

DEMOCRATIC PLATFORM.

The following is the State Democratic platform as announced by the State Convention in assembly May 18th:

Resolved, 1. That the Democracy of North Carolina reaffirm the principles of the Democratic party, both State and National, and particularly favor the free coinage of silver and an increase of the currency, and the repeal of the internal revenue system. And we denounce the McKinley tariff bill as unjust to the consumers of the country, and leading to the formation of trusts, combines and monopolies which have oppressed the people; the unnecessary and burdensome increase in the tax on cotton ties and on tin, so largely used by the poorer portion of the people. We likewise denounce the iniquitous Force bill, which is not yet abandoned by the Republican party, but is being used as a measure to be adopted as soon as they gain control of the House of Representatives, the purpose and effect of which measure will be to establish a second period of reconstruction in the Southern States, to subvert the liberties of our people and in place a new race antagonism and sectional animosities.

2. That we demand financial reform, and the enactment of laws that will remove the burdens of the people relative to the existing agricultural depression, and do full and ample justice to the farmers and laborers of our country.

3. That we demand the abolition of national banks, and the substituting of legal tender Treasury notes, issued in sufficient volume to do the business of the country on a cash system, regulating the amount needed on a per capita basis as the business interests of the country expand, and that all money issued by the government shall be legal tender in payment of debts, both public and private.

4. That we demand that Congress shall pass such laws as shall effectually prevent the dealing in futures of all agricultural and mechanical productions, provide such a stringent system of procedure in trials as shall secure prompt conviction and imposing such penalties as shall secure most perfect compliance with the law.

5. That we demand the free and unlimited coinage of silver.

6. That we demand the passage of laws prohibiting the alien ownership of land, and that Congress take early steps to devise some plan to obtain all lands now owned by alien and foreign syndicates; and that all lands now held by railroads and other corporations, in excess of such as is actually needed by them, be reclaimed by the government and held for actual settlers only.

7. Believing in the doctrine of "equal rights to all and special privileges to none," we demand that taxation, National or State, shall not be used to build up one interest or class at the expense of another. We believe that the money of the country should be kept as much as possible in the hands of the people, and hence we demand that all revenues, National, State or county, shall be limited to the necessary expenses of the government, economically and honestly administered.

8. That Congress issue a sufficient amount of fractional paper currency to facilitate the exchange through the medium of the United States mail.

9. That the General Assembly pass such laws as will make the public school system more effective, that the blessing of education may be extended to all the people of the State alike.

10. That we favor a graduated tax on incomes.

Atlanta, Ga., June 2d  
My six-year-old son has had a terrible sloughing sore on the neck for three years, attended with blindness, loss of hair, great emaciation, and general prostration. Physicians and various blood remedies were resorted to without benefit. The New Atlanta Medical College treated him for three months, but his condition grew worse. I was urged to try the efficacy of B. B. B., and to the astonishment of myself, friends and neighbors, one single bottle effected an entire cure. Ulcers of the neck entirely healed; eyesight restored and the hair commenced growing on his head. I live at 345 Jones street, Atlanta, and my boy is there to be seen. FRANK JONES.

J. W. Messer, Howell's Cross Roads, Cherokee county, Ga., writes: "I was afflicted with chronic sore nine years, SORES on the neck and they did me no good. I then tried B. B. B., and eight bottles cured me sound and well."
