PROMINENT ELKIN CITIZEN PASSES AWAY ON NOV. 10

Ruohs Pyron Answers Call After Prolonged Illness

WAS WIDELY KNOWN

Had Been Manager of Klondike Farm Here for the Past Fourteen Years

FUNERAL HELD FRIDAY

Ruohs Pyron, 59, one of the most widely known and prominent citizens of Elkin, passed away at Hugh Chatham Memorial hospital about 5 o'clock Thursday morning following a prolonged illness. Mr. Pyron had been critically ill for a week before his passing.

Mr. Pyron was a native of Chattanooga, Tenn., and spent his early life in Cartersville, Ga., in which vicinity he maintained extensive farming interests.

For several years he was associated with Pinehurst, Inc., at Pinehurst, coming here fourteen years ago to assume management of Klondike Farm. An expert in Guernsey cattle breeding, his name is famous throughout the country, especially in sections where pure-bred Guernseys are raised.

Possessed of abundant wit and humor, and a genial disposition, he was one of the most popular men to ever live here. He was known and admired by a host of friends.

During his residence here he was very active in civic work and was deeply interested in farming and in stocking local farms with pure-bred cattle. In addition to Klondike Farm he was general manager of Selected Dairies in Winston-Salem and had varied other interests.

His immediate survivors are his wife, who before her marriage was Miss Kate Smith, an aunt, Miss Nannie Ruohs, and a niece, Miss Mary Pyron, of Chattanooga, and a cousin, Joseph Jarnigan, of Raleigh.

Funeral services were held from the late home at Klondike Farm Friday afternoon at 3 o'clock.

PARKING RULES CHANGED HERE

Commissioners Name J. C. Walls As New Member of Local Police Force

TO BUY VAULT DOOR

The Elkin board of commissioners, meeting in belated session at the city tax office Tuesday evening, changed Elkin's parking system and authorized employment of a new police officer, bringing the local force to three men.

The new officer, who will be on daytime duty and who will work traffic, is J. C. Walls, of State Road. Mr. Walls, who has been associated with Elkin Motors, Inc. here, will move his family to Elkin, it is understood. There were about 10 applicants seeking the job.

Beginning around December 1, parking on the north side of Main and Market streets, and on the west side of Bridge street, will be parallel to the curb, thus doing away with the present practice of angle parking. The traffic ordinance passed December 7, 1936, was thus amended. Both front and rear wheel must not be more than 15 inches from the curb.

The commissioners also authorized a committee made up of Mayor J. R. Poindexter, Dixie Graham and Paul Gwyn to buy a door for the vault to be located in the new municipal building which is now under construction.

YADKIN CO. BOARD CANVASSES VOTE

Returns Show Democrats Win 3 Offices; Crater Has 69 Majority

DR. SHORE IS LOSER

Yadkinville, Dec. 16—The Yadkin county board of elections met here Thursday and canvassed the vote in Tuesday's election.

Two changes were noted from the returns as brought in Tuesday night from the various precincts. The first was an error in Deep Creek township which cut the majority of Dr. T. W. Shore of Boonville 100 votes in his race for state senator. This, with an increase gained by C. H. Cowles, his opponent, in Wilkes gave Cowles a majority, which was conceded by Dr. Shore Thursday afternoon. Dr. Shore's majority in Yadkin was 217. Cowles' majority in the district is 173.

Dr. H. A. Brandon, Democrat, was at first declared the winner for coroner over R. V. Long, Republican, by a majority of 24 votes. However, the final count gave Long the victory by 11 votes. The race for county commissioner between L. L. Smitherman and A. B. Warden, both Republicans, gained attention, when it was found Smitherman had a lead of four votes over Warden.

F. D. R. DENOUNCES HARSH TREATMENT OF JEWS BY NAZIS

German Action Is Termed Almost Beyond Belief

PERSONALLY SHOCKED

States It Is Hard to Believe Such Things Could Happen in 20th Century

HINTS BIG AIR FORCE

Washington, Nov. 15.—President Roosevelt denounced the German dictatorship's treatment of Jews today as almost beyond belief, and then pictured a vast two-continent defense system in which all the Americans would present a united front against aggression from abroad.

His remarks on the Jews, given out at a press conference, were as follows:

"The news of the past few days from Germany has deeply shocked public opinion in the United States. Such news from any part of the world would inevitably produce a similar profound reaction among American people in every part of the nation.

"I myself could scarcely believe that such things could occur in a twentieth century civilization.

"With a view to gaining a first hand picture of the situation in Germany, I asked the secretary of state to order our ambassador in Berlin to return at once for report and consultation."

Thus Mr. Roosevelt disclosed that he himself was back of yesterday's order calling Ambassador Hugh E. Wilson home. Mr. Roosevelt said he could not disclose how long the ambassador would stay here. This gave rise to speculation that the envoy might be kept at home indefinitely.

