Dubuque, Ia., Aug. 4.—United States Senator W. B. Allison died at his home n this city this afternoon. The immediate cause of his death was heart failure. The end came as a result of a serious sinking spell, due to a prostatic en-largement, complicated with kidney dis-eases and during a period of uncon-sciousness which had lasted since Saturday afternoon.

Two weeks ago the senator left his home in the city to escape the heat. He went to the home of Mrs. Fannie Strout, a friend of the family, living on Strout, a friend of the family, living on the Asbury road, a few miles from town.
