## FORAKER'S HEAVY GUNS FAIL TO JAR WHITE HOUSE

### "Fire Alarm Joe" Apparently Is Working on Blaze All by Himself.

### PRESIDENT WILL WAIT TILL HE SAYS SOMETHING

Emission of Sounds by the Ohio Man, While Highly Interesting, Hasn't Caused Any Particular Worry on the President's Part.

**BY JOHN E. MONK.**  
Washington, D. C., April 11.—If Senator Foraker expected to "get a rise" out of President Roosevelt with his Canton speech he will be disappointed. The President was as calm and unruffled today as if he had not heard of such a thing as the Foraker opening gun in the Ohio campaign.

In truth, it was learned through White House sources that Mr. Foraker's speech did not impress the President at all strongly, and instead of making any reply to it, directly or indirectly, the President will wait until the senator "really says something" before he dips into the Ohio fight. One man who talked with Mr. Roosevelt during the day was asked his opinion of the speech.

"Why I think it was very tame," he replied. It could not be stated authoritatively that he reflected the President's views, but it would be a safe wager that he did.

The general comment in Washington on the Foraker "keynote" is that it was not as vigorous and forceful as had been anticipated. However, there have been many complimentary references to it, and the senator's friends appear to be well satisfied with it, although they are waiting with some anxiety to learn what effect it had on the Ohio situation.

### CONNECTICUT SENATE INDORSSES ROOSEVELT

Hartford, Conn., April 11.—The Senate today passed in concurrence the resolution indorsing the administration of President Roosevelt, although three Democratic senators objected.

The ground of objection was that such a resolution was unnecessary. Senator Spellacy, Democrat, said in a speech of protest that "the hero of San Juan Hill needs no bolstering up by the general assembly of this state."

Other Democratic senators in voting for the resolution said they did so out of courtesy to colleagues who had invited Mr. Bryan to address the body.

### PRESIDENT WON'T TALK ON GRAVES' SUGGESTION

Washington, D. C., April 11.—President Roosevelt today declined to make any comment or to discuss for publication the declaration made by John

## NEW CARNEGIE INSTITUTE IS FORMALLY OPEN

### \$6,000,000 Structure Dedicated In Presence of Vast Crowd.

### SPLENDID TRIBUTE TO PRESIDENT ROOSEVELT

Pittsburg, Pa., April 11.—The formal rededication exercises of the enlarged Carnegie Institute of Pittsburg, valued at \$6,000,000, and one of the most beautiful and complete institutes of its kind in the world, were brought to a close for the day with the announcement of the prizewinners in the international art exhibition.

Following are the successful painters, amount of awards and titles of pictures: First prize—gold medal and \$1,500; Gaston La Touche, Paris, France, "The Bath."

Second prize—silver medal and \$1,000; Thomas Eakins, Philadelphia, Pa., "Professor Leslie W. Miller."

Third prize—bronze medal and \$500; Olga de Boznańska, Paris, France, "Portrait of a Woman."

Tonight the foreign and American guests attended a concert in their honor by the Pittsburg Orchestra, directed by Emil Paur. The concert was the most brilliant in the history of the orchestra. The ceremonies today were marked with extreme simplicity. Addresses of international importance were delivered by his excellency, Theodore von Meier, minister of state, Germany; Paul Doumer, ex-speaker chamber of deputies, Paris; Andrew Carnegie, Baron D'Estournelles de Constant, member of the Senate, Paris, and Dr. John Phys, principal of Jesus College, University of Oxford.

The Rev. Dr. E. S. Roberts, vice-

## GEORGE WASHINGTON AND A. & M. BREAK NOSE AND BATTER UMPIRE

### Captain Takes Exception to Ruling and Friends Prevent Fight.

### FARMERS WIN GAME 4 TO 3

Raleigh, N. C., April 11.—A. and M. defeated George Washington in a rather slow ball game this afternoon, the score being 4 to 3.

Some excitement was added in the eighth inning, when Captain Thompson, of the A. and M. team, took exception to a ruling by Umpire Noble and struck him. Friends rushed between and prevented a fight. Thompson was put off the game, being succeeded as catcher by Cote.

