The result of The Elkin Tribune "Cash Offer" Campaign for circulation last week was most gratifying. With few exceptions each candidate went "over the top" in great style, and with colors flying turned in more than they predicted they would at the beginning of the week.

Biggest Drop in Votes
This week only—each one year subscription earns 17,750 votes including club votes—Next week only 10,000, a drop of 7,750 votes on each subscription.

As a final call goes out for the end of the extra votes on \$30 clubs, members of The Elkin Tribune "Cash Offer" Campaign are combing their territory in an effort to obtain all possible subscriptions. Saturday night promises to see all records broken in the number of subscriptions turned in so far in the campaign. In fact, several of the members already have a nice business to report Saturday and those who have not will do well to take heed and get busy on that last minute rush for the big credits.

Big Vote Offer
Beginning Monday October 24th, ending Saturday, October 29th, 255,000 extra votes will be given to each and every \$30 club of both new and old subscriptions turned in. This is the last extra that will be made for clubs of subscriptions, and the candidate who is ahead at the end of this last extra vote offer will more than likely have a better side of the

The new remedy is benzol, which looks like gasoline and sometimes is used in gasoline. Its fumes destroy the mildew quickly, the academy was told by Dr. Frederick A. Wolf, of Duke university.

JAPANESE TAKE HANKOW

From Chungking, now the provisional Chinese capital, word was sent that Chiang had withdrawn his troops to the hills and was prepared to continue fighting, but neutral observers doubted that there would be much more organized resistance to the Japanese.

WIDELY KNOWN SURRY MAN DIES

Dr. Charles Holman Bernard Passes Away Tuesday from Pneumonia

FUNERAL THIS MORNING

Funeral services for Dr. Charles Holman Bernard, 49, widely known Surry county physician, will be held at his late home at Pilot Mountain this morning at 11 o'clock. Dr. Bernard died early Tuesday morning at a Mount Airy hospital from an attack of pneumonia. His condition had been critical for several days. The funeral will be on the fiftieth birthday anniversary of the deceased.

Dr. Bernard was educated at the University of North Carolina and received his M. D. degree from the Medical College of Virginia. During the World War he served in the medical corps of the U. S. Army. Since 1919 he practiced his profession in Surry and Stokes counties, moving to Pilot Mountain about 15 years ago.

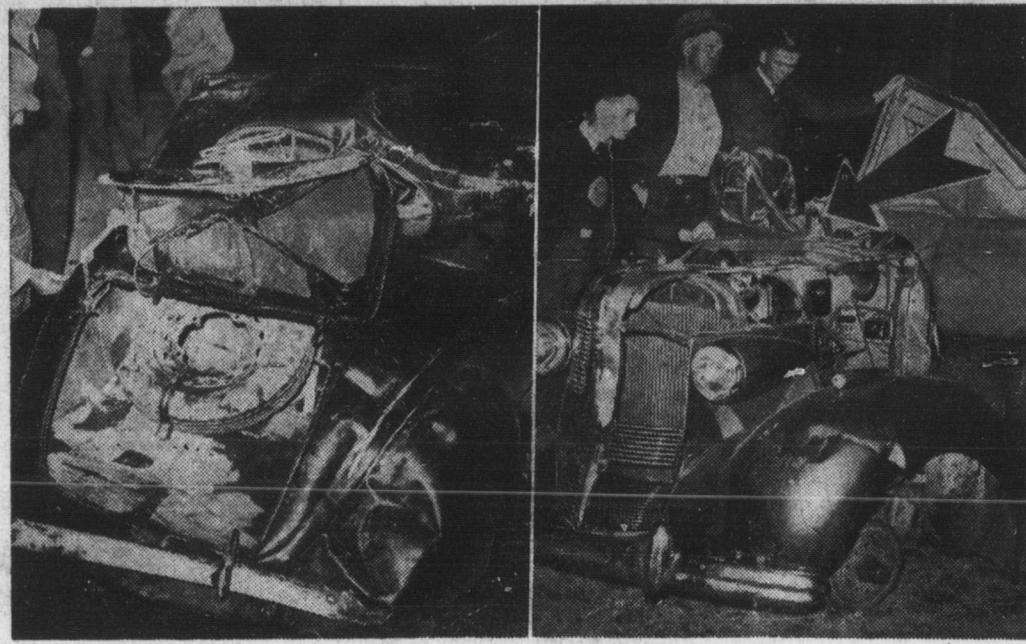

Throughout his life Dr. Bernard was active in politics and he represented Surry county in the state legislature in 1929. At the time of his death he was managing the political campaign of Charles A. Jonas, Republican candidate for the U. S. Senate in the fifth congressional district.

