

To Move Library To Y. M. C. A. Building

Will Observe Same Hours As During Past

On Friday of this week the public library will be moved from West Main street to the new Gilvin Roth Y. M. C. A., according to an announcement Tuesday. For the present the library will observe the same hours as in the past. Mrs. W. J. Price will continue to serve as librarian.

The library, which was opened here on September 27, 1937, has enjoyed a splendid growth. The project was sponsored by the Elkin Woman's Club during the time that Mrs. Paul Gwyn served as president of that group and much of the growth of the library is due to her untiring efforts. She has served as library chairman for the Woman's Club since its organization.

The library has had financial support from a WPA grant since its beginning, and this with contributions of books and money from individuals and civic organizations has enabled the library committee to acquire 1,250 volumes, including fiction, non-fiction, and reference books, in addition to many magazines and periodicals.

The library will continue to serve the public as it has in the past, the move being made because of the withdrawal of financial support from the WPA and the fact that the new location will be more suitable for the purpose.

A library board composed of a representative of the town and various civic organizations has been appointed. The board is composed of Mayor J. R. Poindexter for the town; Mrs. Clyde Eller and Mrs. Paul Gwyn from the Woman's Club; John Sagar from the Junior Chamber of Commerce, and Garland Johnson from the Kiwanis Club.

Fire Early Monday Destroys Awning

Fire of undetermined origin early Monday morning destroyed the awning of the Fidelity Finance Company building on East Main street here. Although the blaze was extinguished before causing any great damage to the building, the heat caused cracks in the glass front.
