Cancer of the Nose.

In 1875 a sore appeared on my nose, and
grew rapidly. As my father had a sore
and my husband died of it, I became alarm-
ed, and consulted my physician. His treat-
ment did no good, and the sore grew larger
and worse in every way, until I had consid-
ered that I was to die from its effects. I was
persuaded to take S. S. S., and a few bottles
cured me. This was after all the doctors and
other medicines had failed. I have had no
return of the cancer.

The reason RADAM'S
MICROBE KILLER
is the most wonderful
medicine, is because it
has never failed in any
instance, no matter
what the disease, from
LEPROSY to the sim-
plest disease known to
the human system.
The scientific men of
to-day claim and prove that every disease is

CAUSED BY MICROBES,

—AND—

RADAM'S MICROBE KILLER

Exterminates the Microbes and drives
them out of the system, and when that is
done you cannot have an ache or pain.
No matter what the disease, whether a
simple case of Malaria Fever or a combi-
nation of diseases, we cure them all at the
same time, as we treat all diseases consti-
tutionally.

CATARRH CAN'T BE CURED

with LOCAL APPLICATION, as they cannot
reach the seat of the disease. Catarrh is
a blood or constitutional disease, and in order to
cure it you have to take internal medicine.
Hall's Catarrh Cure is taken internally, and
acts directly on the blood and mucous sur-
face. Hall's Catarrh Cure is no quick medicine.
It was prescribed by one of the best physicians
in this country for years, and is a regular pre-
scription. It is composed of the best tonics
now, combined with the best blood purifiers,
acting directly on the mucous surface.
The perfect combination of the two ingredients is
what produces such wonderful results in our
catarrh. Send for testimonials, free.

THE WAY OF THE WORLD.

Laugh, and the world laughs with you,
Weep, and you weep alone.
For the sad old earth must borrow its mirth,
But has trouble enough of its own.
Sing, and the hills will answer,
Sigh, it is lost on the air;
The echoes bound to a joyful sound,
But shrink from voicing care.

Rejoice, and men will seek you,
Grieve, and they turn and go;
They want full measure of all your pleasure,
But they do not need your woe.
Be glad, and your friends are many,
Be sad, and you lose them all.
There are none to decline your neighbor's wish,
But alone you must drink life's ail.

Be at, and your halls are crowded,
Be absent, and the world goes by;
Succeed, and you are lauded,
But no man can help you die!
There is room in the hall of pleasure,
But none in the hall of grief;
But one by one we must all file on
Through the narrow aisle of pain
The Waste of Time.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should al-
ways be used when children are cutting teeth.
It relieves the little sufferer at once; it
produces natural, quiet sleep by relieving the
child from pain, and the little cherub awakes
as "bright as a button." It is very pleasant to
take. It soothes the child, softens the gums,
allays all pain, relieves wind, regulates the
bowels, and is the best remedy for diar-
rhea, whether arising from teething or other
cause. Twenty-five cents a bottle.

Lemon Hot Drops.

THE QUESTION SETTLED!

TO CHEW GUM OR NOT TO

chew Gum? that is the question.

Although chewing gum is a very
pleasant pastime, yet, rather than
chew the vile stuff that some deal-
ers palm off on their customer for

Ghewing - Gum

You will chew no more gum.

But when there are such gums
on the market as

'TUTTI FRUTTI' 'MEXICAN FRUIT'

SAPPOTA TOLU;

AND

All of which are noted for their
deliciousness, every man, woman
and child in this city should

—

If you are perplexed with business
troubles you should chew these
gums, for they have such a sooth-
ing and delightful effect upon the
human system, that they will cause
you to banish all your troubles and
make you feel as if you were on a
"glittering raft made of tangled

around which the purest ripples
break and die, in echoes full of
rapture."
