A Call to Prayer

You are invited to join with all peoples in a fellowship of prayer on the **World Day of Prayer** **FRIDAY, MARCH 4, 1949**

Millions of women today in seventy different countries will kneel at the altar of God — to pray. Unified by prayer to the same God we kneel as relatives in the same family with the same name — Children of God.

The prologue of prayer is spoken by women of the Fiji Islands, who live near the International Date Line. The murmuring prayers continue westward following the sun until after many hours the Great Amen is sung in the cold Arctic and at the same moment in the tropical Tongas where Queen Salote leads the kneeling hosts in benediction.

In a thousand differing tongues our prayers will rise and from a thousand differing temples, but the Lord of Life hears all. His spirit hovers above those who pray under the shade of His trees; it warms the hearts of those who worship in cold, barren rooms; it moves up and down the aisles of high cathedrals; and the Presence will be real in thatch-roofed chapels and bring a glow to mud-walled huts. God will precede His worshippers into hospitals and factories and radio stations.

Some will pray for bread and some for clothing. All will pray for peace and a deeper communion with God. Come, let us worship and bow down.
