ELECTION RESULT CONCISELY TOLD

Democrats Carry Ohio by Electing Pattison Governor.

NEW YORK COUNT TO BE TAKEN INTO COURT

Pennsylvania Has Undergone a Great Upheaval—Maryland Is Democratic—Recount Is Threatened in Massachusetts—Republicans Sweep Nebraska.

Washington, Nov. 8.—The election of John M. Pattison (Democrat) as Governor of Ohio by approximately 40,000 plurality over Myron T. Herrick, the present Republican Governor, an immediate appeal by William R. Hearst, the Municipal Ownership candidate for the New York mayoralty to the Supreme Court to contest McClellan's re-election in that city on the basis of alleged evidence of wholesale illegal acts at the polls, a plurality of 3,485 votes for McClellan, an immediate contest by the Fusionists in Louisville in the courts against the election of Democratic municipal officers and members of the Legislature, were developments in today's election aftermath.

Hearst Will Contest Election of McClellan McClellan's plurality is the minimum on record for a successful mayoralty candidate in New York. Hearst's managers claim evidence of illegal acts against 1,000 inspectors of election, and that 30,000 of his adherents were turned back from the polls because their names already had been voted. District Attorney Jerome has announced that he will immediately make a searching investigation of the alleged wholesale frauds and has ordered the returns from the Eighteenth and Sixth Assembly districts to be carefully guarded. These are the home districts of Tammany Leader Murphy and "Jim" Sullivan.

Results in All the States. All through Ohio the belated returns showed Republican losses, and Republicans conceded that Pattison's plurality reaches 25,000. The Democrats claim Pattison's plurality approximately 55,000, which would elect the entire Democratic ticket. The Legislature is Democratic.

The City Party's (Reform) plurality in Philadelphia is 43,333 for Sheriff. The upheaval was the greatest in Pennsylvania for many years. The Maryland Legislature is Democratic and Atkinson (Democrat) for Comptroller, is elected.

In Rhode Island, the Republican gubernatorial candidate has a plurality of 4,342. In Massachusetts, Democratic threats are made of a recount of the vote for Lieutenant Governor, Draper, the Republican candidate, having received less than 2,000 plurality.

Every candidate of the Labor party in San Francisco was elected by substantial majorities. In Salt Lake, the anti-Mormon victory is made complete by the election of the entire American party ticket.

In Kentucky the Legislature, which will elect a successor to Senator Blackburn, is heavily Democratic. The Democrats elected a Mayor in Louisville by about 2,500.

Nebraska was swept by the Republicans. Returns from other States and cities show no notable changes.

MIDSHIPMAN BRANCH BURIED

Thorough Investigation of the Fight to Be Started Today. Annapolis, Md., Nov. 8.—The funeral of Midshipman James R. Branch, who died Tuesday morning after receiving injuries in a fist fight with Midshipman Minor Meriwether, took place this afternoon from the old Naval Academy Armory. Chaplain H. H. Clark conducted the funeral services and the interment was in the naval cemetery. The full brigades of midshipmen attended. Admiral Sands will begin a thorough investigation of the affair tomorrow.

OUTLAWS RIDE IN TO "SHOOT UP" THE TOWN

Ringleaders of Gang That Have Terrorized Middleborough, Ky., Surrender to Sheriffs and Their Poses and Peace Is Restored.

Middlesboro, Ky., Nov. 8.—All the ringleaders in the trouble in this city have been arrested with the exception of Frank Ball, and it is announced that he will come in and give himself up to the authorities in a short time. The members of the gang who are now in custody are Shelby Ball, his son, Riley, Jim Stewart and Pat Guley. Riley Ball, who is only 16 years old, but who led the gang that defended the blind tiger against the militia last Sunday, was the first to be taken into custody today. His arrest was prearranged Tuesday night and this morning he surrendered to Sheriff-elect W. R. Johnson and C. D. Ball, his uncle. This afternoon Shelby Ball went to Pineville, Ky., the county seat, surrendered and is now in jail there. Stewart and Guley were arrested at Cumberland

NO TEARS OVER BLOW TO BOSSISM

The White House Interested. But Officials Decline to Talk.

HEARST MAY FIGURE IN ROLE OF MARTYR

Defeated Candidate Will Be in the Running for the Next Democratic Nomination for President—Armour Tax Case in Superior Court.

