CRICAGO, Ill., July 22.-A from Springfield, Ohio, says: The Vigilant was standing for the line a few seconds before the starting gun was boomed. She broke out her balloon was boomed. She broke out her balloon jib top-sail and was racing for the line will be the Populists' nominee for at a rate which would take her across city, chairman and member of the Peoshead of the gun. The Defender was pointing direct diagonally toward the line with the Vigilant on her star-board bow. Had both held their course there ple's party State executive committee "Mr. Coxey is the only man named for the nomination," explained Mr. Crea-ger. Coxey will be nominated by ac-clamation. The convention will be held at Columbus September 1st and 2ud. would have been a collision. At 12 o'clock the Vigilant began to

He is Not a Candidate for Governor MONTGOMERY, Ala., July 22.-Hor Frank L. Pettus, president of the State Senate, who had been announced in held her back. It was a victory for the some papers as having said in an inter view that he was a candidate for Gov centre-board, but it was not for long. The wind shifted a triffe so that spinernor, published a letter the morning uakers were a detriment and they were in which he says that he has had no taken in. Then the wind freshened a crific, the Defender walked upon the Vigilant, regained the lead and showed such interview or conference and is not a candidate for the office.

A special to the St. Louis Chronicle from Carrollton, Mo., says that the trial of the Taylor brothers on a charge Captains Haff and Barr certainly had their men well in hand and the excel-H. Gurney was waylayed yesterday and lent discipline of the crews was plainly shot in the back by his father-in-law, B. evident. The breeze had freshened and of murdering the Meeks family menced at 10 o'clock yesterday.

B. Turner, near this place this morning. both boats heeled over somewhat. The Turner shot twice, one load taking Defender pointed higher than the Vigi-Index to This Morning's Adverti
