## Wednesday Is School Day At Winston Fair

Wednesday, October 2nd, will be county school day at the big Winston - Salem and Forsyth County Fair. On that date every school child and teacher in all counties adjacent to Forsyth will be the guests of the fair management. From 9 o'clock in the morning until 11 o'clock that night the children will find everything running in full blast. They will find agricultural and livestock exhibits surpassing anything of the sort ever seen before. They will see busy bees at work—they will see handicraft from the boys' and girls' clubs of the various counties. They will enjoy the great midway with its rides and tented attractions. They will see horse races, free grandstand acts, fireworks and a gorgeous night revue. In all, they will see one of the greatest agricultural fairs of the whole South and all without a penny of cost for entrance to the grounds.

Every night during fair week there will be an elaborate musical revue, with pretty girls, funny comedians and graceful dancers. Fireworks will furnish the usual finale for a great evening at the fair. Horse racing daily except Saturday with the three fastest horses in America as an added attraction will delight lovers of this American sport. On Saturday there will be automobile races for large cash prizes. The big midway with its stores of features; band concerts day and evening; great displays of the finest products of North Carolina for handsome premiums will combine to make this 41st annual event one long to be remembered by those fortunate enough to attend.

Fair Week in Winston-Salem is October 1st to 5th.
