

Patterson Is Winner Over M. W. Monday

Snow Reelected; Lawrence Ousts Fred Llewellyn

From present indications a second primary will be necessary in the Fifth District in order to determine whether Thurmond Chatham or incumbent John Folger will be the Democratic nominee for Congress in the November election. The last tabulation of votes throughout the district gives Folger a 13 vote lead over Chatham, but the count is not yet regarded as official.

As the record now stands, Folger polled a total of 21,223 votes and Chatham 21,210. Joe Harris, the third candidate, is credited with polling 805 votes. Unofficial counts show that in Surry county Folger received 4,541 votes to Chatham's 2,919. A settlement of the controversy over the balloting at the Dobson precinct will be necessary before an official count can be released for the county.

Less confusion was apparent in races for offices within the county, although in at least one instance the contest was unusually close. For nomination to the State House of Representatives, George K. Snow defeated Henry Dobson by only 84 votes. Final count: Snow, 3,146; Dobson, 3,062. Sheriff Sam Patterson gained a large majority over challenger Morris W. Monday in his bid for reelection. He polled 4,515 votes to Monday's 2,581.

R. P. Jones defeated Oscar W. Smith in the race for State Senate by a 4,978 to 2,291 majority. Incumbent Fred Llewellyn lost a bid for renomination to the Clerk of Court office to Kermit Lawrence, former Register of Deeds. The present tabulation gives Llewellyn 2,418 votes and Lawrence 4,147.

Voters elected to retain M. Q. Snow and S. M. Smith as county commissioners, and the name of Marshall Fowler was added to the list. Defeated candidates for the county board were R. E. Ashby, Snow received 3,728 votes, Smith 3,917, Fowler 3,887, and Ashby 3,173.

The Tribune has been unable to determine who won the Republican race for nomination to the State House. Candidates were Graham Somers and Ernest Inman.

These tabulations are not yet declared official, but no radical changes are expected in the election for county offices.

DEANE DEFEATS HORNER IN 8TH

Official Count Shows 354 Votes Majority In Congressional Contest

REN A ME POINDEXTER

According to official returns, C. B. Deane, of Rockingham, defeated W. E. Horner, of Sanford, by 354 votes in the Congressional race from the Eighth District. Wilkes county, with 28 of 29 precincts reported, gave Deane 962 votes and Horner 812.

The vote in Wilkes was said to have been the lightest in several years, despite the fact that both the Republican and Democratic parties contested for nominations. On the Republican ticket Sheriff C. G. Poindexter was renominated by a decisive majority over Githern L. Eller. In the race for Clerk of Court, C. C. Hayes, incumbent, defeated W. S. Fletcher in another one-sided contest. Mr. Fletcher had previously announced that he intended to withdraw from the race, but his name remained on the ballots due to the fact that they had already been printed.

On the Democratic ticket the sole contest was between Rufus B. Church and Joel J. Bentley for sheriff. Unofficial returns from 18 precincts gave Church 724 votes to Bentley's 527.

In a special election held at the time of the primary, Miss Jane Pratt, Democratic nominee, won over Republican Frank Hullin in the contest for completion of the Congressional term of the late W. O. Burgin.

A rabid dog in the keeping of Gat Pardue, on Eller street, this city, was killed Tuesday afternoon and his head taken by Policeman Hugh Laffoon to Winston-Salem Wednesday morning. Tests showed the dog to have been mad.

Chief of Police Corbett Wall urged Wednesday, following receipt of the positive report from Winston-Salem, that all persons in the neighborhood who had dogs, keep them confined and under observation. Mr. Wall said it was likely that the rabid animal had bitten other dogs of the neighborhood.

MYERS TO HEAD FOOD CAMPAIGN

Local Furniture Store Man Is Named Chairman To Collect Food, Cash

WANT CANNED STUFF

A recent announcement revealed that Charles N. Myers, locally prominent merchant, has been appointed chairman of the Emergency Food Collection organization for this city.

The task of this organization is to collect food and cash with which to buy food for the starving peoples of the world. Contributors are urged to give cash wherever possible, since the money will go further if food is bought centrally and in large quantities. Also there will be considerable saving in the cost of collection, packing, and transportation.

Because of difficulty in handling food for overseas shipment, the Emergency Food Collection is necessarily limited to foods packed in tins. Canned foods are easily identified and conveniently handled. Some types of canned foods are more urgently needed than others. Highest priority will be given to milk (condensed, evaporated, or dried), meat, fish, and peanut butter. Next on the list are: baby food, baked beans, stews, soups, honey, fruit, juices, and vegetables.

President Truman has said: "Our national self-respect and our duties as human beings demand that we do all possible to stop the spread of famine."

