SUGGESTIONS FOR CHRISTMAS MAIL

Public Should Mail Earlier Due to Fact Christmas Falls on Sunday

OTHER ADVICE IS GIVEN

Public attention is invited to the necessity for earlier mailing this Christmas season. Christmas day falls on Sunday, and post offices will be closed on December 25 and 26th. There will be no window service at post offices, and city, village and rural delivery of mail will be suspended Dec. 25 and 26th. Parcels may be marked "Do Not Open Until Christmas". It is advisable to insure packages of value, and, when immediate delivery is desired upon receipt at the office of address, special delivery service should be employed. Christmas cards, when enclosed in envelopes, must be sealed to secure the local drop letter rate of 1 cent each. Unsealed envelopes containing cards require postage at the third class rate of 1 1/2 cents for each ounce or fraction thereof for delivery to any domestic address. Since unsealed cards are third class mail, it is often advantageous to employ the first class rate due to the forwarding privilege it carries and the more expeditious handling which is accorded mail of this class.

Parcel post windows will remain open Saturday afternoon, Dec. 17, and Dec. 24th for public convenience.

HELP STOMACH DIGEST FOOD

Without Laxatives—and You'll Eat Everything from Soup to Nuts. The stomach should digest two pounds of food daily. When you eat heavy, greasy, coarse or rich foods or when you are nervous, hurried or showy—your stomach often pours out too much acid. Your food doesn't digest and you have gas, heartburn, nausea, pain, or sour stomach. You feel sure that you eat all your food. Doctors may never take a laxative for stomach pain. It is dangerous and foolish. It takes three little black tablets called Bell-tone for indigestion to make the excess stomach acids harmless, relieve distress in no time and get you back on your feet. Relief in no time! It is amazing and one 25c package proves it. Ask for Bell-tone for Indigestion.
