

Appeal Taken By Greenwood In Local Case

Is Charged With Failure to Comply With Elkin's Rat-Proofing Ordinance

Following a finding of guilty at magistrates court here Monday on charges of failing to comply with a city rat proofing ordinance, Andrew Greenwood, owner of downtown property, through his attorney, Judge Roy Deal of Winston-Salem, filed notice of appeal to superior court.

Justice of the Peace Julius Hall ordered that Greenwood pay \$50 fine plus costs, with sentence suspended on condition that the Greenwood property be properly rat-proofed within 30 days. Judge Deal refused to accept the decision of the lower court on behalf of his client, notifying Mr. Hall that the case would be appealed to Surry County Superior Court, to be held early in September at Dobson.

Warrant was served on Greenwood, it was reported, on July 10. At the same time a warrant was issued against Miss Maude Greenwood, the defendant's sister, on similar charges. Hearing was scheduled originally for July 15, but was continued for three weeks until last Monday.

Greenwood was specifically charged with violation of Section 6 of the Ordinance, Typhus Control in the Town of Elkin.

Section 6 provides: That upon receipt of written notice and order from the Health Officer, the owner of any business building specified therein shall take immediate measures for rat proofing the said building and a failure to complete the rat proofing within the time specified in the written notice, which shall in no event be less than 15 days, or

within the time in which a written extension may have been granted by the Health Officer, shall be deemed a violation of this ordinance.

During the hearing Judge Deal asked E. E. Hinton, director of Typhus Control of the N. C. State Board of Health, if it were not true that owners of other buildings in the city had not yet complied with the rat proofing ordinance. Mr. Hinton admitted that this was true, explaining that the others had not received written notices until after Greenwood had been notified. Judge Deal then asked if it were not true that some of these property owners were members of the board of town commissioners. Mr. Hinton answered he did not know, but such might be the case.

The warrant issued for Mr. Greenwood did not come from the

THREE YADKIN YOUTHS HURT

Automobile Performs Triple Somersault Monday Near Sedge Garden

BLOWOUT SAID CAUSE

Three Yadkin county youths were seriously injured Monday morning at about 11 a. m. when the car in which they were traveling performed a triple somersault in the air following a blow-out near Sedge Garden.

All three were confined in a Winston-Salem hospital, where officials said that Donald Styers, 18, of Yadkinville had a fractured spine; Thomas Pinnix, 20, of Cycle, had a fractured vertebra and rib; and Locksley Hutchens, 16, of Yadkinville, had painful internal bruises.

According to State Highway Patrolman E. L. Smith, Styers, who was operating the machine, was to be charged with reckless driving. The officer indicated that the car had been traveling at a high rate of speed.

The right front tire of the car is said to have blown as the youths were traveling a mile and a half east of Sedge Garden on the Waugh town - Kernersville highway. The machine continued for 471 feet, three times, throwing its occupants clear, and crashed down an embankment. The car was demolished.

Plan Homecoming At Copeland August 18

Copeland Baptist Church plans a homecoming to be held Sunday, August 18, with services beginning at 10:30 o'clock.

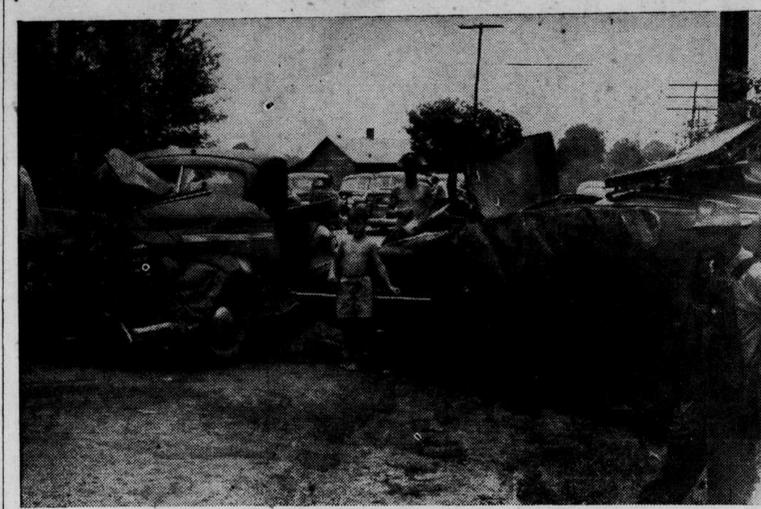

Everyone is invited to come and bring a well filled basket lunch as lunch will be served on the ground.

