DR. STITT SHOULD BE THERE.

cially the latter. The Buffalo Enquirer

"The 'White Squadron' is a spectacular drama of considerable merit. The enthusiasm with which it was received proves that it is destined to enjoy ong term of popularity. The events apon which the play is based are suposed to occur in Brazil and the army of that country and the warship Chicago of the United States Navy figure prominently. The scenic effects are at mes startling in their realism and beauty, tropical nature being faithfully produced. The plot is one that sussins an intense interest throughout

"The leading roles are all taken by apable actors and those of lesser imortance are also in competent hands. here is an evenness apparent in the unusual in a piece of that character. n spite of the dramatic nature of 'The ound for comedy parts and these are vell taken. > COULDN'T TOUCH THE AMERICANS. The English Athletes Outdone in All Points By the New York Athletic Club New York, Sept. 21 .- Never in the annals of athletics was such a decisive beating administered in an event of so much importance, and to such an aggregation of champions, as that given by the New York Athletic Olub to the team of the London Athletic Club in the dual international games at Man-hattan field to-day. Not even the most enthusiastic rooter for the success of the Scarlet and White, in his wildest stretch of imagination, ever attempted to bring himself to hope for a straight series of wins down the line. Fully 12,000 persons were present to-day at the field, and when they saw event
