ARMY COTS IN HOSPITAL CORRIDORS - The young patient shown above, with his mother sitting by his side, had recently come from the operating room. There was no room for him in the regular wards, so he was placed in the open corridor on a canvas army cot. The picture, made in the Columbus County hospital in Whiteville, is representative of the conditions to be found in hospitals throughout the state. Hospitals everywhere are filled to overflowing and hundreds in need of medical attention are being turned away due to lack of room. (Photo by Baldwin-Gillespie Studio.)