R. H. McNEILL. Washington, D. C., Nov. 8.—Decided interest was manifested in official circles today in the result of yesterday's elections. President Roosevelt received messages until a late hour last night and throughout this day. No statement could be obtained from the White House in relation to the President's views, neither would Cabinet officials talk, but it is known that the administration is not dissatisfied with the rebuke administered to some of the bosses, notably in Pennsylvania and Ohio. Mr. Bonaparte was the only Cabinet officer who did any talking. He confined his remarks to the result in Maryland, where he did such effective work. There is much rejoicing here over the blow to bossism and much of the credit is given to Theodore Roosevelt for the lead that he has taken in behalf of good government everywhere.

The fortunes of Mr. Hearst are also regarded as being greatly affected. It is believed by many here that Mr. Hearst's large vote will result at least in keeping him to the front in New York politics. There are some Democrats who believe that Hearst is likely to be made something of a martyr by people who have voted for him on the ground that he has been deprived of a square deal. That he will be prominent in the Democratic organization during the next contest for the Democratic presidential nomination goes without saying.

Packing Company Tax Case Argued. The case of the Armour Packing Company against State Treasurer Lacy was argued today before the Supreme Court of the United States. Attorney General Gilmer spoke for more than an hour in support of the North Carolina statute, which imposes a \$100 tax on packing-houses in every county where business is carried on, and which is the basis of the suit. The constitutionality of the North Carolina legislation was assailed by Attorney T. B. Felder, of the Armour Company, who contended that his corporation was denied the equal protection of the laws. This case originated in Buncombe, but it involves the payment of the tax in question at Greensboro, Asheville, Charlotte, Wilmington and Fayetteville. The court of North Carolina sustained the State law and the Armour Company appealed. Attorney General Gilmer rested his case largely upon a case very much like this one from Georgia. It was the case of Kehrer, which also involved a statute imposing a tax upon packing-house agents. The court here sustained the statute and Mr. Gilmer argued that the Georgia case covered the one before the court.

The Southern railway general passenger office announced today that it would operate special trains over both of the routes to Norfolk from Carolina points on account of the football game between the Universities of North Carolina and Virginia on Thanksgiving day. One train will be operated from Chapel via Raleigh and another from Durham via Clarksville.

The Postoffice Department today established new rural routes to begin business January 15th from Iron Station, Lincoln county, Dana, Henderson county, and Cedar Creek, Cumberland county. J. T. Richardson is named rural carrier at Benaja.

FARMER BADLY USED UP

Carried Round in Wheel of a Wagon and Kicked By a Mule.

New Bern, N. C., Nov. 8.—Spiver Lane, an aged farmer from Truitts, ten miles east of New Bern, came in town today and stopped his team at a city drinking fountain. His mule became frightened and ran away. Mr. Lane's leg was caught in the wheel, which carried him the entire circumference, dashed his body on the ground, the wheel passing over his stomach and the mule kicking him on the head. Mr. Lane was picked up and conveyed to a physician's office for treatment. The doctor says his injuries are very serious and may prove fatal, as he is now suffering from internal hemorrhages.

Crazy Negro Placed in Jail

Walter Hatchett, a negro just returned from the asylum at Goldsboro, was taken in charge early yesterday morning by Officers Glenn, Causey and Small and placed in the county jail until he can be sent back to the asylum. He had struck his mother and sister and was talking in a very threatening manner to them. The three officers found it no easy matter to keep the matter under control and they found it hard to keep him from striking them.

HEARST DEMANDS RECOUNT AND INVOKES COURT'S AID

MAYOR WEAVER IS HAILED AS A MOSES

Leaders of Philadelphia's Reform Party Call on and Serenade Chief Executive.

CELEBRANTS HEADED BY BANDS OF MUSIC

City Party Workers in Ecstasies Over Downfall of Gang Rule, While Vanquished Organization Healers Remain Gloomy, Mute and Dumbfounded.

Philadelphia, Pa., Nov. 8.—There was a great demonstration at Mayor Weaver's office today by the victorious City Party leaders and others.

Scores of leaders and hundreds of workers of the reform organization, who had assembled at City Party headquarters to offer congratulations to the successful candidates, formed the line and headed by two brass bands, marched through the streets to City Hall. In the line were some of Philadelphia's best-known citizens.

The men marched into Mayor Weaver's large reception room and cheered him while the bands played patriotic airs. Mayor Weaver was lifted upon a table and made a speech in which he paid a warm tribute to the police for their loyalty to duty. He gave the people credit for the victory, and said it was the cleanest election had in Philadelphia in many years.

