ADMISSION FREE TO ALL

Lock the doors and come to town!

The Elkin Tribune Motion Picture Cooking School entitled "Star in My Kitchen" will be the real community attraction for two days at the Elk theater starting Monday, September 5th.

This fascinating and different cooking school is open entirely free to every woman in town, and The Tribune as well as Elkin merchants extend this last invitation to join in the home-making lessons and jolly entertainment for at least one day.

The Motion Picture Cooking School will be a practical rally of home-makers to contribute fresh perspective for the "same old job," the monotonous day-in-and-day-out job, yet the most important business in the world. Just as men have their annual conventions, where they listen to lectures from specialists, local women will have their convention to consider home-making problems.

Just as fresh inspiration for the old job is one of the by-products of the familiar cooking school, which presents a lecturer in a model kitchen, so are new ideas and keen incentive born in the film class for home-makers, with its novel approach and modern setting.

No "false-front" camera-beautiful kitchens satisfied these specialists. They insisted on working in complete, compact, modern kitchens, which actually reflect more scientific ingenuity and careful planning than any living room.

Recognizing the demands of home experts, the producers of "Star in My Kitchen" signed all-star kitchens, with an all-star cast, adding a continual procession of close-ups, so that every seat in the Elk Theatre is a good seat for this amazingly-pictured home-making course.

Everyday happenings have been dramatized in the plot of "Star in My Kitchen." Behind the sparkling humor and suspense that are so necessary to screen

165 GALLONS OF WHISKY CAPTURED

Phillips and Mathews Arrest Clyde Shore with 100 Gallons Aboard

AFTER EXCITING CHASE

Clyde Shore, 28, of Kernersville, was arrested last Thursday morning by Highway Patrolman Lee Phillips, of Elkin, and Constable Arthur Mathews, of Booneville, after a chase which began at Booneville about daylight and continued for 14 miles. Shore's car contained 100 gallons of whisky.

Shore was spotted by the two officers as he passed through Booneville headed toward Winston-Salem. The last five miles of the race was run with Shore's rear tires flat, having been shot down by the officers, it was said. The officers were reported to have forced the run-runner to stop by blocking him with their car.

Shore jumped from the car and ran, but was overtaken. Carried before U. S. Commissioner M. W. Mackie, at Yadkinville, he was placed under \$2,000 bond.

Earlier in the night the two officers had captured 65 gallons after a short chase in Booneville. The driver of this car escaped.

LATE NEWS from the State and Nation

CONVICTS TELL OF TORTURE

Philadelphia, Aug. 30—Three convicts who experienced the torture of Philadelphia county prison's "Klondike" punishment cells turned accusing fingers on their guards today.

Guards Alfred W. Brough and Francis Smith were held without bail on homicide charges to await action by a coroner's jury in the "roasting to death" of four inmates, after the three convicts testified Brough and Smith had participated in the week-end of heat torture that drove some of them mad.

Describing scenes infernal in horror, Patrick Di Marco, 28, who has served about four years of a 25-year sentence, told questioners that he lost 15 pounds in the bake oven that was "Klondike" during three days.

GERMANS SAY CZECHS AGGRESSORS

Berlin, Aug. 30—Large headlines in the German newspapers today recorded every tavern brawl in Czechoslovakia, invariably representing the Czechs as ruthless aggressors. The press campaign coincided with an approach to a state of preparedness for war in the air, on land and on sea that was unprecedented since the World War.

Newspaper headlines were in sharp contrast to the restrained language of the semi-official mouthpiece of the foreign office, *Diplomatische Politische Korrespondenz*, which yesterday asserted a "latent crisis is threatening to become acute."

REYNOLDS SUPPORTS COAN

Washington, Aug. 30—Senator Robert R. Reynolds, who intimated yesterday he might support Representative Frank Hancock for the existing vacancy on the Federal Home Loan Bank board, today threw his support instead to George W. Coan, North Carolina WPA administrator.

Senator Reynolds, after talking to Chairman John H. Fahey, sent a letter to President Roosevelt urging the appointment of Coan and saying that he would be glad to return to Washington to present Coan's qualifications personally if the President desired him to do so.

DEFENDS PARTY PURGE

Boston, Aug. 30—Asserting President Roosevelt's intraparty "purge" efforts constituted a proper course against men "who tricked the voters by wearing our insignia," Works Progress Administrator Harry L. Hopkins tonight declared the administration did not intend to be "gagged or muzzled" in presenting its case.

