## Tires Or No Tires, Deliveries Must Be Made

Hayes & Speas, Inc., local furniture dealer, cocked an eye to the future, surveyed increasing shortages of tires and gasoline, and decided if the horse-drawn delivery of bygone days was good enough for our grandfathers it was good enough for them. Result: one-horse-power delivery wagon, pictured above, now in service at the store. Warren W. Caudie is holding the reins, and Edworth Carr, colored, both employees, are pictured in the wagon.—Tribune Photo.
