63 Years of Progress In Elkin!

The occasion of the opening of the new finishing department of Chatham Manufacturing Co. in Elkin is a happy event in the history of our town, and we join the hundreds of our citizens in extending a most cordial welcome to the new comers. We are also happy to know that we have had a part in the building of the new addition, supplying much in material and service in the plumbing equipment. It is gratifying to us to know that firms of the magnitude of the Chatham company realize that we are capable of doing our work well and economically, resulting in our being called upon to furnish our material and workmen in considerable quantity. For all of this we are grateful . . . and to the new comers again let us say—"Hearty Welcome."

WE OFFER MODERN PLUMBING AND HEATING SERVICE

at most reasonable prices. If you are planning to build or remodel, let us help you in the selection of your fixtures, and quote prices for the completed work
