

Order Numbers Are Assigned By Board

Surry Draft Board No. 2 Releases Official Order Numbers for Registrants of Area With Serial Numbers 1 Through 300; Other Numbers to Appear in Succeeding Issues As They Are Received from the Board

Order numbers for registrants under jurisdiction of Surry draft board No. 2 having serial numbers 1 through 300, appear here-with, together with the serial numbers and names of the men affected.

These order numbers are described as official, having been assigned by the draft board. Other order numbers will appear in succeeding issues of The Tribune as they are received from Dobson.

The order numbers as announced herewith are not the order in which they were drawn from the fish bowl in the national lottery. All serial numbers larger than the highest number represented in this area were thrown out, and new numbers assigned in the order in which the local names were drawn.

The number at the left is the order number; the second is the serial number. It is suggested that this copy of The Tribune, together with succeeding issues which contain further numbers, be preserved.