Earlier in the game A. and M. catches revived an old grudge while sitting on the sover's bench and the fate of a broken nose and other facial disfigurement befell Cadet Carpenter. The name of his assailant could not be ascertained.

Some features of the playing were a home run by Thompson and a two-base hit by Temple for A. and M. Harris for A. and M. on third base saved the day for A. and M. at a number of critical points. For Washington the work of Hester as pitcher and Stevenson as catcher was very good.

**Score:**  
R. H. E. A. and M. ... 200000200—4 5 2  
Washington ... 000200100—3 2 4  
Batteries: A. and M., Temple, Thompson and Cote; Washington, Hester and Stevenson. Struck out, Temple, 6; Hester, 9. Base on balls, Temple, 2; Hester, 1.

## CONGRESSMAN FAVOROT 5 MONTHS IN JAIL ON MURDER CHARGE FREED

### Grand Jury Refuses Again to Indict Former Louisiana Judge.

### FIRST INDICTMENT QUASHED

Baton Rouge, La., April 11.—Democratic Congressman George K. Favrot, was set free tonight after having been in jail continuously for about five months under arrest on a charge of murder and awaiting action of a grand jury. Today the second grand jury refused to indict the congressman.

Mr. Favrot last November shot and killed Dr. R. H. Aldrich, of Baton Rouge. The congressman directed that the physician had made disparaging remarks about Mrs. Favrot. The shooting occurred immediately after an exciting election and while Favrot was still judge of the Baton Rouge court, which today set him free.

He resigned and was indicted by a grand jury which had been selected under his jurisdiction. Because one of the jurymen who indicted him was illiterate the finding was quashed.

### KILLS HER CHILD AND THEN ATTEMPTS SUICIDE

Memphis, Tenn., April 11.—The police report that late today, after poisoning her two-year-old baby, Mrs. Clarissa Gold, aged twenty-two years, attempted suicide by swallowing a portion of the same drug. The child died while being conveyed to a hospital and the woman's condition is regarded as serious.

Responsibility over domestic affairs is believed to have prompted the act.

## FIFTEEN BURNED TO DEATH IN CANADIAN PACIFIC RY WRECK

### Worst Disaster in History of the System Due to Broken Rail.

### PASSENGERS FIGHT FLAME

Fort Williams, Ont., April 11.—The worst wreck in the history of the Canadian Pacific railway occurred yesterday near Chapleau, 300 miles east of here.

Fifteen persons are missing and are believed to have been burned to death in the coaches. The wreck was caused by a broken rail, which dented the train, the two tourist cars rolling down an embankment into a small lake below.

Passengers fought their way through the flames and a number of people in the coaches were pulled out badly burned, but still alive.

Most of the passengers received more or less serious injuries.

### Official Story of Wreck.

Montreal, April 11.—The following official statement was issued today by Mr. McColl, vice-president of the Canadian Pacific railway:

"About twenty-two miles west of Chapleau, Ont., yesterday the west-bound transcontinental train which left Montreal on Tuesday morning, was partly derailed, caused by a broken rail. Five cars ran down an embankment and caught fire, said to have been from the cooking stove.

"Nine adults and six children are missing."

## PROTESTANT EPISCOPAL CONGRESS DISCUSSES STRAINED CONDITIONS

### St. Louis Minister Says They Are Due to Artificial Mode of Living.

New Orleans, April 11.—At tonight's session of the American Church Congress, there was a discussion in moral strain on "Social and Commercial Life."

The Rev. H. C. Garrett, of St. Louis, said that the question of regulating corporate wealth was the first source of strained conditions, and the second the widespread departure from "the simple to the artificial mode of living."

Speaking on corporate wealth he said: "It is a remarkable fact that nearly eight millions of families in this country average in holdings a little less than \$500 each, while not over 200,000 families possess one-half the entire wealth of the country."

"Out of the total annual income of the nation, one-half goes to one-tenth of the people. The other half is divided among the remaining nine-tenths."

## SAYS NEGRO BY LOWER PLANE OF LIVING HAS DEPRESSED FARM VALUE

### Special Agent of Department of Agriculture Addresses Pinehurst Meeting.

## THE THAW JURY AFTER 31 HOURS IS AGAIN LOCKED UP FOR NIGHT

### Belief General Now That Disagreement Will Result, and Whole Case Will Again Be Fought Out.

## JUSTICE FITZGERALD HAS NOT GIVEN UP HOPE

### Since Jurors Have Not Complained That They Disagree, He Looks for Verdict.

### FAMILY ARE DISAPPOINTED

Relatives of Prisoner Had Expected End and Failure Causes Chagrin. Jury Twice Consults With the Court.