YOUNG DEMOCRATS ENDORSE GORDON GRAY AT MEETING

George Royall Again Heads Organization

CONVENTION AT DOBSON

Gray, Principal Speaker of Event, Candidate for Head of State Body

DELEGATES ARE NAMED

George E. Royall, of Elkin, president of the Surry County Young Democrats Club for the past year, was reelected to that job for another year during the convention of the organization held at Dobson Tuesday evening.

Other officials of the club who have served during the past year were also reelected. They are: Archie Carter, of Mount Airy, vice-president; John Lewellyn, of Dobson, secretary-treasurer, and Mrs. Barringer, of Mount Airy, second vice-president.

The convention was opened by Mr. Royall, who called upon Mr. Carter to introduce the speaker of the evening, Gordon Gray, of Winston-Salem, a candidate for president of the state Young Democrats Club. Mr. Gray made an excellent talk, in which he reviewed the record of state officials, and in which he also stressed many of the accomplishments of the New Deal.

George K. Snow, of Mount Airy, was first to nominate Mr. Royall to succeed himself as president, making a brief talk in which he lauded the Elkin man for the efficient manner in which he has guided the club during his term.

Later a motion was put that all officers be reelected, and the motion was passed, almost unanimously.

One of the acts of the club was to endorse Mr. Gray for president of the state body, and to instruct the club's 14 delegates to the state convention at Durham September 8, 9 and 10 to cast their vote for him.

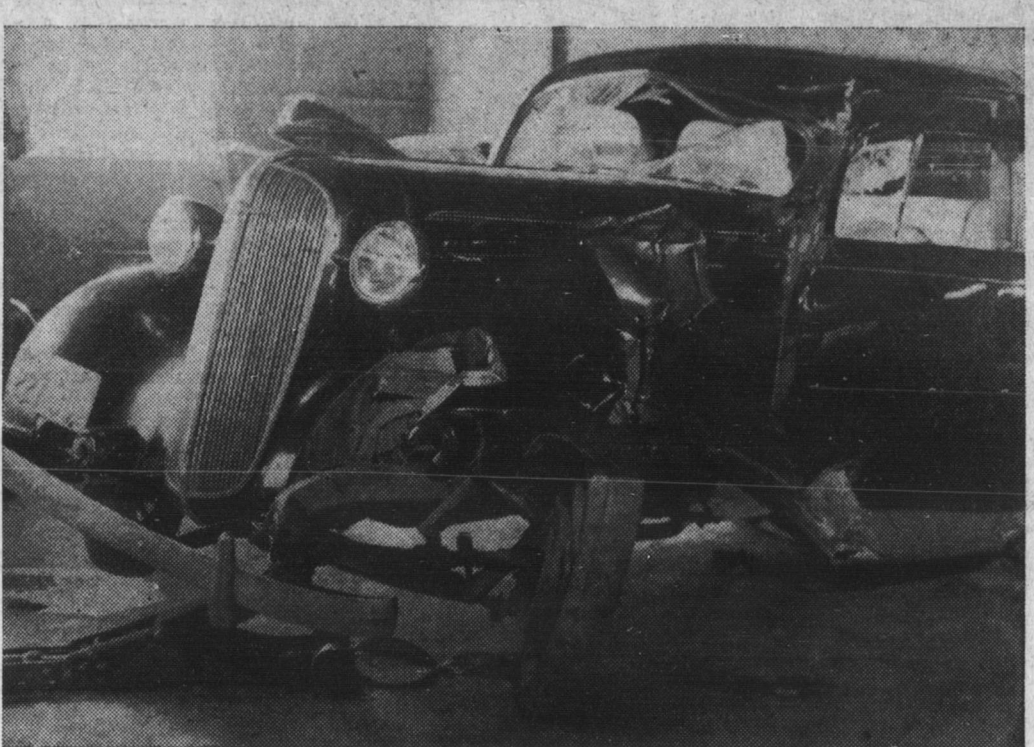

Delegates selected to attend the state meeting are as follows: Archie Carter, George Snow, Arthur Mewshaw, R. J. Mitchell, Charlie Hanes and Thomas Ashby, all of Mount Airy; Shank Freeman, John Lewellyn and John Comer, all of Dobson; John Badgett, of Pilot Mountain, and French Graham, W. M. Allen, R. C. Freeman and Julius Hall, of Elkin.

As a diverting highlight of the convention was the appearance, immediately after Mr. Gray's speech, of Byron Bryan, of Elkin and Traphill, who, attired in comic get-up, presumably blundered into the meeting under the impression that it was a meeting of Republicans. Jokes and songs featured his act.