Mr. Roosevelt's words on military defenses were closely linked in his listeners' minds, to his statement about Germany because of wide-spread speculation that the totalitarian reich may seek to extend its influence to Latin America.

Mr. Roosevelt declared that, as one means of insuring protection for the 20 American republics and Canada, he and his aides are discussing an increased air force.

WOMAN IS KILLED IN WRECK SUNDAY

Mrs. Thurman Caudle Dies Almost Instantly As Result of Collision

TWO PLACED IN JAIL

Mrs. Thurman Caudle, 31, was almost instantly killed Sunday night at Deep Creek bridge, one mile east of Yadkinville, when the car she occupied was struck by a roadster driven by Conrad Hutchens, 26, of Union Cross section.

Mrs. Caudle, her husband and five small children were returning to their home near Brooks Cross Roads from a visit to relatives in Winston-Salem, riding in a Buick sedan. The car driven by Hutchens was a Ford roadster and belonged to Dallas Davis of Smithtown, who was in the car.

Howard Logan, Yadkinville merchant, was just in front of the Caudle car when he met the one driven by Hutchens. He said Hutchens' car was in the middle of the road, forcing Logan off the concrete and by the time he was back on it the cars crashed. He backed up and found the Caudle car on its side, the front door open, and Mrs. Caudle lying un-

LATE NEWS from the State and Nation

CUMMINGS RESIGNS CABINET

Washington, Nov. 15—Homer S. Cummings, 69-year-old attorney general, will leave President Roosevelt's cabinet in January to resume the private practice of law.

The President disclosed at his press conference today that Cummings had asked to be relieved and said the resignation—which has not yet been formally presented—would be effective early in the new year. The date has not been determined.

INDICATES TRADE AGREEMENT REACHED

Washington, Nov. 15—President Roosevelt gave today the first official indication that the Anglo-American trade agreement has been reached.

He did so by saying Secretary of State Hull, rather than himself, would sign it.

Reliable information is that the signing will take place in a day or so. The agreement embraces hundreds of tariff reductions made on both sides.

ENDORSE CROP QUOTA PLAN

Wilson, Nov. 15—Representatives of four state organizations and interests, recognizing "that without marketing quotas cotton and tobacco farmers would face ruin, destitution and poverty resulting in bankruptcy," heartily endorsed crop control for 1939 in a resolution passed at a meeting of the executive committee of the North Carolina Farm bureau here today.

CHANGSHA BURNING AS CHINESE FLEE

Shanghai, Nov. 15—The Japanese advance toward Changsha, Hunan provincial capital, has added the Chinese "scorched earth" policy to the panic of mass civilian flight from the Japanese offensive.

Fragmentary news from Changsha indicated that the populace had been reduced to a few thousands by an exodus of civilians and soldiers and that those remaining were powerless against fires set in anticipation of Japanese occupation.

EARLY FROST PLAYS HAVOC

San Francisco, Nov. 15—An early frost which for three days has played havoc in California's vegetable gardens nipped produce and took a bite out of the farmer's income.

Reports from Fresno today indicated the San Joaquin valley citrus crop was hard hit although Imperial valley apparently escaped with little damage.

PNEUMONIA IS FATAL TO BOBBY LEE PARDUE

Bobby Lee Pardue, six-months old son of Mr. and Mrs. Robert Pardue of Cycle, died at the local hospital Tuesday morning, following a brief critical illness from pneumonia.

Calls for additional receipt books this week indicates real action among leaders. A big finish is predicted. If you have planned to win, be sure your competitor does not nose you out in the last few hours.

They're now on the home stretch after weeks of strenuous effort on the part of ambitious workers, who have been striving zealously in quest of subscriptions and votes. They see victory just ahead of them. With closing time just a few hours off, the curtain will have to come down upon one of the most successful and far-reaching Cash Offer subscription campaigns ever conducted in this part of North Carolina.

Hundreds and hundreds of new subscriptions have been added to The Elkin Tribune list—new friends have been made—come to stay, we hope, permanently.

It Won't Be Long All is anxiety as the candidates pound down the home stretch, vying with each other to reach the wire first. To come under the wire first in The Elkin Tribune "Cash Offer" Campaign means highest honors to the winners.

Nothing in life worthwhile is ever gained without effort and while all cannot win the big award in The Elkin Tribune "Cash Offer" Campaign, the business experience gained, the friends and acquaintances made, will be of inestimable value in later years.

Plenty at Stake With the rich rewards hanging in the balance the candidates are waging a fast and furious battle of ballots which will end at 7 p.m. Saturday, November 19.

If you are expecting to win the biggest cash award, it is up to you alone to have more votes than your nearest competitor. Work hard—victory is just ahead.
