Mr. W. A. Guthrie, of Durham, are attending the Supreme Court this week. Travel, which for a month past had been quite light, has greatly increased. Sunday morning shortly after 1 o'clock Your correspondent reported, last December, the wrecking of a freight train at the little town of Pine Bluff, Moore county. Ten cars were smashed, and the engine ditched and injured. It was ound that the switch had been maliciousto the door the woman came into the hall y opened. Since then detectives have been on the case. They were successful and arrested in Florida the man they wanted. His name is George Brown and he lived near Pine Bluff at the time of the wreck. He and a brake man on the train had fought and Brown got the worst of it. An attorney for the Raleigh & Augusta Air Line says that Brown had been heard to say that he intended to get even with the brakeman. The switch was filed and then opened.

Brown was to-day brought to Carthage, the county seat of Moore, for trial. Governor Carr appoints as the board of visitors to the State University this year Messrs. R. A. Doughton, of Alle-
