### CHAR WAS COMPACEDLE.

There are about a thousand elk killed in Oregon and Washington every year. the antiers from most of which are sent to England for ornamentation.

Oscar Wilde refused an invitation to the dinner of the Thirteen Club on the ground that the object of the club, to abolish the superstition, was "really

"Old Chabert," one of the best known Socialist speakers in Paris, died recent ly. He spent his days denouncing capitalists, and always appeared in public wearing a blood-red scarf.

A movement has been started at Middiesborough, Ky., to raise subscriptions for the erection on the top of the Cumberland Gap of colossal statues of Generals U. S. Grant and Robert E. Lee.

Miss Eleanor L. Fleury, of London, a recent graduate of the London School of medicine, has a record in thre colleges of the highest honors a woman can

A remarkable run of striped bass is reported from the Susqueshanna. At Port Deposit the fish are said to be so numerous and so large they have broken the nets of several of the fishermen.

London is just now placarded from end to end with immense pictures of Stanley and his men in a group. The pictures are issued by Sampson, Low & Marston, the publishers of Stanley's

Theodore Tilton is described by a lady who recently saw him in the new salon in Paris. He has grown stout, and his long, white hair was pushed behind his ears and his face had a restful look peculiar to men of leisure.

On an average there are thirty-five more boys than girls born in New York city every week. On the average fiftyfive more males than females dio. So the female population grows more rapidly than the male.

The Emperor of Japan wants to ride expensively. Therefore he has ordered that a state coach be constructed and has laid aside \$175,000 for that purpose. Of course the ornamentation is responsible for the most of this sum.

A meerschaum pipe, which was at one time the property of General Lew Wallace, is owned by a man in Palatks, Fla. During a successful raid upon his headquarters by Confederate troops during the war this relic was captured.

Governor Gordon, of Georgia, has written a letter indorsing the principles of the Farmers' Alliance. It is possible that General Gordon may succed Senator Joseph E. Brown in the United States Benate.

A well digger living in Talbottom, Ga., was bired last week to clean out a well. When he came out of the well in the evening it was noticed that his jet black hair had changed its color from black to a bright yellow or golden shade. The cause is unknown.

Every lobster has his name on him. Look at one of his claws when he comes | Soft Step which save piacos from wear out the water. You can see it better while practicing and makes tone mandthen than when he is older and has been able to all outside of room. A wonderboiled. He has his name or the year he ful invention. was born or something always on his

The French Government is encourag-ing, French physicians to attend the Berlin Medical College, and in order to give proof of its sincerity in this direction four military surgeons of high standing have been ordered to represent the French army at the ceming gathering of medical men.

Mr. Irving is going to give a atimulus to Young England's interest in Shakespeare. On June 23 Miss Terry and he will read "Macbeth" in the New TABLE-RAKES, Schools at Oxford for the benefit of the TABLE-RAKES, Union Deccration Fund. After, it may be expected that debates at the Union will be adorned for some time with copious quotations from the Bard. On June 27 Mr. Irving will repeat his Wol- ED. TAYLOR. verhampton address on "Hamlet" for the edification of the Harrow boys,

A number of Cambridge admirers of Mr. H. M. Stanley have subscribed for a gown for presentation to the gallant explorer on the occasion of the conferment of the honorary degree of LL, D., on June 10. The proposed gift is almost unprecedented at Cambridge, where usually the recipient of the degree has the privilege of not only buying his own robes, but also of paying a considerable fee to the university that confers the degree, as well as to the college that has the honor of receiving him as one of

It is stated that the number of per-It is stated that the number of persons killed by the railroads in this country during the year ending June the public generally, that I will carry on last was 5.823, and the number injured the business of the old firm at the same 26,209. During the year the railways of place and hope by a strict attention to the country carried 472,161,343 passen-business to merit your patronage. gers, so that one passenger in every 1,523,133 was killed and one passenger in every 220,024 was injured. This shows a much higher percentage of casualty than prevails upon the English railways, where it appears that the rate was one passenger in 6,942,336 killed and one passenger in 527,577 injured.

A performance of "Married Life" was given in London the other day for the enefit of Buckstone's daughter, a number of prominent actors taking part. Miss Terry appeared as the maid servant, with only one line to speak. "Oddly enough," says the London Stage, "this most practiced actress was rendered so nervous by the warmth of the tion she received that she stumbled with ber single line, announcing 'Miss Kate Phillips' instead of Mrs. Dove." This is not unusual. It is an affectation for actors of high rank to appear in lit-tle parts which a super could do better They nearly always make a mess of it.

The Best felling Vermifuge in the market

THE MOST RELIABLE

Recipe furnished to any regular Physician when requested

We have never asked for a Certificate. We We have never asked for a Certificate. We have some of the strongest ever given—all sent without solicitation. Some of them with the request that we publish for the benefit of all children suffering with worms. The bottle is larger than usual; the Vermifuge is the best in the market; the price as low as any—then why not use it? Mead a few only of the many evidences of its great merit.

LAGRANGE, N. C., July, 1887. Mr. J. P. Joyner I gave my child one dose of Boykin's "Worm Killer," purchased of you. It brought 366 worms. I consider it the best worm medicine made. Respectfully, Hespectfully, J. W. THOMAS.

Read the following from one of the most prominent and best known Physicians and farmers in South Carolina. He writes: "That a negro girl 16 years old, near him, took two or three doses of the "Worm Killer," and passed 366 worms," R. H. EDMUNDS, M. D. Dated, Ridgeway, S. C., May 26th, 1884.

Mr. H. M. McDenald, of LaGrange, N. C., says: "Dr. Boykin's "Worm Killer" brought over 100 worms from one child in his neighborhoo , and that it gives universal satisfaction. He so is more of it than all other worm medi

#### PRICE ONLY 25 CENTS A BOTTLE.

Do not let your Druggist or General Dealer put you off with some other, Ask for "Boy kin's Worm Killer" and get it. Any M. D. can prescribe it, and Many do.
