

WASHINGTON NEWS.

WASHINGTON, Nov. 15.—A circular is being prepared at the Treasury Department making an important change in the present immigration policy of the Department. It is in effect that the President's order of September 1st, imposing twenty days' quarantine on immigrants, is heretofore to be applied only to immigrants who come over on the steamer.

The President today appointed William Potter, of Pennsylvania, to be Minister to Italy; David P. Thompson, of Oregon, to be Minister to Turkey, and Edward C. Little, of Kansas, to be Agent and Consul General at Cairo, Egypt. It is understood President Harrison will appoint G. C. Bole, of West Virginia, Justice of the Supreme Court of the District of Columbia, vice Montgomery retired. It is a life place.

It is rumored here that Representative Hemphill, of South Carolina, may be Cleveland's Secretary of the Navy. The two are personal friends and the President thinks highly of Hemphill's integrity and ability. The Evening Star thinks the appointment not unlikely.

It is, to say the least, wrong for anybody to go to church or public meeting and disturb the preacher or orator coughing. Use Dr. Bull's Cough Syrup at once.