S. S. ASSOCIATION PLANS MONTHLY MEET

The monthly meeting of the Surry Sunday School Association will be held Sunday afternoon at Indian Grove Baptist church, between Westfield and Mount Airy. All churches in the association are urged to have representatives present.

Accident Monday Puts One in Hospital Here

Dolley Byrd, 24, of East Elkin, an employee of the Chatham Manufacturing Co., was painfully injured, and two others slightly hurt in an accident Monday near Mountain Park which occurred when the car driven by Byrd was in collision with a CCC truck. Damage to the Byrd car is pictured above.

The injured were brought to the local hospital where an examination disclosed Byrd to have suffered severe lacerations about the head and a small fracture of the sinus bone. His injuries were not considered serious by hospital authorities. Clarence Layell, 28, and Miss Thelma Swift were also injured, but their hurts were of a minor nature.—(Tribune photo).

Township Convention Is To Be Held Here Saturday At 2:00 P. M.

Seeks Office

Henry Dobson, of Elkin, in a formal statement issued Wednesday, announced that he is a candidate for nomination to the state legislature as representative, subject to the Surry Democratic convention at Dobson September 10. Mr. Dobson has served one term as representative, and it is believed that he will easily win the nomination for a second term in the House.

AT SCHOOL AUDITORIUM

Henry Dobson Announces Candidacy for Nomination As Representative

TWO JOBS CONTESTED

The Elkin township primary, to be held for the purpose of naming delegates to attend the Surry county democratic primary at Dobson Saturday afternoon, September 10, at 2:00 o'clock, will be held in the local graded school auditorium Saturday at 2:00 p. m.

All Democrats of this township are urged to attend this meeting and aid in selecting the 39 delegates who will attend the county meeting from Elkin.

As the date nears for the county convention, county politics continue to warm up. Four candidates are seeking the nomination for clerk of superior court and two are after the job or sheriff.

In the race for clerk of court are F. T. Lewellyn, the present clerk; J. C. Hill, of Mount Airy; Frank Riggs, of Dobson, and John W. Martin, of near Elkin. Former Jailer Jesse Monday is opposing Sheriff Harvey Boyd for that job.

Nomination for representative to the state legislature is being sought by Henry Dobson, of Elkin, who announced his intention to seek the office Wednesday. Mr. Dobson has served one term as representative and is considered quite capable of looking after the best interests of the county for an additional term.

In the race for nomination for commissioners, it has been reported here that two of the present board, J. W. Lovill and W. J. Swanson, are retiring at the end of their term and will not seek reelection. It was said that Posie Jones, of Mount Airy, and Sam Smith, of Pilot Mountain, will seek the nomination to replace them. M. Q. Snow, of Elkin, will be a candidate to succeed himself on the board.

The county convention this year will not be an "open house" affair as was the case last convention two years ago. All candidates will be named by delegates from the various townships who will be instructed in their township meetings as to how to vote.

Thousands Are Expected At Bridge Dedication

Plans have been completed and a crowd running into thousands is expected to be present Monday for the dedication of the E. A. Doughton Bridge over New River, south of Independence, Va.

Governor Clyde Hoey, of North Carolina; Governor James H. Price, of Virginia, and Governor Homer A. Holt, of West Virginia, are all expected to be present and take part in the dedication of the bridge, which forms a link in the important Lakes-to-Florida highway.

At least a hundred people are expected to attend the dedication from Elkin. C. H. Brewer, local hotel man who has taken an active part in making the Lakes-to-Florida route an actuality, said Wednesday. The Elkin party, he said, will leave from Hotel Elkin Monday morning at 8 o'clock.

Anyone wishing to go will be welcomed, and those not having cars or any way to make the trip will be provided for. As large a delegation as possible is sought to make the trip from here.

Clarence O. Keuster, of Charlotte, chamber of commerce official, has organized good will parties from towns on the route between Charlotte and Elkin. Other delegations are expected from Virginia, West Virginia and states farther north.

Although the bridge is located on Virginia soil, it was jointly constructed with Virginia and North Carolina funds, which required a special act of the North Carolina legislature. Hon. R. A. Doughton was the prime mover in the undertaking. It also required a special act of the Virginia legislature to name the bridge after Mr. Doughton, which was passed at the last session of the Virginia body.

After the dedication of the bridge the motorcade will move to Wytheville to partake of a barbecue dinner and to hear a number of noted speakers in brief talks.

The barbecue will be free. Everyone is invited.
