Republicans Gain Control Of House And Reach For Senate

Yadkin And Wilkes Counties Stay In G. O. P. Fold By Big Majorities

It appeared to be "Republican Day" throughout a great part of the nation Tuesday as voters went to the polls, and on the basis of incomplete returns, won control of the House and were reaching for control of the Senate.

In only two instances, both in snowbound Colorado, had the Democrats been unable to unseat a Republican for a major office, while Democrats were unseated left and right. Only in the South did the Republicans fail in gobbling up numerous House and Senate seats.

In North Carolina, all 12 Democratic congressional nominees appeared assured of reelection, and the Republicans were said to have finally admitted defeat in the hotly contested Tenth District, where they made their strongest bid for victory since 1928.

Of the two amendments voted upon in North Carolina, the one making women eligible for jury duty was favored, but the other, to authorize the payment of legislative expense money of \$10 a day was threatened with defeat.

Surry county went Democratic as usual, and Yadkin county, just across the river, stayed in the Republican column as far as county offices are concerned by its usual safe margin. For the state senate, Lafayette Williams defeated P. L. Cashion 3,315 to 1,556, and other Republican candidates romped home to victory by majorities just as substantial. Henry Shore defeated Grover Williams for the state house; Lon H. West defeated D. B. Hudspeth for clerk of superior court; A. F. Bill Moxley was winner over his Democratic opponent P. G. Shore in the race for sheriff; Ray T. Moore won over J. H. Steelman for registrar of deeds. Jake F. Brown,

Republican, had no opposition for coroner.

In the contest for county commissioner, S. H. Brewbaker, D. A. Smitherman, Arthur Renegar, E. R. Crater and C. G. Mathis were elected over their Democratic opponents C. N. Dobbins, Plato K. Matthews, T. E. Haire, G. L. Waggoner and C. J. Holcomb.

Early reports from Alleghany county, which were unofficial and incomplete, disclosed that Democrats in Alleghany were leading in all races except that for the house of representatives and sheriff.

Wilkes county, traditionally Republican, remained in the G. O. P. column, unofficial returns show, with J. H. Whicker Sr., being given a two-to-one lead over C. B. Deane, of Rockingham, in the race for Congress from the Eighth District on the strength of early returns. Although no figures are available here, election board officials were said to have stated that on the basis of reports from 20 of the 30 Wilkes precincts, the Republicans had retained all county offices by a majority of approximately 2 to 1.

SPECIAL MEET IS TO BE HELD

Surry Farm Bureau Workers To Gather At Courthouse In Dobson This P. M.

WILL MAKE TABULATION

S. H. Atkinson of Siloam and P. N. Taylor of White Plains, president and secretary, respectively, of the Surry County Farm Bureau, have called a special meeting of all workers in the membership drive, to be held at the courthouse in Dobson this evening (Thursday) at 7 o'clock.

Workers are asked to bring all memberships they have solicited since the drive began. A tabulation will be made. Present estimate of the number of new and renewed memberships is about one-half the quota, which was set at 1,200 members.

Present members whose membership expire next spring are warned that no other drive will be conducted this year, and that now is the time for them to renew their memberships. Such renewed enlistments will not be in operation at the same time as the old membership, Mr. Atkinson says, but will go into effect when the present one expires.

County Agent Neill M. Smith has expressed appreciation on behalf of the Surry Farm Bureau for the business and professional men who have acquired associate memberships during the drive. Associate members "show proof of the interest in agriculture in Surry County," according to Mr. Smith.

Ministers To Meet Monday At YMCA

FHA REPLACES TWO AGENCIES

Assets of Farm Security Administration And Farm Credit Group Absorbed

HAVE SAME PERSONNEL

The Farmers Home Administration, as authorized by the Congress, began operation in North Carolina November 1, says Hubert W. Cartner, FSA Supervisor for Surry and Yadkin Counties, who recently attended a meeting at Asheville of personnel who will direct the affairs of the new agency.

FHA replaces both the Farm Security Administration and the Emergency Crop and Feed Loan section of Farm Credit Administration, and takes over the personnel and assets of both agencies. Cartner said that for the time being FHA offices will be maintained with the same personnel at all points where FSA and ECFL have operated. Both agencies have made loans to small farmers and the new agency will continue to serve this group.

Also attending the meeting at Asheville were Mrs. Myra K. Slate, W. R. James, and G. H. Alford. Discussions were led by J. B. Slack, FHA State Director, Vance E. Swift, FSA State Director and Mr. Rosary, ECFL State Supervisor.

Two types of loans will be made by Farmers Home Administration, Mr. Cartner said. Farm purchase loans will be made to tenants, sharecroppers, farm laborers, and

MT. AIRY GIRL WINS CONTEST

Ivylyn Sparger, 15, Takes State-Wide Honors In 4-H Club Clothing

FROM BEULAH SCHOOL

Ivylyn Sparger, 15, daughter of Mr. and Mrs. Walter Sparger, Mount Airy Route 3, was judged winner in a state-wide 4-H Club Clothing Achievement contest held recently at Raleigh, according to an announcement from that city. Miss Sparger was being awarded a trip to Chicago, Ill., where she will enter the national 4-H Club contest, to be held December 1 to 5.

