Forty Tears' Experience of an Old Nurse. Forty lears' Experience of an Old Nurse. Mrs. Winslow's Boothing Syrup, for children teething, is the prescription of one of the best fe-male physicians and nurses in the United States, and has been used for forty years with never fail-ing success by millions of mothers for their chil-dren. It relieves the child from pain, cures dysen-tery and diarrhous, griping in the bowels and wind colle. By giving health to the child it rests the mother. We would say to every mother who has a child suffering from any of the foregoing com-plaints: Do not let your prejudices, nor the pre-judices of others, stand between your suffering child and the relief that will be sure-yes, abso-lutely sure-to follow the use of this medicine. Sold by druggists throughout the world. Price 25 cents a bottle.

My brown Leghorns laid about three-fourths of the eggs I got this winter, although they do not comprise quite one-half in number of fowls and it is my intention to keep only Leghorns in future, as I number of fowls and it is my intention to keep only Leghorns in future, as I find they bear confinement better than others, and I am very limited in room. My fowls are never out from under cover, having a roof over their heads the entire year. As I do not allow them outside in the cold and wet they are always in good health and conse-quently in good laying order. I spare no work that will conduce to health and comfort of fowls. I am especially careful to feed regularly and enough, but not too much, and in as great varie-ty as the season will admit of; careful to give air and clean roosts, and con-tinually battling against vermin, whether I can find any traces of any or not."

About Mexico.

Mr T B Mills, a capitalist of New Mexico, now in St. Louis, states that Mexico, now in St. Louis, states that large investments are being made by Americans and foreigners in New and Old Mexico lands. He says a Scottish syndicate paid 4,000,000 for 6,000,000 acres of land near Durango, a few days since, and that a German syndicate bought up several million dollars worth of land in New Mexico not long ago. In Old Mexico ranch after ranch is owned by foreign camitalists. Ha fore In Old Mexico ranch after ranch is owned by foreign capitalists. He pre-dists that in fifty years' time Americans will own nine of Mexico's Northern States, as the foreigners who invest capital there eventually locate upon their lands and become Americans. In speaking of Chihuahua, he said: "It is a splendid city. It has well paved streets, is well lighted and watered, and is one of the best policed cities I ever was in. I haven't heard of a row there for two years. Every saloon is closed at 11 o'clock."