In the afternoon special music will be furnished by quartets. All former pastors and members of the church are extended a special invitation to attend.

Make Elaborate Plans For Elkin's First Horse Show

With more than \$700 in prize money, added trophies and ribbons offered, the Elkin Lions Club Horse Show, to be held Saturday, Sept. 14, at the Ludwig stables, located two miles from here on the Winston-Salem highway, is said to rank as one of the better one day shows to be offered in North Carolina this season. Two performances will be presented. Ring, bleachers, and lighting facilities at the new show ground have been completed, it has been

announced. Two outstanding and well qualified judges have been invited to make the awards. Extensive plans for stable accom-

MORE SCRAP FOR THE HEAP — Pictured above is the result of a two-car collision which occurred at Boonville Wednesday of last week. Three persons were badly injured. The pick-up truck was being driven by W. E. Burcham, of Jonesville, who was hospitalized, and the sedan, overturned, was operated by Jack Swift, of Mountain Park. With Swift were Bill Dickerson and Richard Kennedy, both of State Road, both hospitalized. — Tribune Photo.

ONE IS INJURED IN AUTO WRECK

Olin Wishon In Hugh Chatham Hospital Following Crash On Traphill Road

AUTO IS SIDESWIPE

And accident occurring about three miles out on the Traphill road last Thursday morning at about 8:30 placed Olin Wishon, about 20, of the Benham community, in the Elkin hospital with injuries which were at first thought to be serious.

With Wishon at the time of the accident was J. T. Mathis, 18, also of Benham. Wishon's machine reportedly sideswiped another car operated by Ralph Gentry of Benham, and subsequently rolled over into a field. The two youths were on their way to work.

Wishon was thrown out of the car as it overturned, and was brought by ambulance to the hospital. His condition was later reported satisfactory and not serious. Mathis escaped with minor injuries.

FOUR PERSONS ARE INJURED

Car Operated By S. S. Byrd, Of Elkin, Crashes Into Tree At Boonville

AUTO BADLY DAMAGED

Four persons sustained minor injuries Monday evening in Boonville when a car operated by S. S. Byrd, of this city, went out of control and crashed into a tree.

With Byrd were Clyde Ross of State Road, Miss Myrtle Lund of Wilmington, Delaware. All were taken to the Elkin hospital and released following first aid.

According to witnesses, Byrd was driving toward Winston-Salem when he attempted to pass a panel truck going in the same direction. His car is reported to have left the road on the left side, swerved again to the right, and to have left the highway to strike a tree in the yard of Wiley Norman's home.

The vehicle was badly damaged.

Surry County Schools To Open On Sept. 5th

Three Bids Submitted For Building New Dobson School; Folger On Board

Date for the opening of Surry county schools was set, bids received on the construction of a new school at Dobson, and a new member appointed to the board at a meeting of the board of education held at Dobson Monday, Superintendent John W. Comer has announced.

The board, legally charged with establishing the opening date of county schools each fall, selected September 5, which falls on a Thursday, as the day upon which

BOARD ADOPTS COUNTY BUDGET

Estimated Revenue For En- suing Year Expected To Amount To \$445,895.94

TAX SALE IN SEPTEMBER

County commissioners met Monday at Dobson to adopt a budget for the fiscal year 1946-'47 and to draw jurors for the September term of court. Other business included a decision by the board that the sale of lands for delinquent taxes be continued until the first Monday in September.

When the budget was presented for adoption, no protests were registered, it was reported, and the statement was accepted as it stood. The budget shows a total expenditure of \$445,895.94, with the estimated revenue from all sources expected to be the same.

Expenditures are to include: general county fund, \$157,075.11; debt service, \$84,914.58; and county schools, \$203,906.25. Revenue, according to the budget, will include: \$99,800.37 from taxes; \$132,007.07, other revenue; and \$44,088.50 of surplus funds.

WILL COMBINE DRAFT BOARDS

Surry No. 1 And No. 2 Boards Will Be Merged With Headquarters At Dobson

CENTRALLY LOCATED

The two Surry county draft boards, number 1 at Mount Airy and number 2 at Dobson, are soon to be combined into only one office, Mrs. C. L. Folger, of the Dobson board, revealed Tuesday.