General Dwight D. Eisenhower said: "Food is necessary all over Europe and must be sent to preserve the peace."

Official Returns In County Are In Snarl As Charges Fly Before Surry Election Board

Folger Ahead By 13 Votes In New Count

Stokes County Shows Increase; Protest Lodged

Representative John H. Folger picked up a net gain of 13 votes over Thurmond Chatham, his opponent in the Fifth District Congressional race, as the official canvass of the Stokes County vote in Saturday's Democratic primary was held at Danbury Tuesday in an atmosphere of growing tension and frayed tempers which gave way to flying fists.

Immediately following an announcement of results, Mr. Chatham protested officially the entire Stokes vote.

Following the hurling of charges by Sprull Thornton, representative of Mr. Chatham, of election irregularities, and countercharges by Ralph Scott, State Solicitor and a native of Stokes, all ballots were impounded pending action by the State Board of Elections.

Chairman Laura Ellington called the meeting of the Stokes County Board of Elections along with the registrars of the 21 county voting precincts to order at 11 a. m. Little was accomplished prior to the noon recess due to the absence of the registrar of a Walnut Cove precinct.

By 2 p. m., when the afternoon session opened, both the Walnut Cove registrar and the unused ballots from the King precinct were present in the Stokes County Courthouse.

Carlos Davis, member of the Board of Elections, read the official returns on a precinct by precinct basis. When this was completed Mr. Davis and Mr. Thornton engaged in a brief, warm exchange rising from Mr. Thornton's request that he be allowed to check the figures obtained from Mr. Davis's reading with the official returns. During the exchange Mr. Davis, apparently resenting the presence of the Forsyth County delegation, said, "This is the first time in the history of Stokes County that outsiders have felt it necessary to appear and question the activities of Stokes County registrars."

The differences between Mr. Davis and Mr. Thornton were quickly settled by a rapid re-check of the county returns, precinct by

Cupid Had Slow Time In Surry Last Week

Cupid, apparently awed by last week's political turbulence, failed to show his beaming face but three times in Surry county during the past week-end.

Establishing something of a record, only three couples applied to Mrs. Bertha Shinnault, Register of Deeds, for marriage licenses during the week, climaxing the Democratic primary elections.

They were: Porter White, 27, of Mount Airy, and Georgia Taylor, of Mount Airy, receiving license May 23; Carroll Wagoner, 21, of Mount Airy, and Faye Chappell, 20, of Mount Airy, receiving license May 25; also on May 25 licenses were issued to J. D. Snow, 17, of Elkin, Route 1, and Catherine Southern, 17, of Mount Airy, Route 3.

We have gone a long way educationally, but we are still closer to the bottom than we are to the top of the ladder.

Contest Dobson Precinct Vote On Many Counts

At two sessions of the Surry County Board of Elections, held Tuesday and Wednesday at Dobson, charges and counter-charges were hurled by opposing sides concerning the legality of the voting in three of the county's precincts. The meetings are to be continued through today, with no definite results as yet reported, and with no official tabulation of votes in the primary election of last week made known.

Tuesday's meeting was called by the county board of elections for the purpose of making an official tabulation of votes in the county's 18 precincts, and to air any charges made against voting practices by either side. Congressman Folger was present in person, and Chatham was represented by Attorney Milton Cooper, of Elkin.

Official tabulation of votes was delayed until Wednesday, due to the fact that ballots from two precincts, Franklin and Stewart's Creek, had not yet arrived at the time of the meeting.

In the statement issued on behalf of Chatham by Cooper, the claim was made that "primary election in Dobson precinct was not legally conducted, in that illegal ballots were placed in the Congressional box . . . and that illegal ballots were also attempted to be placed in the box; that no registration book was present at the voting place or ever referred to during the day . . . and that any person presenting himself was permitted to vote without any reference to the said book; that observers . . . were not permitted to watch the election book in accordance with laws; that poll books was improperly kept; that various persons were allowed to mark ballots in violation of election laws" and that there were numerous violations and irregularities in the voting of the Dobson precinct. Signed affidavits were presented as evidence.

Arthur Fulk, chairman of the board of elections, accepted the statement and ordered that registration and poll books of the Dobson precinct be impounded. At the suggestion of Henry Dobson, defeated candidate for the State House of Representatives from Elkin, Fulk also agreed to impound the county ballot box at the precinct.

Congressman Folger, after hearing accusations against the precinct which he carried by approximately 600 votes, counter-charged that there were irregularities in the voting in the townships of Elkin and Bryan. Folger demanded an investigation of the registration and ballot books in these townships which gave Chatham an approximate 1,200-
