

INVITE GOVERNORS TO DEDICATION OF DOUGHTON BRIDGE

New Span on U. S. Highway 21 to Be Opened

SEPTEMBER 5 IS DATE

Is Completion of Lakes-to-Florida Highway, Dream of Elkin Citizens

TO STAGE CELEBRATION

Governor Clyde R. Hoey, of North Carolina, Governor James H. Price, of Virginia, and Governor Homer A. Holt, of West Virginia, will be invited to attend the dedication of the new Doughton bridge near the Carolina-Virginia line on U. S. Highway 21 September 5, Labor Day, it has been announced.

The bridge is on the Lakes-to-Florida route, which, when completed, will carry tourist traffic over U. S. 21 from Miami by Charlotte, Statesville, Elkin, Wytheville, Bluefield and Charleston, W. Va., and on to the Great Lakes.

The dedication will be at the bridge at 10 a. m. and 5,000 people are expected to attend. The group will then go 40 miles into Wytheville where there will be a barbecue dinner and a public speaking at 1:30 o'clock.

Clarence O. Keuster, Charlotte chamber of commerce official, has agreed to organize a goodwill party from Charlotte, Huntersville, Davidson, Mooresville, Statesville, Brooks Cross Roads and Elkin to attend the celebration. Wytheville citizens will organize the territory from Sparta to Charleston, W. Va., for each town to send representatives.

Elkin's civic leaders, together with civic leaders of other towns along the route, have been interested in promoting U. S. 21 as a tourist artery between the Great Lakes and Florida during the past 12 years. Among the many outstanding Elkin citizens who were among the first to create the idea, but who failed to live long enough to see their dreams come true, were A. G. Click, J. P. Carter, R. L. Hubbard, Capt. G. T. Roth, H. G. Chatham, and others.

Everyone locally who is interested in this new highway route is urged to attend the dedication of the bridge. The structure was built with funds contributed by both North Carolina and Virginia.

HULL IS SEEKING COOPERATION TO RESTORE PEACE

Seven Points Are Included in Program

SEEKS TO AVERT WAR

Economic Reconstruction Is Listed as First Move for World Peace

WOULD RESPECT PACTS

Washington, Aug. 16.—Cordell Hull, secretary of state, urged upon all nations tonight the adoption of "a comprehensive program embracing both economic reconstruction and revitalizing of principles which are indispensable for restoration of order under law."

He laid a seven-point program before a Europe made jittery by Hitler's mobilization of 1,000,000 men for army maneuvers on the Czech and French borders and Mussolini's speech last Thursday indicating a European war was approaching.

He spoke over a national broadcast, deliberately choosing a moment regarded as crucial in Europe to throw America's moral weight into the arena before it was too late. He addressed himself to the world which he said was becoming "smaller and smaller" with the result that "it will soon no longer be possible for some nations to choose and follow the way of force and for other nations at the same time to choose and follow the way of reason. All will have one direction and by one way."

His speech was sent by short-wave radio to Europe and Latin America and was radioed textually by the State Department to American diplomatic representatives abroad so that they, at their discretion, might present it to foreign governments.

His program included economic reconstruction, adherence to international law, respect for treaties combined with orderly modification of provisions of treaties, abstention from use of force and peaceful settlement of differences, reduction of armaments, cultural exchanges among nations and generally, international co-operation.

FEDERAL OFFICERS NAB BOOTLEGGERS

Four Are Carried to Yadkinville and Placed Under Bond; Liquor Taken

ALL WAIVE HEARING

Dealers in moonshine liquor in these parts received a setback during the past week when federal undercover agents, who had been in this section for some time gathering evidence, came out into the open to make an undetermined number of arrests.

Just how many liquor dealers and bootleggers were taken in the raid is not known, federal men showing little inclination to talk, even to local police, but four of their catch have been taken before U. S. Commissioner M. W. Mackie, of Yadkinville, and placed under bond for appearance at the next term of federal court at Winston-Salem in November.

These four were Joe McGee, Carl Jester, Bob Sprinkle and Herbert Samuel, the first three being from this immediate vicinity. Samuel is said to be from Wilkes county.

All waived a hearing, and posted bond.

The federal alcohol tax unit officers testified they bought liquor from each of the defendants. They also stated that at McGee's place they found nine one-gallon jugs, all full of moonshine, buried in the ground. At Carl Jester's place they found several small quantities and about one gallon in fruit jars, covered with honey and honeycomb. Bond for each was set at \$300, with the exception of McGee, who was required to make \$500 bond.

BURGIN FIGHTING FOR NOMINATION

Hearing of Mandamus Action Under Way in Raleigh Wednesday

CONTESTS STATE BOARD

W. O. Burgin, of Lexington, winner by a few contested votes over C. B. Deane, of Rockingham, in the recent second primary, but loser when the state board of elections got through with its investigation of alleged dirty work at the cross roads, Wednesday got another chance to fight for the nomination to Congress from the eighth district.

Judge W. C. Harris, in Wake county superior court at Raleigh, restrained the state board of elections from certifying the election of Deane, who holds a 23-vote margin. Wednesday was the date for hearing of a mandamus action by which Burgin was to seek to force the state board to certify him as the nominee on the basis of the 100-vote lead over Deane on first official returns from the July 2 run-off election.

The Tribune, which is printed each Wednesday in the late afternoon, had had no word from the hearing at this writing.

Yadkin Deputy Arrests Himself Some Federal Men

They all look alike to Deputy Sheriff Ruffan Haynes, of Yadkin county. His job is to enforce the law—regardless.

And that's what federal men, working under cover to secure evidence on Yadkin's dispensers of moonshine, found out the other day.

