J. P. CALDWELL, D. A. TOMPKINS, | Publishers.

WASHINGTON, Aug. 2.-Minister Ran-som reached here on the 11:10 train last J. P. CALDWELL, Editor and Manage night, got his breakfast early to-day and was off to the State Department by half past 8 o'clock. The general has re-covered his health, regained his elasticity of step and manner and is pre pared to return to his official duties in Mexico within two or three weeks. He says he will remain here two or three days longer. To-day he called at four The Observer Office, 34 S. Tryon St. or five departments and the capitols General Ransom had a talk with Assistant Secretary Adee at the State Department with reference to the re-SATURDAY, AUGUST 3, 1895. usal of the Mexican government to exradite the Rowe brothers, of Iowa, fugitives from justice. They have taken out naturalization papers there in order to escape. OBSERVER | 6 Months

To the Editor of the Observer:

(3.) Wages were not reduced in the South during the panic and the succeeding period of depression to the extent that they were in other sections. Indeed, the instances of reduction were comparatively very few. Besides, as the South was the last section to feel the panic, it might be argued that naturally it will be the last to recover from it.

But recently the Kentucky Democracy declared against the free coinage of silver at the ratio of 16 to 1. Wednesday last the Maryland Democrats did so. headquarters at Omaha: "Report was Iowa Democracy will meet in convention and go the same way.