Chairman Franklin Spencer Edmonds, of the City Party committee, said today that the cost of running the reform campaign was approximately \$110,000. The Republican organization's leaders had little to say regarding their defeat. The result of the election, they said, told the story.

Complete returns from nearly every county in Pennsylvania show that Mr. Herrick is elected State Treasurer, over J. Lee Plummer, Republican, by about 100,000 plurality.

BETS ON ELECTION HELD IN SUSPENSE

Stakes on McClellan Will Be Held for Decision of Courts on the Count.

New York, Nov. 8.—In the commercial district practically all bets on McClellan will be held up pending developments. Conservative estimates make the amount wagered on McClellan at not less than \$200,000, while probably half that much was bet on Jerome. A few Jerome bets were cashed this morning, but the stakeholders have decided not to pay the bulk of the Jerome money until the official count is in. Bets on McClellan may be held up indefinitely, or at least until the courts decide the contest. A broker today offered to bet \$1,000 that the official recount would show that Hearst had been elected Mayor.

Capital Cases in Union Court.

Special to Daily Industrial News. Monroe, N. C., Nov. 8.—The jury in the case of Will Garland, a negro, charged with criminally assaulting a negro woman, returned a verdict of not guilty, and Garland was released. The trial of Constable Bivens, for the killing of a negro, who resisted arrest, about a year ago, was called this morning. Court will not adjourn before Friday or Saturday.

FIRST STEP FOR RECOUNT OF VOTE

Ballot Boxes Taken Out of Custody of the Police Officers.

LEGAL CONTEST NOW STARTED IN COURTS

Justice Gaynor in Brooklyn Signs the Order, Which Was the Cause of Much Surprise—Ivins Declines to Act As Counsel For Hearst, But Will Assist.

New York, Nov. 8.—With the granting of an order of the Supreme Court by Justice Gaynor, in Brooklyn tonight, compelling Police Commissioner McAdoo to remove every ballot box from all the precincts in Greater New York to the Bureau of Elections, William R. Hearst, the defeated Municipal Ownership League candidate, took his first legal step in a fight to secure a recount of the votes cast on election day.

The order was granted after Justice Gaynor had reviewed affidavits submitted by Mr. Hearst's attorneys, and half an hour later Colonel Alexander S. Bacon and F. W. Brown, representing Mr. Hearst, served the order on Commissioner McAdoo, who sent out a general order to every precinct in Greater New York, instructing the captains, or other officers in charge, to send the ballot boxes straightway to the Bureau of Elections in Manhattan. In signing the order Justice Gaynor said:

"The police have nothing whatever to do with the ballot boxes, and it is most astonishing that they should have possession of them. They have no right to even touch them. The order is granted."

The granting of the order came unexpectedly and caused much surprise in connection with the opinion of Justice Gaynor that the police have no right to the ballot boxes and should not even

PATTISON HAS A SAFE PLURALITY

Democrats Have a Working Majority in the Ohio Legislature.

REST OF TICKET IN A STATE OF UNCERTAINTY

Depends On the Size of Pattison's Plurality With a Probability That the Entire Democratic State Ticket Is Elected With the Governor.

Columbus, O., Nov. 8.—That John M. Pattison (Dem.), of Cincinnati, has been elected Governor of Ohio for three years by a plurality running above 40,000 over Governor Herrick, of Cleveland, (Republican) is settled tonight, as also is the Democratic working majority in both houses of the State Legislature; but there is still some uncertainty as to the rest of the State ticket.

Earlier returns were apparently from sections favorable to Governor Herrick, for he held a lead over the remainder of the Republican ticket today when fuller returns from county regions cut into Herrick's vote severely; and by the middle of this afternoon Herrick seemed to be 40,000 votes behind the rest of the Republican ticket. If that difference stands the victory for offices other than Governor will depend on the size of the Pattison plurality, with the chances in favor of the choice of the entire Democratic roster.

Chairman Garber, of the Democratic Committee, tonight figured pluralities for Pattison that aggregated close to 55,000. If these figures hold true the entire Democratic ticket is elected.

Republican estimates tonight give the Democrats from two to five majority in the next Senate and from ten to fifteen in the House. The Democratic claim is a majority of five in the Senate and of 27 in the House.

