WHEN THE SINGER IS DEAD Bright is the ring of words
When the right man rings them.
Fair the fall of songs
When the singer sings them.
Still they are enrolled and said—
On wings they are carried—
After the singer is dead

Low as the singer lies
In the field of heather,
Songs of his fashion brings
The swains together,
And when the west is red
With the sunset embers,
The lover lingers and sings
And the maid remembess.
