

SURRY BAPTIST WOMEN MEETING

Representatives From Five Churches Gather at Dobson Baptist Church

MISSION STUDY CLASS

Thirty representatives from five churches of the Surry Baptist Association met Saturday, March 12, 1938, in the Dobson Baptist church for a mission-study class. The morning session opened with the hymn, "Faith of Our Fathers." The devotionals were conducted by the associational superintendent, Mrs. C. N. Myers of Elkin. The churches answering to roll call were Mt. Airy First, Dobson, Mt. Carmel, Elkin Valley and Elkin First. The mission study book, "Outriders for the King," by Dr. Clark, was ably taught by the associational mission study chairman, Mrs. Eph Whisenhunt of Elkin. She described the work of six pioneer missionaries of Southern Baptists.

After an intermission for lunch the afternoon devotionals were conducted by the associational young people's leader, Mrs. Robert Transon of Elkin Valley church. A solo, "My Task," sung by Miss Mary Bettie Norman of Dobson was greatly enjoyed.

A financial report of all contributions from women's and young people's organizations to the cooperative program in 1937 was read by Emma Cooke of Elkin.

Organizations from ten churches contributed.

Mrs. W. A. Jackson of Mt. Airy gave an interesting report of the State W. M. U. convention held at Asheville March 8-10.

Mrs. Myers extended an invitation to attend the associational meeting of W. M. U. in June at the First Baptist Church, Elkin. The closing prayer was offered by Mrs. Whisenhunt.

VISITOR HERE IN INTEREST OF ASSN.

Miss Anna Lula Dobson of Winston-Salem and Rockford was here Saturday in the interest of Hospital Savings Association of North Carolina, sponsored by the Duke Foundation and approved and controlled by the North Carolina Medical Society and the North Carolina Hospital Association. The Duke Endowment gave a working capital for the association.

The association is a non-profit organization which will provide all essential hospital care for its members. Individual membership fees are \$1.80 per quarter and family rates, including all children under sixteen years of age, is \$4.80 per quarter. Membership entitles the owner to enter any hospital in the state.

At present individuals are being enrolled but within a short time membership will be accepted only in groups.

JR. ORDER HERE HOLDS INSPIRATIONAL MEETING

An inspirational meeting of the Elkin council of the Junior Order was held Friday evening in the lodge hall. Several delegates from the following councils were present for the meeting: Mount Airy, Siloam, Copeland, Harmony, Ronda and Clingman.

Special field worker, N. Sankey Gaither of Harmony, was guest speaker for the meeting. He reported splendid progress in his district.

A district class initiation will be held in the council hall on April 15, at 7:30. Every member of the local council is urged to be present for the regular meeting this week, as important business will be transacted.

Funny world! As a nobody, he is Jones. When he gets some money, he is Mr. Jones. When he wins fame, he is just Jones again.

Americanism: Resenting the efforts of foreigners to influence us; accepting anything that has the O. K. of New York.

MISSIONARY IS TO MAKE TALK

Will Be at Arlington Baptist Church Sunday to Tell of Experiences

ALSO AT RONDA CHURCH

Miss Amanda K. Martin, who spent more than six years as a missionary to Persia, and who is now a member of the faculty of Campbell College, will be at the Arlington Baptist church at 11:00 a. m. Sunday, March 20, to make a talk on her experiences in Persia. She will have with her a number of Persian tapestries and costumes, and will have a number of girls to appear in Persian costume.

The senior classes of the Elkin and Jonesville high schools have been invited to attend the service in a body, and the seniors of the West Yadkin school are also expected to attend. The service promises to be of a highly entertaining and profitable nature, and the church feels exceedingly fortunate in having such an interesting program come to it.

At 2:30 p. m. Miss Martin will also make a similar talk at the Ronda Baptist church.

The public is cordially invited to attend the services at both churches.

TRAILER LABORATORY COMING MARCH 24TH

A new traveling laboratory — a fully equipped trailer — will be in Elkin March 24th at 10:00 a. m. for the purpose of testing a limited number of soil samples for the farmers of this section. The trailer will remain all day.