GOVERNORS MEET AT CHATTANOOGA

Quarantine and Immigration Conference Will Assemble Today.

IMPORTANT MATTERS WILL BE CONSIDERED

The Programme Includes Six Addresses By Eminent Speakers On Practical Subjects—Many Distinguished Persons Present for the Opening.

Chattanooga, Tenn., Nov. 8.—The Southern conference on quarantine and immigration which is to gather here tomorrow promises to be one of the most important meetings in any section that has been held in many years. The Governors of nine Southern States are already here or will arrive within a few hours; three and possibly five United States Senators, a score of Congressmen and the representatives of a hundred or more commercial organizations are expected.

Louisiana will be represented by a delegation of sixty business and professional men; Mississippi also will have a large representation. What the delegates from these two States may advise will have much weight in shaping the results of the convention. M. J. Sanders, of New Orleans, president of the New Orleans Progressive Union, who headed the Louisiana delegation, said tonight that the sentiment of his co-delegates is for Federal control of maritime quarantine and for some practical method by which uniform legislation may be secured by the several States regarding State and interstate control of health matters. The mosquito transmission of yellow fever, he declared, is almost universally accepted in his State, and the uselessness of wholesale and indiscriminate interruption of interstate intercourse as during the past summer is almost universally rejected.

The programme for tomorrow, which covers three sessions, includes addresses by Governor John I. Cox, of Tennessee, who will call the convention to order and outline the objects of the gathering; addresses of welcome by United States Senator Frank J. Frazier; Mayor William L. Frierson, of Chattanooga, and Hon. Lapsley G. Walker, of the Chattanooga Times. Responses will be made by Governor James K. Vanaman, of Mississippi and President Charles P. Lane, of the Alabama Commercial Association.

The formal organization and appointment of committees will be followed by the regular programme, as follows: Address—"The South: Its Past, Present and Future," Hon. R. B. Glenn, Governor of North Carolina.

Address—"Yellow Fever: Its Origin and Prevention," Dr. Walter Wyman, Surgeon General United States Marine Hospital and Public Health Service.

Address—"Quarantine; Its Commercial Aspects," M. J. Sanders, President New Orleans Progressive Union.

Address—"Quarantine: Government Control," Dr. William F. Brunner, Health and Quarantine Officer, Savannah, Ga.

Address—"Restrictions of Undesirable Immigrants," discussion opened by Hon. E. L. Watson, Immigration Commissioner of South Carolina.

Address—"Quarantine and Railroads," W. T. Tyler, general superintendent Iron Mountain Route Railroad Company. Among those in attendance or to arrive tomorrow are: Governor John I. Cox, Tennessee; Governor N. G. Broward, Florida; Governor J. M. Threll, Georgia; Governor Newton C. Blanchard, Louisiana; Governor J. K. Vanaman, Mississippi; Governor R. B. Glenn, North Carolina; Governor Duncan C. Heyward, South Carolina; Governor J. Andrew Montague, Virginia; Governor William O. Dawson, West Virginia; United States Senators Stephen R. Mallory, Florida; James B. Frazier, Tennessee; and E. M. Simmons, North Carolina; Surgeon General Walter Wyman, Dr. J. P. Hunter, secretary of the State Board of Health of Mississippi, and M. J. Sanders, of New Orleans.

POE AMENDMENT IS SNOWED UNDER

Majority Against Suffrage Restriction Is Over Twenty-Eight Thousand.

DEMOCRATS WIN ON THE MARYLAND STATE TICKET

The Legislature Will Be Democratic in Both Branches—A Few Precincts Yet to Be Reported Will Not Affect the Result As Indicated.

Baltimore, Nov. 8.—Late returns dissipate much of the doubt as to the result of yesterday's election in this city and State. With a few precincts out of the usually Democratic counties to hear from, the defeat of the proposed suffrage restriction amendment to the State legislation by 28,000 to 20,000 is indicated. Atkinson (Democrat) is conceded the State Comptrollership and his majority will probably run over 6,500.

That the lower house of the State Legislature will be Democratic is conceded by Republican sources of information. It will probably be made up of 53 Democrats, three Independent Democrats, and 45 Republicans. The State Senate stands 18 Democrats and 8 Republicans. The Democrats will therefore elect the State Treasurer and the Board of Public Works will be Democratic. The election of Padgett (Republican) as Sheriff of this city, about which there had been doubt, is now conceded.

