

NEW FORDS TO GO ON DISPLAY HERE

First Showing Will Be Staged by Elkin Motors Tomorrow and Saturday

MERCURY 8 ANNOUNCED

The finest Ford cars in the 35 years of the company's history will be given their first public showing tomorrow (Friday, Nov. 4), and Saturday at the show-rooms of Elkin Motors, Inc., local Ford dealers, and in dealerships throughout the country. These new Ford V-8's are individually styled, and of compelling beauty. They have hydraulic brakes.

Available also will be pictures and complete information concerning the new Ford-made car, the Mercury 8, which fills a place in the Ford-Lincoln line between the DeLuxe Ford V-8 and the Lincoln Zephyr. The Mercury 8 will be on display at a date in the immediate future.

Introduction of the new Fords climaxes a year of activity which saw the company embark on its current plant expansion program, bring out its entirely new Mercury 8, and establish the Lincoln-Zephyr still more firmly as the acknowledged style leader in the automobile industry.

The DeLuxe Ford V-8, with wholly new streamlines, has a distinctive appearance of its own. At the same time, both it and the Ford V-8 share a family likeness with the Lincoln-Zephyr and the new Mercury 8.

The DeLuxe has a deep hood with long lines unbroken by louvers, low radiator grille in bright metal, and wide-spaced headlamps set into the fenders. The words Ford DeLuxe, in script letters of chrome, are divided at the front of the hood. The hood handle is concealed in a vertical extension of the radiator ornament.

The 1939 DeLuxe is powered by an 85 horsepower V-8 engine of even more rugged construction than the 5,000,000 already in use. The Ford V-8 is offered with the same engine as the DeLuxe or with the economy 60 horsepower V-8 engine.

All Ford cars are now equipped with hydraulic brakes. Pedal action is exceptionally easy, and the brake shoes work in 12-inch cast iron drums with a total of 162 square inches of braking lining for quick stopping and long life.

"Atoms? I don't know, my boy. You mean Athens, probably."

Fine Singing Held at Swan Creek Church

The Ronda Singing convention met with Swan Creek church last Sunday morning. The chairman asked Rev. W. V. Brown to conduct the devotional, who led the congregation in singing, "Send the Light." He read Psalm 23 and offered a prayer. All arose and blended their voices in singing the familiar hymn, "Amazing Grace."

The secretary, Rev. R. R. Crater, listed the following singers who took a part in the day's program: Swan Creek, Bethel, Union, Pleasant Grove and Maple Springs choirs.

Quartets and duets were given by Swan Creek, Bethel, Union, Pleasant Grove, Hunting Creek and the Nance family. By request Rev. Mr. Brown, a music teacher, sang the beautiful and impressive hymn, "The Poor Wayfaring Stranger," that was much enjoyed.

Rev. Guss Myers dismissed the morning session by leading in prayer.

After having an hour for lunch the large crowd reassembled into the church. Mr. W. A. Stroud led the congregation in singing, "Trust and Obey," and Rev. E. K. Wooten led in prayer. After this the singers took their places and sang until about 4:00 o'clock.

This was such a beautiful day surely God's people wanted to worship Him together and send praise above by singing of His wonderful works and His blessings.

"There Is Power" was directed by Mr. W. T. Myers for the closing song and Rev. Mr. Crater led the closing prayer.

The next meeting will be held with Union church the first 5th Sunday in early spring of 1939.

1-MINUTE SAFETY TALKS
By Don Herold

You were going too fast and I gotta give you a ticket

You're right, Officer. I'm glad to be arrested

Take—and Like—Your Medicine

I burn when I see somebody driving a car down our street faster than he should.

Yet, I'd burn if I were doing the same thing and a cop caught me and gave me a ticket.

But I oughtn't to.

I ought to remember that my little Hildegarde crosses that street several times a day and plays on the other side, and that traffic regulation and enforcement are for her protection.

I ought for her sake, to be so loyal to traffic regulations that I would feel good about getting a ticket.

There is always injustice in any ticket WE get for a traffic violation. Let's just have sense enough or sense of humor enough to remember that our own ticket is invariably going to seem unjust.... and let's have sports-

manship enough to take our medicine in the name of a good cause.

At the present rate, according to estimates made by The Travelers Insurance Company, one out of every three children faces the PROBABILITY of death or maiming from motor accidents in the course of a lifetime.

So what we need is more tickets, not fewer tickets. And no "FIXING".

I like the spirit of that wife of a New York magistrate who some time ago appeared in traffic court and paid a fine.

I think some types of patriotism and public spirit are apt to be the bunk, but I believe we should all lean over backwards to take what's coming to us for traffic rule violations.