These gentlemen have a cute way of calling on a suspect and attempting to buy liquor. If they are successful, they have a nice little case against the unsuspecting dealer. But for once their plan backfired.

The government officers were said to have called on Carl Jester, of Jonesville, and purchased a bottle of liquor. As they were leaving the place, no doubt thinking of the dire things that were going to happen to Mr. Jester, Deputy Haynes turned up and did dire things to them.

He arrested the federal men for buying liquor, explaining it is quite unlawful in this section.

Badges and explanations didn't mean a thing to the Yadkin officer. And Uncle Sam's men didn't get free until Patrolman Lee Phillips was called in to identify them as federal officers.

CONVENTION TO BE HELD ON SEPT. 10

Democratic Delegates from Each Township Will Be Named, Committee Says

ELKIN'S QUOTA IS 39

The Surry county Democratic executive committee met at Dobson last Thursday and set the date for the county Democratic convention to nominate candidates to be voted upon in November, as September 10, at 2:00 p. m. The convention will be held in the court house at Dobson.

Date for township conventions was set for September 3, at 2:00 p. m. The Elkin township convention will be held in the school auditorium here.

This year's county convention will be held differently from the general convention of two years ago which ended in quite a bit of confusion and general dissatisfaction. Each township will hold its own convention and instruct its delegates as to how they are to vote in the county convention.

In cases where there are more than two candidates seeking the same office, votes of the township delegation will be prorated among the candidates on the first ballot, it was said. In case no candidate receives sufficient votes to secure the nomination on the first ballot, then the delegates may vote as they think best.

Elkin township will be represented at the county convention by 39 delegates. These delegates will be named at the September 3 township convention here.

AGED YADKIN MAN IS KILLED BY CAR

Willie T. Hennings, 81-Year-Old Farmer, Was Sitting on Doorstep

FUNERAL HELD MONDAY

Willie T. Hennings, 81-year-old farmer and respected citizen of Flint Hill, Yadkin county, was instantly killed late Saturday night at his home when a car crushed him, breaking his neck, one arm, and causing other injuries.

There was a family chicken stew near the Hennings home and the lights of a car had been turned on the table. It was necessary to crank the car by hand and it had been left in reverse gear. When it was cranked it shot back over Mr. Hennings who was sitting on the door step. Julius Mickle, a son-in-law, was sitting with him and was injured, but not seriously.

Funeral services were held Monday morning at 11 o'clock at Stony Knoll church, conducted by the pastor, Rev. G. B. Ferree and Rev. Chas. Hutchens.

He is survived by eight children, A. B. Henning and Mrs. Bessie Fletcher, of Winston-Salem; Bill Henning, Mrs. R. B. Smitherman, Mrs. B. E. Cornelius, Mrs. Julius Michael, Mrs. Riddings and Mrs. Adams, all of East Bend.

SEVEN HURT, ONE CRITICALLY, IN SUNDAY WRECK

Car Skids on Slippery Pavement

SECOND CAR STRIKES IT

Miss Lola Walton, of Coolee, not Expected to Live Result of Hurts

BROUGHT TO HOSPITAL

Seven persons were injured, one perhaps fatally, in an automobile wreck on Highway 26, two miles north of State Road, about 4 o'clock Sunday afternoon.

Miss Lola Walton, 36, of Coolee, was the most seriously hurt, receiving several fractured ribs and internal injuries. Hospital officials stated Wednesday afternoon that her condition was extremely critical and that she is not expected to live.

Miss Peggy Skinner, also of Coolee, received painful lacerations and concussion of the brain. Other occupants of the Coolee car were Kenneth Bruton, Jesse Cole and G. C. Earp, all of whom sustained lacerations and bruises that necessitated hospital treatment.

Mr. and Mrs. J. T. Hunter and their four children, of Charlotte, occupied the other car. Mr. Hunter sustained a sprain of the sacro-iliac joint, a pelvic injury, and Mrs. Hunter received a fractured rib. The four children were uninjured with the exception of minor scratches. Mr. Hunter was removed to a Charlotte hospital by ambulance Tuesday evening.

The Charlotte party was returning from a trip to Roaring Gap at the time of crash. A heavy rain had left the oil-treated road slippery, causing the Charlotte car to skid completely around, where it was struck by the car from Coolee, which was headed north. In some manner the Charlotte car struck a telephone pole, snapping it off at the ground.

Both cars were badly damaged.

ZEPHYR FARMER GETS RESULTS

Seeds Rye in Strips on Terrace Ridges; It Pays for Terracing Field

YIELDED 26 BUSHELS

(By T. L. ROBINSON)
When Mr. W. V. Holder, of the Zephyr community, seeded rye in strips on some terrace ridges last winter, he didn't expect it to pay for terracing the entire field, but that is just what occurred.

Following the suggestion of a CCC camp official late last fall, Mr. Holder harrowed five newly constructed terrace ridges and drilled in about one bushel of seed rye. A neighbor passing remarked at the time, "If I didn't have no more to do than that, I would go home and go to bed."

Due to rush of other work, one of the ridges was not gotten in until after Christmas when the drill gauge registered one and one-half acres.

The neighbor mentioned above was present when the rye was recently threshed. It yielded 26 bushels. He wanted to buy it all for seed.

The rye could be sold for \$1.25 per bushel or \$32.50. The cost of building seven terraces in this field with the county unit was only \$30.80. Mr. Holder, therefore, feels that his one day's work harrowing and making three trips with a six-hoe drill to each terrace ridge was well worth while and, in addition, he had no terrace breaks and good protection from erosion during the late winter and early spring rains.

Mr. Holder is strip-cropping this entire field at terrace intervals with a three-year rotation of lespedeza, corn and small grain.