WITNESS FLOGGED BY GEORGIA WHITECAPPERS

Accused of Exposing Moonshiners and Threatened With Assassination.

Valdosta, Ga., Nov. 8.—Clyde Jordan and Peter Powell, well-known white men from near Pelham, were tried before United States Commissioner Powell today on a charge of whitecapping a witness who was to appear in the Federal Court here against several illicit distillers in that city.

The victim was a man named Crosby, who claims that these two men and three others met him on the roadside last Saturday, all of them masked, and gave him a flogging and told him that they would put an end to him if he did not leave the county at once.

He says they charged him with furnishing evidence in "moonshine" cases. The bonds of Jordan and Powell were fixed at \$500 each. Deputy United States Marshal Godwin will try to bring the others to face the courts.

KENTUCKY FUSIONISTS TO CONTEST ELECTION

Gigantic Fraud Is Laid at Dood of Democratic Party, Which Is Accused of Employing Aid of Thugs.

Louisville, Ky., Nov. 8.—Managers of the Fusion party tonight announced that they had decided to contest in the courts the election of Democratic municipal officers and members of the Legislature. It is alleged that in fourteen precincts no election was held at all owing to the disappearance of the election paraphernalia; that in fourteen other precincts the ballot boxes were confiscated by the Democratic workers before the returns were certified to, thus allowing the results to be falsified; and finally, that in a large number of other precincts around things and repeaters plotted in some instances by the Fusionists, many fraudulent tickets, besides preventing lawful voters from balloting.

600 JEWS ROASTED ALIVE IN THEATRE

Revolted Tales of Inhumanity Throughout Russia, in Which Police and Troops Abet the Rioters, Appals the Civilized World.

St. Petersburg, Nov. 8.—The revolutionary wave continues to subside, except in the Caucasus. As details of what happened throughout European Russia during the upheaval arrive, the story grows more revolting.

In the Baltic province murder, riot and incendiarism prevailed. In Poland, even the clergy, Catholic and Protestant, participated in the manifestations in favor of the autonomy of the ancient kingdom. In southwestern Russia hardly a city or town escaped Jewish massacres.

Whole Audience Burnt to Death.

At Tomsk, Siberia, according to the latest reports received here, the whole population of 40,000 and the military stood by while six hundred men, women and children were burned in a theatre. The court-house, at Tomsk, and the Mayor's residence, where the students and revolutionists took refuge from the mob, were burned and those who tried to flee were killed in the streets.

NEW YORK THUGS MOB AN ELECTION OFFICER

Son of a Georgia Business Man Likely to Die From Injuries.

New York, Nov. 8.—Henry G. Granger, son of Arthur O. Granger, a Georgia business man, is in a critical condition at the Alabama Hotel in this city as the result of an assault made upon him while he was acting as a watcher for District Attorney Jerome yesterday at a polling place in the Sixth Assembly district. Granger said today that after an altercation with State Senator John C. Fitzgerald he was attacked by a gang of thugs, who knocked him down with a black-jack, and then jumped on him, dislocated his jaw, attempted to gouge his eye out, and broke four of his ribs. Granger may lose the sight of his eye. He was unconscious when found on the sidewalk by friends. The thugs escaped.

EMBRYO REVOLUTION IN SANTO DOMINGO

Uprising Starts in a Movement Directed at President Morales and State Department Dispatches War Ship to Scene of Trouble.

Washington, Nov. 8.—A revolutionary movement has developed in Santo Domingo. News of this uprising, the first in many months, came to the State Department last night from one of its representatives from Santo Domingo. There was a lack of details, the statement being merely that an uprising had occurred at Macoris, directed against the administration of President Morales.

The news was immediately communicated to the Navy Department and an order was dispatched by cable to Rear Admiral Bradford, who is at Guantanamo, Cuba, to send a warship at once to the scene of trouble. A ship can be sent to Macoris in half a day.

Nothing is known as to the cause of this outbreak, but it is thought here that the leaders were financed from New York, with a purpose of stirring up strife just in season to adversely influence action in the United States Senate on the pending Santo Domingo treaty.

It is stated that the activities of the United States warships now probably will be confined to the protection of American interests.

REPUBLICANS BIG GAIN IN LITTLE RHODE ISLAND

Providence, R. I., Nov. 8.—The complete vote for Governor in this State gives the Republican candidate for Governor, a plurality of 4,342. Compared with last year's result show a Republican gain of 4,480.