He is survived by his wife, Mrs. Bessie Humphreys Bernard, his father, C. M. Bernard, his stepmother, two sisters and two brothers.

Members of the medical profession of Surry and adjoining counties will serve as honorary pallbearers.

A "gold-filled" Christian will stand the ravages of time, while a "gold-plated" one will tarnish and corrode.

Crash Claims Life of Boonville Constable

Arthur Mathews, Boonville constable, late Saturday afternoon picked up the trail of John Davis, of High Point, a rum runner, and roared to his death at 80 miles per hour when his car crashed into that of Davis a few miles east of East Bend. Pictured left is the coupe which was driven by Davis. On the right is the wreckage of Mathews' car after it had swerved from the highway to crash into a large tree. A youth riding with the officer was uninjured. Two young women with Davis escaped with minor injuries. Davis was also unhurt.—(Photos courtesy Winston-Salem Journal).

RUM RUNNER GIVES UP

Arthur Mathews, 34, Boonville township constable, was almost instantly killed at 5:15 Saturday afternoon when his specially built coupe wrecked while chasing a rumrunner two miles east of East Bend.

Mathews was accompanied by Wade Johnson, young Boonville boy, who escaped unhurt. The car he was chasing was driven by John Davis, of High Point, who had two girls, Ruth Fern Daniels and Kathelen Ferrell Hicks, as traveling companions, and the car was loaded with 100 gallons of whiskey. Davis and the two girls all received a number of scratches and bruises but none serious. Davis escaped through the woods soon after the wreck but the two girls were arrested and placed in jail where they remained until Sunday afternoon when they were released under \$500 bonds after they waived their case to federal court.

Davis surrendered to Federal officers at Yadkinville Tuesday night and was placed in jail in default of \$1,000 bond after waiving a preliminary hearing on a charge of possessing 100 gallons of non-tax paid whisky. He was later charged with hit-and-run driving and reckless driving.

It seems that Mathews had been notified by telephone by Policeman J. H. Madison of

BURGIN SELECTED IN 8TH DISTRICT AS THE NOMINEE

Deane Withdraws After Decision by Referees

JUDGE MUST ACT FIRST

Must Be Certified by State Election Board to Make It Official

UNPRECEDENTED CASE

Raleigh, Oct. 25—C. B. Deane of Rockingham formally withdrew from the eighth district congressional race today, leaving the way clear for certification of W. O. Burgin of Lexington as the Democratic party's nominee.

Deane's withdrawal came a few hours after a three-man board of referees—endowed with extraordinary powers—decided "as a matter of law" that Burgin won the nomination in the runoff Democratic primary of July 2.

Barring an unexpected development, Burgin will be certified by the state board of elections tomorrow and the unprecedented elections case will be officially closed. The certification must be preceded, however, by a consent judgment signed by Superior Court Judge W. C. Harris of Raleigh.

Wake superior court attaches indicated tonight that Judge Harris would sign the judgment, as soon as it was drawn by the state board of elections and counsel for the candidates.

Farley Writes Tribune Letter of Appreciation

The Tribune is in receipt of a letter from James A. Farley, Postmaster General of the United States and chairman of the Democratic National Committee, in appreciation of an editorial which appeared in these columns September 29.

The letter was as follows: "A friend of mine the other day sent me a copy of the Richmond County Journal which contained a reprint of your editorial concerning the writer. I do want you to know I am more than grateful to you for your altogether too generous remarks. A fellow in my position gets kicked around so much that it is pleasing to read a friendly editorial. "Again may I express my thanks to you, and with every good wish I am, sincerely yours, JAMES A. FARLEY"
