## Our County and Social Security

By Mrs. Ruth G. Duffy, Manager

Each week we receive telephone calls and letters asking who may be entitled to benefits under the Old-Age and Survivors Insurance provisions of the Social Security Act. A letter which we received recently reads: "My husband retired from his regular job because he was 65, and since that time has been getting a small pension from his employer. We are finding it hard to live on this pension and I wonder if we could draw his Social Security benefits now." We answered that his pension would have nothing to do with any benefits payable under our program. I wish more women would follow this wife's example and write our office where she and her husband

are 65 years of age. In the case cited, the man and his wife list money because they delayed in notifying our office. The Social Security Act provides for only 3 months back payments from the month the claim is filed.

As our letter was from a wife, let's see what a wife must do to get her benefits started. First, her husband must be at least 65 and receiving or entitled to receive benefits himself. The wife must also be 65 and must file an application for her benefits just as her husband. No one can do this for her and her payments cannot begin until an application has been filed. She must furnish proof of her age but not necessar-

## NEW NAZARENE CHURCH OPENED

Revival Series Inaugurates Opening Of First Unit Of Local Church

ON HIGHWAY 21, NORTH

The beginning of a series of revival services marked the opening of the local Church of the Nazarene, located on Highway 21, North Bridge Street, across from the Ford Motor Company, Wednesday evening at 7:30 o'clock in the first unit of the new church building which has just been completed.

The pastor, Rev. O. C. Rushing announces that the revival services will continue through Sunday and will be conducted by his brother, Rev. V. S. Rushing and Mrs. Rushing of Birmingham, Ala. Rev. and Mrs. V. S. Rushing, who have eight years of experience in the evangelistic field and seven in the pastorate, will be assisted by the pastor.

A number of people of the Nazarene church, living in this city and having a desire for a local congregation, sponsored a tent revival last September, with the assistance of the district superintendent, Rev. C. E. Shumake, for the purpose of effecting a church organization and a local organization was set up at that time.

The local organization called Rev. O. C. Rushing, of Oak Hill, W. Va., who assisted in the tent revival, to be their new pastor. Rev. Rushing and his family moved to Elkin in September and set about at once to build a new church, the first unit of which opened Wednesday evening.

The public is cordially invited to the evangelistic services which will continue throughout the week.