The merger, ordered by State headquarters, is to take place prior to August 26. This is in line, Mrs. Folger said, with the national policy to streamline the draft organization. Counties which still have more than one board are to have the boards combined into a single unit. Previously a reduction of personnel took place.

Mrs. Folger stated that the merger would be made to conserve office space, but that existing personnel, as far as she knew, would remain the same. Files of the Mount Airy board, which will be moved to Dobson, will be kept separate from the files now kept at the county seat. Clerks of each board are still to have jurisdiction over their own registrants.

Dobson was selected as the site of the single draft board due to its central location in the county.

the kids will tuck their books under their arms and head back to classes.

Three bids were tendered to the board for the building of a new Dobson school, ranging from \$130,000 to \$156,000. Although it was reportedly originally intended to accept a bid on the day of the meeting, the board did not reach any decision, but decided to consider the matter before giving a definite answer on August 15.

Dr. Joe Folger of Dobson was appointed to the board to replace L. A. Norman of Zephyr, who failed to qualify. The Surry board of education is now composed of P. N. Taylor of White Plains, chairman, C. A. McNeil of Elkin, J. A. Pell of Pilot Mountain, J. G. Wood of Copeland, and Dr. Folger.

NAB SUSPECTS IN ROBBERY

Are Accused Of Complicity In \$28,999 Poker Game Theft In Wilkes County

EVIDENCE SAID STRONG

Two men, suspected of complicity in the \$28,000 poker game robbery, which took place near North Wilkesboro on July 6, are being held in the Wilkes county jail. Sheriff C. G. Poindexter revealed Tuesday.

The men, identified as Calvin M. Spillman and Calla M. Keaton, were arrested at two different points at different times, reports say. Keaton was taken by two of Sheriff Poindexter's deputies Monday in Charlotte, following his acquittal there on an attempted automobile larceny charge. Spillman, the sheriff said, was brought in Tuesday afternoon by the F. B. I. after he had been picked up near Coolemeec, in the neighborhood of his home.

Both were arrested on warrants charging them with complicity in the armed robbery.

Sheriff Poindexter said that the two men were to be held for two or three days before questioning until he is able to dispense with current business in the Wilkes county. He considers his evidence against the two suspects "pretty strong" but so far has declined to reveal any details.

The robbery is reported to have taken place at the home of Jim Foster, where a high-stake poker game was in progress. Two white men wearing masks and equipped with a machine gun and a pistol were said to have entered the game room, swept up the stakes, emptied a safe, and escaped in a large sedan which had the license plates covered with white cloth with loot totaling about \$28,000.

Group To Leave For YMCA Camp Aug. 17

T. C. McKnight, general secretary of the YMCA, has announced that a group of boys and girls will leave the YMCA Saturday morning, August 17, at 9:30 o'clock for Camp Hanes, Winston-Salem, to camp for a week.

It is requested that any boy or girl who has not received a list of what they will need to carry to camp, to please secure one from the YMCA.

Country's Highest Safety Recognition Comes To Chatham

LOSES ARM IN AUTO ACCIDENT

John Rose, of Jonesville, Severely Injured In Wreck Saturday Night

COLLIDED WITH AUTO

John McKinley Rose, 20, son of Mr. and Mrs. M. S. Rose of Jonesville, received injuries in a wreck occurring at Ronda Saturday night which resulted in the loss of an arm.

The automobile which Rose was driving collided with another machine which was operated by Vaughn Wood, 24, of Shepperds Crossroads community. Rose's arm was badly crushed and almost severed in the accident, making amputation necessary later at the Elkin hospital. In addition to the arm injury he sustained other less severe hurts.

Riding with Wood was Lonnie Burcham, 13, who received minor injuries. He was released following a night's confinement at the hospital. Two other youths, besides Wood, escaped injury.

The accident was investigated by Highway Patrolman Sidney Carter.

WESTFIELD MAN NAMED TO FSA

Glenn Payne Is Appointed Member Of Surry County FSA Committee

REVIEW APPLICATIONS

Glenn Payne, of Westfield, has been appointed to serve on the county FSA committee. H. W. Cartner, Farm Security supervisor, has revealed.

Mr. Payne will replace R. C. Flippin of Pilot Mountain, whose term has expired. Other committeemen, all appointed for a three year term, are Sam A. Holder of Mount Airy, Route 1, and Eli Collins, of Dobson, Route 2.

