Sylvester Green, editor of the Durham Morning Herald, told the Elkin Kiwanis club at its meeting at the YMCA Thursday evening of last week, "by giving its readers all the facts

> own opinions." Dr. Green was guest speaker during the National Newspaper Week, which is annually observ-

ed by the Kiwanis Clubs of the United States and Canada. Introduced by H. F. Laffoon, publisher of The Tribune, Dr. Green discussed the present international outlook, and although he admitted prospects for peace at the moment did not look too

bright, he said the world could take some encouragement from the fact that it is now October and as yet no shooting war has started.

There were high-placed leaders in the United States last year who believed that the U.S. would be at war with Russia by July 1, 1948, Dr. Green stated, but the fact that war has not come at the present date bolsters the hope that war may be avoided.

The speaker stated that in his belief Russia is going to push her power just as far as the Western Allies will give. He said that Russia now stands against a wall and so long as the Western powers do not allow that wall to give further-war may be avoided. He also stated that our refusal to get out of Berlin has strengthened that wall, and that if we remain in Berlin, we may be able to avoid war. Dr. Green scoffed at the belief, said to be current in some

quarters, that if Russia was allowed to overrun Western Europe

> **Chatham To Speak** At Dobson Rally **Tomorrow Night**

Thurmond Chatham, district five Democratic nominee for Congress, will be the featured speaker at 7:30 tomorrow night at Dobson in another in a series of party rallies there.

Lewis Alexander, of Elkin, said this week that there is no limitation to those invited. "Too many have stayed away because they think they are not invited," he said. "Everyone is

urged to attend." Last Friday night W. Kerr Scott, Democratic nominee for governor, was on the program. He was introduced by Mr. Chatham.

Party representatives said this week that rallies would be held each week until the general election.

Rallies feature candidates speaking, string music and dancing.
