NEED NOT APPLY FOR HOME LOANS

Tenant Farmers Outside of Designated Counties Must Wait

Tenant farmers living in other than designated counties need not apply at present for loans with which to buy a farm under the tenant act, according to R. O. Palmer, Dobson, N. C., County Supervisor of the Farm Security Administration, but money for regular rehabilitation loans to buy items other than land is still available to farmers and farm tenants, he said.

The first allotment of money to buy and improve farms was sufficient to start the program in only a few counties in each state, Mr. Palmer said, and Surry County was not included in the first list. However, the Bankhead Jones Tenant Act, authorized to be appropriated two and one-half times as much money for the second fiscal year, beginning July 1, and five times as much for years thereafter. If Congress makes these additional funds available, other counties may be taken into the program. Counties were chosen by the Secretary of Agriculture on advice of the state farm tenant advisory committee on the basis of number of tenants as compared with number of farmers. The availability of good farm land was also a factor, it was stated.

Mr. Palmer said that a good deal of interest in the ownership program has been shown by tenants in this county. Answers to a number of questions frequently asked about the plans for helping tenants to become owners are now available in Mr. Palmer's office.

RESOLUTIONS OF RESPECT

At a regular communication of Elkin Lodge No. 454, A. F. & A. M., Tuesday evening, January 11, 1938, the following preamble and resolutions were adopted: Whereas, the Supreme Architect of the Universe has seen fit to call from his earthly labors our esteemed and worthy Brother, R. F. Jester, who passed to his Eternal Home, January 9th, 1938. Therefore, Be It Resolved: First—That we bow in humble submission to Him that doeth all things well and the Builder of the Temple not made with hands, eternal in the Heavens. Second—That we, as Masons, mourn his loss, with his family, to whom we extend our heartfelt sympathy, and whom we commend to the tender love of our Heavenly Father, and His promise to those who mourn. Third—That a copy of these resolutions be sent to the bereaved family, a copy to The Elkin Tribune and a copy to The Orphans Friend. Fourth—That a page in our record book, with a copy of these resolutions, be dedicated to his memory. ELKIN LODGE No. 454 A. F. & A. M. E. W. McDaniel, Secretary.
