alone in the home at the time the fire was discovered. Upon hearing an unusual noise he investigated and found the entire building in flames. Not even one piece of furniture or clothing was saved.

The fire is believed to have originated from a faulty chimney. A small amount of insurance was carried on both the home and the furnishings
