RE-REFEREND TO JOHN R. MORRIS. CARLISLE TO SPEAK NO MORE.

General Alcibides Smith Doesn't Believe a Hoarded Dollar Will Increase in Value, as the Silver Convention De-

clares. To the Editor of the Observer:

I have five hundred dollars and wish you to tell me what to do with it. National Association of Letter Carriers | think it best to "hoard" it, for the late in the Odd Fellows' Temple. The early silver convention at Memphis declared business of the session was quietly that, under the present financial artransacted and the place for next year's rangement, a hoarded dollar would convention decided upon. Three cities | constantly increase in value, while an were in the contest-Buffalo, Rochester invested dollar would decrease in value: and Grand Rapids. Before the vote was and that convention was composed, as taken, however, Buffalo withdrew, and I learn from the newspapers, of very when the returns were announced it smart men, and this declaration about was found that Grand Rapids was the the growth of a "hoarded dollar" has been fully indorsed by at least one

leading daily in the State. I mentioned this matter to my old friend and neighbor, General Alcibides Smith, and told him I proposed "hoarding" my money, and watching it grow and increase, and asked him if that wasn't the easiest way member of the committee on legislation to get rich. The old fellow asked me two or three times over about this plan feeling between Brooklyn and New of mine. He really didn't seem able to understand it at all. You know he's ourst forth in all its fury to-day when somewhat deaf. So I got a copy of the Delegate Wm. J Morrison, of Brooklyn, aforesaid daily and showed him in cold print that a "hoarded" dollar would grow. He read it over and said that all

the fools weren't dead. But he's a banker, and a Methodist one at that (as usual among bankers, the title to the family religion is in his wife's name), and I know it has been said by a newsdesired to cast the twelve votes of his odist bankers won't do to depend upon except about collection times. Besides, General Smith goes to church regularly with his good wife and Dr. Cy. Thomp son, president of the Alliance (and he

knows it all), says that the churches are 'agin' the people and in favor of slavery. So, I don't put any dependence

over and it would be a violation of the on what he says-I want your advice or John R. Morris'. He's fair and square and no banker. I don't know whether he is a "power in Wall street" or not. If he is, don't ask him. Yours truly,