The committee, Mr. Cartner said, will review all applications for loans made to the FSA. It will also review all borrowers who have been in the FSA program for three full crop years and make definite recommendations, both to the borrower and to the FSA office, as to future handling of the case. Where, Mr. Cartner said, it is determined that the farmer has made progress enough to stand on his own feet, it will be recommended that the farmer be referred to other sources of credit than the FSA.

The committee also is to appraise and certify farms for which loan applications have been made. It indicates a trival knowledge of the true nature, and a trival respect for the true worth and dignity of man, if the stimulus of a reward in another world must be held out in order to rouse him to action worthy of his nature and high calling.

Tribune Named As Member In Audit Bureau Of Circulations

Word was received this week of the election of The Elkin Tribune to membership in the A. B. C. — the Audit Bureau of Circulations.

In becoming a member of the A. B. C., The Tribune joins the ranks of the most progressive weekly papers of the 10,000 weeklies in the nation, who are qualified to use the A. B. C. symbol of honest circulation. It is the only newspaper in Surry, Yadkin and Wilkes counties to hold such membership.

The recent audit of the circulation records of The Tribune by one of the A. B. C. auditors, showed that The Tribune has a total, net paid, circulation of 2,364, with a press run of 2,916, these additional papers going to local advertisers, national advertisers and advertising agencies, correspondents, etc.

For many years it has, unfortunately, been true that some publishers have exaggerated their circulation totals. If a publisher had 500 readers he was apt to claim a thousand; if he had a

Leaf Prices On Border Markets Set New Record

A total of 6,099,473 pounds of tobacco were sold on the 17 markets of the North Carolina and South Carolina border belt Monday at an average price per 100 pounds of \$56.05, "the highest on record," the United States and North Carolina departments of agriculture reported Tuesday.

Since the markets opened last Thursday, a total of 18,461,188 pounds of leaf have been sold at an average of \$53.77. The nine South Carolina markets sold 10,475,056 pounds at an average of \$53.77, and the eight North Carolina markets sold 7,986,132 pounds at an average of \$53.76.

BOARD OKEYS TOWN BUDGET

Make Changes In Water Bill Collection And Abolish The Usual Discount

STREET IS RENAMED

The Board of Town Commissioners, meeting Monday night at the city hall approved a budget for the next fiscal year, adopted new resolutions regarding the payment of water bills, and changed the name of a street.

The budget, presented for approval some time ago by City Clerk Dixie Graham, had previously been sanctioned by the commissioners. Monday night it was formally accepted.

The board, in order to encourage prompt payment of water bills and thus spare unnecessary book-keeping and confusion, passed a resolution to the effect that water service to persons who did not pay the fee by the fifteenth of each month would be discontinued. In order to have the service resumed, it will be necessary for the consumer to pay back bills plus a one dollar charge for having the water re-connected. Also, it was decided, from the present no discounts will be given as was customary in the past, but that a flat rate will be charged to all consumers. Previously a 10 per cent discount was allowed persons who paid bills before the tenth of each month.

Early this week notices were mailed to all water consumers that effective immediately water rates will be raised approximately one-third and that an increase of approximately 25 cents on sewer charges will be in effect. The elevated rates were declared to be necessary due to an increase in cost of labor and materials required to maintain a sufficient supply of water to Elkin and Jonesville.

The unpaved street in West Elkin, heretofore known as the shoe-factory road, was Monday night officially named Oakland Drive. The area is developing as a residential section, making a formal name for the drive desirable, it was stated.

Is To Receive Distinguished Service Award

Second major safety award within a span of a few months has been granted to the Chatham Manufacturing Company of this city. C. J. Hyslop, director of safety for the firm, revealed this week. The concern has been notified that it is to receive the National Safety Council's Distinguished Service Award on the basis of outstanding achievement in the safety field.

This makes the second time within the past few months that the Chatham plant has achieved national recognition for its safety program. In July James Daniel (Uncle Dan) Woodruff was presented with a certificate of merit by the National Safety Council, honoring him for his record of 50 years as an employee of the textile firm, over which period he did not have a single lost time accident.

The two awards were made independently, according to Mr. Hyslop. The more recent one came on the basis of comparative safety records of industrial plants throughout the nation. Chatham's becomes the fifth textile plant ever to receive the honor since it was