This "laboratory" will be parked at the entrance of the Wall, Holcomb & Wagoner warehouse, under McNeer's Warehouse and is made possible by the manufacturers of Eastern Fertilizers, distributed by the local firm, Complete details will be found in this issue of The Tribune.

His Mother's Son

At the annual prize-day of a certain school the head boy rose to give his recitation.

"Friends, Romans, countrymen," he vociferated, "lend me your ears!"

"There," commented the mother of a defeated pupil sneeringly, "that's Mrs. Briggs' boy; he wouldn't be his mother's son if he didn't want to borrow something."

Mechanical Man To Be At Eagle Furn. Co. Here

Marvello, the mechanical man, will make personal appearances here Friday and Saturday at the Eagle Furniture Co., at which times he will offer \$100 to anyone who can make him smile, and a new 1938 model automobile to anyone succeeding in making him laugh.

Friday the mechanical man will make two personal appearances, the first at 1:00 p. m. and the second at 3:00 p. m. Each appearance will be for one hour. Saturday three one-hour appearances will be made at 1:00, 3:00 and 7:00 p. m. respectively.

In addition to the standing offers to those attempting to make him laugh, Marvello will also give away a number of prizes at each performance, it is understood.

Everyone is invited to witness these free exhibitions, and try in every way possible to make the mechanical man smile or laugh.

CONTOUR FURROWS ON YADKIN FARMS

How erosion practices are being adapted to conditions found on the average farm is well illustrated in a new type of contour furrow being constructed by farmers in the Soil Conservation Service area in Yadkin, according to T. L. Robinson, Agronomist of the Mt. Airy CCC camp.

These furrows, which are smaller and spaced more closely than those previously used, can be constructed with equipment found on the average farm, Mr. Robinson says. The new method simplifies the furrowing and reduces the cost of construction.

A good example of this type of contour furrow can be seen on the farms of A. B. Hobson and C. W. Maynard. These furrows were constructed by plowing two furrows with an ordinary hillside turning plow at one foot vertical interval last year.

In addition to contour furrowing, cooperating farmers in the area this spring are seeding and fertilizing their pastures and mulching galled areas to provide a complete demonstration of how improved pastures fit into the complete program of soil and moisture conservation on the farm.

\$61,000 FARM CHECKS RECEIVED MONDAY

The Yadkin county agent's office received \$61,000 in checks Monday morning to be paid out to Yadkin county farmers who co-operated in the soil conservation program of 1937.

This, according to county agent L. F. Brumfield, represents one-fourth of the amount to be received within the next few weeks, making a total of \$160,000 in all. These checks range in sums from seven cents to \$348.50.

Farmers are requested not to call for their checks until they receive a card, setting a time to come for it.

SEED POTATOES USED 76 YEARS

Hemp, March 13. — Sylvester Marley, well-known farmer living four miles south of Hemp, will plant his Irish potato crop this spring from seed potatoes that have been in the Marley family for the past 76 years.

While in Hemp today Mr. Marley stated that his grandfather, Thomas Brown, bought the variety he is now using in the mountains of North Carolina 76 years ago this spring, and that a crop of spuds has been harvested from the variety each year since 1862.

SPAINHOUR'S TO STAGE TWO BIG DOLLAR DAYS

Sydor-Spainhour Co., of Elkin, is announcing in a full page advertisement in this issue of The Tribune, two Dollar Days, Friday and Saturday of this week.

Special values will be on sale during these two big days, and customers are advised to take advantage of them during the event as prices will go back to normal Monday morning.

Complete details of Dollar Days, prices, etc., will be found in the advertisement.

EAST BEND FIRM GETS A BUSINESS CHARTER

Raleigh, March 14. — The Burchette & Huff Mutual Burial Association of East Bend, obtained a charter as a non-stock corporation today from Secretary of State Thad Eure.

R. E. Burchette, C. B. Huff and C. V. Burchette, all of East Bend, form the association.

ORGANIZATION IS PERFECTED

Name Officers of Sunday School Association of Surry Baptist Churches

MEETING IS IN DOBSON

At a meeting in Dobson Tuesday the organization of the Sunday School Association of the Surry Baptist churches was perfected.

