ATLANTA, Ga., April 20.-The Sea card Air Line has obtained an injunction against the Nashville, Chattanoog autorov, Apri 26.—The State De-neat has made public the remarks anged between Minister Ransom tion against the Nashville, Chattanooga & St. Louis Railroad and the Western & Atlantic Railroad, restraining them from proceeding under the decision of Judge Lumpkins until the United States Sopreme Court can decide the insues which have been carried before it. The order granted this morning has the effect of placing the status of the issue between the Seaboard and the Western & Atlantic about the same as it was before the circular was issued by the Southern Railway and Steamship Association, boycotting the Seaboard and refusing permission to its roads to grant pro-rating arrangements to the exchanged between Minister Ransom and President Diaz, when the former presented his credentials recently. Mr. Ransom was fresh from the atmosphere of the State Department and apparent-ly thoroughly imbued with the policy

-Money Coming in from the Interior. NEW YORK, April 36.—R. G. Dun & Co.'s weekly review of trade to-morrow will say: Neither the rise in specula-tive markets nor the steady gain in in-dustries has ceased, and it is wholesome that there are fewer signs of hesitation in the productive industries than in the speculative prices. Wage strikes grow more numerons and cause some trouble, and retail demand lags behind whole-sale sales, and jobbing purchases be-hind production in some branches, but through many conflicting reports the fact shines out that the industries are gaining, not with a rush and a whirl, but more safely. grant pro-rating arrangements to the Seaboard.

but more safely. It is less clear that railroads are in-creasing their earnings, or that over-production of cotton will be cured by Under the restraining order granted by Judge Lumpkin, the West is again opened up to the Seaboard and the Seaboard is virtually free from any boycott until the Supreme Court decides the question involved in the case which was submitted to Judge Lumpkin. the advance of 14 cents in price or that cornering short sellers of wheat will help to market the large surplus. But revival of activity in all the directions,

In fact, the restraining order makes the Seaboard as free as to pro-rating arif possibly excessive in some, helps con-fidence to take the throne so long held

the Seaboard as free as to pro-rating ar-rangements with other roads as if the Southern Railway and Steamship Asso-ciation never existed—until the Su-preme Court decides. The Seaboard people express them-selves as confident of the issue before the Supreme Court of the United States.

JAPAN AND HER TERRITORY.

The Impression Grows That the United States Will Stand By the Island Hingdom. London, April 26.—The Datly News has this dispatch. from Will News The Impression Grows That the United

has this dispatch from Yokohama: number are resuming work. Prices of the nation the greater its sense of jus-tice. They both know that national discords have been the most fruitul sources of public calamity, and that national friendships have been almost independence of Corea; therefore the

friendship for Japan, advised her to renounce the possession of this territory. The friendliness of this advice was especially emphasized. The note, it was bales, but they have actually taken said, was not intended to be and open 1,950,000 and have a profit on 600,000 mb or convert menace. The impression grows that Japan can rely upon the friendly counsel and good offices of two production sti the United States in preventing her being deprived of the fruit of the vic-

LONDON, April 25 .- The Standard's Paris correspondent says of the joint protest made in Tokio by Russia, Germany and France: "There are significant indications that if anything bepond platonic protests are meditated. France will back out of the alliance. The feeling against coercing Japan grows.

MARINES TO LAND TO-DAY.

The Nicaraguan Government Could Not Pay the Indemnity by Midnight. LONDON, April 26 .- The Standard is informed that British marines will be

landed at Corinto to-morrow; also that Senor Guzman, Nicaragua's minister mercial loans appears, especially from in Washington, received a dispatch manufacturing towns in New England from Managua to-day saying that the and from importers.