A member of the Beulah 4-H Club and an 11th grade student at the Beulah High School, Miss Sparger becomes the second member of her club to win state honors. In 1941 Arlene Johnson, also of Beulah, took first prize in clothing achievement at Raleigh.

According to Mrs. Grace P. Brown, Surry Home demonstration agent, the young lady is the outstanding 4-H member in the county. Her achievement, Mrs. Brown said, was partly inspired by the previous record of Miss Johnson.

Miss Sparger will make the trip to Chicago in the company of 20 other 4-H Club girls and boys who were state winners in various departments of club activity.

Boonville Defeats Mocksville 27-0

Boonville high school, scoring in every period, defeated a scrappy Mocksville eleven at Boonville last Friday afternoon 27 to 0.

Boonville struck in the first quarter for a touchdown when Pardue flipped a 15-yard pass to Shore. Johnson converted. The same passing combination clicked again in the second period.

In the third a power attack carried to the Mocksville two yard line, where Casteven went over for the score with Lackey added for the extra point. In the fourth period G. Brown caught Pardue's pass for a score with Pardue gaining the extra point from scrimmage.

ELKIN LOSES TO MT. AIRY

Are Defeated By Granite Bears 36-0; Will Play Mocksville Here Friday

ELK MIDGET TEAM PLAYS

Mount Airy defeated Elkin High School at Mount Airy Friday night 36 to 0, thus winning the "battle of Surry."

Coach Shelton's first and second teams played most of the game to chalk up their eighth consecutive victory for the season.

Slate blocked Lawrence's kick in the early minutes of the game on Elkin's 48 yard line where Snow ran the ball over to score.

Overby recovered an Elkin fumble on the Mount Airy 48 in the second period and the Bears drove for four first downs with Coble carrying the ball over from the one-yard line.

In the third period Coble tossed three straight passes, hitting Grubbe with the third for a 25 yard gain and a touchdown. Pittman and Cox tackled B. Ratledge in the Elkin end zone for a safety, and Cox posted a touchdown with a 38-yard dash around left end.

Coble passed to Collins in the end zone for five yards and the fourth period score.

Elkin advanced to the Mount Airy 28 yard line where their attack bogged down.

During the game Graham Johnson, back into action for the first time after breaking his collarbone at the beginning of the season, rebroke the bone.

The Elks will meet Mocksville here Friday afternoon at 3:45.

Elkin's midget team played Children's Home at Winston-Salem Wednesday afternoon but results were not available when The Tribune went to press.

Elkin Township Goes Heavily Democratic

On the basis of unofficial and as yet partly incomplete returns, all Democratic candidates for office within Surry County appear to have been successful in their bids for election. With reports in from all but one or two of the county's 18 precincts Republicans have been forced to concede defeat.

The largest number of votes drawn by a single candidate were pulled down by John Folger, candidate for re-election to Congress. Mr. Folger polled 5,434 in his home county, while his Republican opponent, S. E. Hall, drew 3,383.

Unofficial returns are complete from all but Marsh, where no figures have been reported at all; Mount Airy No. 5, where only the results of the Congressional and Sheriff races have been reported; Shoals, where no figures are available as yet on the State senate and State house races; and Westfield, which has not yet reported results of the Congressional race.

John Llewellyn, chairman of the Democratic executive committee of Surry county, said yesterday that the vote in all precincts seemed to be slightly heavier than is usual for off-year elections. Other observers expressed mild surprise at the number of Republican ballots cast in some of the precincts.

Closest race of the election was run between Sam Patterson and Wesley J. Davis, Democratic and Republican candidates for sheriff

ARE TO MEET TAYLORSVILLE

Jonesville Eleven Will Play Last Home Game This Afternoon On Elkin Field

LOSE TO WILKESBORO

Jonesville high school will meet the strong Taylorsville squad here Thursday afternoon on the Elkin school athletic field, the game to begin at 3:45.

Taylorsville is reported to have a fast scrappy team this year and have displayed a powerful and deceptive brand of ball in preceding games. Although they will be outweighed by the Jonesville team, they do hold the edge in experience.

Last Friday, facing the Wilkesboro eleven there, Jonesville was defeated 42-0, but despite losses have shown improvement as the season progresses. Coach Watt Deal and Kemp Reece have concentrated on blocking and tackling during practice sessions this week while the backs have been drilling on pass offense and defense. A passing attack accounted for three of Wilkesboro's touchdowns Friday.

Both the Jonesville and Taylorsville teams are reported to be in top condition for this evening's contest and from all indications an excellent game is to be expected. This will mark the last home appearance of the Jonesville club this year. In their last appearance locally they defeated a fighting Flat Rock eleven 20-14.

DEMONSTRATION GIVEN

The Camping and Activities Committee of the Elkin-Yadkin District, Old Hickory Council, Boy Scouts of America proved their belief in plenty of "activity" for their Scouts Sunday afternoon, November 3, when a group of Scouts, Scouters and Friends met at the athletic field for a District Rally.

The Rally started at 2:30 p. m., and lasted for over two hours. There were about fifty Scouts present, with 32 taking part in the seven events.
