

NEWS FROM THE COUNTY CAPITAL

Mrs. J. W. Comer, president of the Dobson Woman's club, entertained the council of the club at her home on Kapp street Thursday evening at a delightful dinner party. Covers were laid for 21 guests at five tables in the spacious living room, where spring flowers, were attractively arranged, and on each table were vases of tiny yellow roses, pieces of china as souvenirs for each attendant, and bouquets of spring violets. The four course dinner was served from the dining room table and buffet. The centerpiece for the table was an elaborate array of colorful snapdrag-

ons. After the dinner hour tables were cleared for a game of hearts, from which Mrs. Howard Snow received high score prize. A bouquet prize contests followed, the prize going to Miss Emma Comer. Beer License Renewals

May is the month when city and county authorities have the responsibility of passing on yearly applications for beer licenses.

It is the hope of the Brewers and North Carolina Beer Distributors Committee that local authorities will scrutinize the record of each applicant, and will deny renewals to the few who have abused the privilege of a license.

Careful selection of licensees fosters better law observance, requiring a smaller expenditure for enforcement and allowing larger sums for welfare and school purposes.

TO THE VOTERS OF SURRY COUNTY

I wish to announce that I will be a candidate in the coming Democratic Primary on May 25th for the position of Representative in the General Assembly. All my life it has been my pleasure to work for the success of the party. If I am elected to this position I shall make an effort to enact such legislation as will return to the people the offices of Judge of the Recorder's Court and that of Tax Supervisor. For many years these offices have been held by appointment of the Governor. Our people should have enough judgment as to the qualifications for these offices to be entrusted with a vote to fill them. It shall also be my purpose to represent the whole of Surry County and no particular family or association of families and my vote on any measure will be for the best interest of the people.

CHEVROLET'S Exclusive VACUUM-POWER SHIFT

because ITS ACTION IS EASIEST!
Tests prove Chevrolet's to be the easiest steering column gear-shift to operate. Compared with the two cars next in sales, Chevrolet requires only 2.8 ft.-lb. effort, Car B 8.5, Car C 14.8.

because ITS LEVER AND ITS "THROW" ARE SHORTER
Chevrolet's lever and its travel or "throw" are the shortest, and that means the quickest shift. Length of Throw: Chevrolet, 4 1/2"; Car B, 7 1/2"; Car C, 10 1/2".

because IT'S EFFORTLESS IN TRAFFIC
Stop and Go—Red and Green—Halt! Start! That's traffic. And that's where Chevrolet's easy shifting is appreciated. Vacuum does 80% of the work; only 20% is done by the driver. No tugging, no shoving!