Officers elected were: Superintendent, Dr. W. L. Johnson, Mt. Airy; assistant superintendent, C. A. Simmons, Mount Airy; secretary-treasurer, Claude Harris, State Road. Group superintendents appointed were: Elkin district, L. F. Walker, Dobson; Mount Airy district, J. T. Threattle; Westfield district, J. W. Hilton; Westfield district, Glenn Hall.

Departmental superintendents are: Cradle roll, Mrs. C. S. Brannock; beginners, Mrs. Leslie Reinhardt; primary, Mrs. A. B. Council, Mrs. Spurgeon Belton; intermediate, A. L. Hiatt; young people, Mrs. Reid Jackson; adult W. C. Baughn; home department, Mrs. N. J. Martin; daily vacation Bible school, Mrs. J. O. Wallace.

Meetings of the association will be held monthly and the first meeting will be the fourth Sunday in March at 2 o'clock in the afternoon at the Dobson Baptist church.

McMASTERS TO PREACH AT PILGRIM CHURCH

Rev. C. C. Masters, pastor of Pilgrim Church of Winston-Salem, will be the guest speaker at the Thursday evening service, at the Pilgrim Church in Elkin.

Special music will be rendered by a quartet of the Winston church.

The church will have as its guest speaker, and singers this week-end a trio of young ladies from the People's Bible School of Greensboro. Miss Theima Cloer will assist the pastor in the preaching. The public is invited to attend these services. Services each evening at 7:30 throughout the week.

Help At Hand

A man slipped on a banana peel and executed a very funny fall, not being hurt, as it turned out, but having his dignity somewhat ruffled. When he recovered a moment later a friend was holding his hat and a number of people had formed a circle.

"What do these idlers want?" he snarled.

"They are not idlers," explained his friend, soothingly. "Here's a doctor who wants to look you over, a lawyer ready to bring suit for you, and a producer of comic films who would like to sign you up."

Surprise Party

Harold: "Can't I go, too — and mama?"

Mother: "Papa and I are going to a surprise party."

Harold: "Can't I go, too — and can't we take Bobby and Susie along?"

Mother: "No, you weren't invited."

Harold: "Well, don't you think they'd be lots more surprised if you took us all?"

It pays to choose a line and stick to it. Climate is just weather with a reputation.

The kind of leaf you'll market next Fall is partly decided at fertilizer-buying time

In Robertson's Proven Fertilizers are quantities of fish, rich in nitrogen and twenty-one helpful minerals.

R-2, Pinnacle, N. C., Nov. 19, 1937
Robertson Chemical Corp
Norfolk, Va.

Gentlemen:
I have used your fertilizers for over sixteen years. I started on your Double Dollar and gradually advanced to Gold Dollar. I have had excellent results. To my way of thinking, Gold Dollar is the best tobacco fertilizer I have seen. When I find something better than you make I will use that. I live in a section which was hit hard, yet I have one of the, if not the best, crops in my immediate section. Will send you sales ticket a little later in the season; when you see Rodgers has made a good sale it is almost certain that tobacco was grown on Robertson's fertilizers. Yours very truly,
(s) Otis Rodgers.

Robertson's Special Ingredients Tobacco Brands contain bird-guano, nature's own rich, natural plant-food

Choose Robertson's Tobacco Fertilizers

When you buy Robertson's you are getting exact mixtures of special rich ingredients. In every bag are many forms of nitrogen to constantly feed the crop. We use such rich and varied materials as Sulphate of Ammonia, Nitrate of Soda, Fish, Urea, Bird Guano, Poultry Manure, Blood, Tankage, Cotton-seed and Vegetable Meal. Mixtures for tobacco contain 50% organic nitrogen and 50% mineral.

Robertson's tobacco brands contain Potash in three different forms—Muriate and Sulphate of Potash to give body and weight, and Sulphate of Potash Magnesia to help ward off frog-eye and sand-drown.

They are non-acid forming—rich in soluble Magnesia. They contain, too, needed minerals such as Copper, Iodine, Boron, Sodium, Calcium.

Do not accept any substitute. Get the best. Get Robertson's.
