THE LOTTERY AND THE FOOLS

Under this head Col. A. K. Mc-Clure, who has been the most fearless and the ablest advocate of the suppression of the Louisiana State | 000 in the same period of 1889. Lottery-to the extent of being arrested once by the lottery gang in New Orleans, when on a visit to that city-goes for the lottery and its patrons with gloves off, as usual.

It is generally known that the officials of the Lottery have offered the State of Louisiana a cool million a year for twenty-five years for the privilege of selling lottery tickets to fools. It is generally understood that this offer is a proposition to divide the fools money with the State for the privilege of fleecing the fools. In other words, the lottery managers in the light of their past experience expect to gather in \$50,000,000 of amount as a bribe for allowing week. them to do it.

The Legislature of Louisiana has thus thrust upon itself the responsibility of accepting or rejecting this offer of a partnership in the business of fleecing tools.