New York, April 11.—Thirty-one hours of deliberation and no verdict. Such was the condition of affairs at 11:40 o'clock tonight when the Thaw jury was ordered locked up for a second night at the Criminal Courts building. The fact that they had not been able to agree after devoting so much time to a study and discussion of the case has given rise to the belief that the trial will end in a disagreement and the whole affair will have to be gone over again.

Although the twelve men have thus far failed to reach a common opinion and to all appearances are hopelessly at sea, Justice Fitzgerald has not given up hope of having a verdict rendered. As yet Denning B. Smith, foreman of the jury, has not complained to the court that the jurors are unable to reach a decision, and until he does it is not likely that Justice Fitzgerald will discharge them.

The general impression prevails that if the twelve men are unable to agree at the expiration of forty-eight hours, they will be released from further service. The very fact that no intimation has been received from the juryroom that the men are unable to agree has been construed by many who have followed the proceedings closely as an indication that a verdict will eventually be reached.

The mother, wife and the two sisters and brothers of the defendant were in the Criminal Court building up to the last minute, and when it was finally announced that the jury had been locked up over night and there was no longer any prospect of a verdict before

## DURHAM SURE OF TWO TICKETS ON WARD OR MASS NOMINATIONS

### Question Stirrs Political Durham and Draws Lines of Fight Sharply.

### WARD MEETINGS ARE OVER

Special to Daily Industrial News.

Durham, N. C., April 11.—About the only thing that one can hear on the streets that is of news interest at all is the city municipal fight that is now on. The lines are becoming more closely drawn every day and the fight is getting interesting.

As the matter now stands there will surely be two tickets in the field, in which the fight will be as to whether the wards of the city shall have the right to name their candidates for the board or whether all the members of the board shall be nominated in a general convention or mass-meeting. That is practically the only fight that is on.

The mass-meeting supporters claim that they represent the "old board," the board now in power, and favor the re-nomination of these aldermen as candidates to succeed themselves.

The supporters of the ward-meetings are not, at least on the surface, fighting the old board at this time. All that is asked by the ward-meeting supporters is that each ward name two candidates and not leave the matter to a general mass-meeting. In the ward-meeting first held neither of the old men were re-nominated, but in the second meeting of this kind one old man and one new were nominated.

This shows that there is no fight on the old board as a whole, but the people claim that they have the right to name men who are to represent them on the board.

Tonight two other ward-meetings were held, at which candidates were named, this completing the nomination of alder-

## CAPTAIN WASHED FROM WHEEL AND DROWNED; CREW UNABLE TO SAVE

### None of the Men Could Go to Rescue Because of Storm's Severity.

### SHIP IS TOWED INTO PORT

Jacksonville, Fla., April 11.—The schooner Sallie C. Marvill was towed into port today by the tug Three Friends from off Cape Canaveral badly damaged. Her sails were stripped from the masts, deck load gone, chain plates gone and she is badly listed to the starboard.

She sailed from Brunswick, Ga., on March 31, with a cargo of lumber for Perth Amboy. On April 1 she ran into a severe gale and on Tuesday while the wind was flapping the masts and all sailors hanging to the rigging to save themselves, Capt. James D. Harvey, then at the wheel, was washed overboard.

None of the men could go to his assistance on account of the severity of the storm.

Immediately after Captain Harvey was washed overboard, Mate Harry Collins took possession of the wheel and ordered the anchor cast. The ship remained at anchor, being tossed about by the storm until late on the afternoon of April 9, when the tug Three Friends came to her aid and towed her into Jacksonville.

The new four-masted schooner Jacksonville, Captain Harrison, has put back for the second time. She sailed from here with a cargo of lumber for Kingstons, Jamaica, and was caught in the recent gale and badly damaged. Her cargo appears to have gone through a railroad wreck. Her owners estimate her damage at \$5,000. This was the Jacksonville's maiden voyage.
