Wholesale Arrests of Negroes in Certain Section of Town Bring About Temporary Calm, Which is Shattered by Further Killings.

Atlanta, Ga., Sept. 25 .- Atlanta tonight shows little signs of the turbulent seenes which have been enacted during the last few days. Good citizenship and cooler heads have obtained the mastery and prominent men, both white and colored, are bending every energy toward bringing the city back to its normal condition, which tonight is al-most an accomplished task. The city and suburbs are quiet, no reports hav-ing been received of violence tonight from any quarter. from any quarter.

A law and order mass meeting was held late this afternoon, attended by representative people of both races at the courthouse, which was filled to overflowing. A fund of \$3,600 was raised for the benefit of the victims of mob law and order mass meeting was riolence, and a committee of five appointed to push the relief work to gen-erous completion. A committee on reso-lutions was chosen of which the Hon. Clark Howell, editor of the Atlanta Constitution, was made chairman. This comreported resolutions protesting "against the spirit of lawlessness that has tarnished the fair name of our city, and led to the commission of crime, and "denouncing the cowardly and brutal murder of innocent people and the wounding of others, and we call upon all good men to lift up their voices for law and order and use their influence to check the riotous spirit that is abroad in the Community.'

President Will Hand in His Resignation at Special Session-Intervention by America is Now Certain, According to High Authority.

Havana, Sept. 25,-Secretary Taft and Assistant Secretary of State Bacon announced this afternoon that they were thoroughly disgusted with the petty methods of the government leadership, and the American commissioners admitted that they had practically abandoned hope of bringing peace from the turmoil now exiting.

Mr. Taft said: "The government officials, instead of cooperating with us to save the republic, have resorted to every kind of obstruction with the object of continuing their control of the administration, President Palma and his advisers have rejected terms of peace which were honorable to them, though in the form of a compromise with their opponents. We are still striving to ar-American people will give us credit for doing everything possible to accomplish a settlement without resorting to force.

"I cannot say that we are hopeful, for I have never known a more disgusting situation. Investigation convinces us that the elections were thoroughly rotten. We do not want to intervene, but the conditions affeld may necessitate it. Our reports show that the insurgent commanders have lost control of their forces, which are now lawless The situation seems to demand the use
