## RAMBLES OF THE RAMBLER

### BREEZY NEWS, VIEWS AND COMMENTS.

#### What He Sees and Hears While Roaming the Streets.

A certain close-fisted inhabitant of this town came rushing down the street to day with a big valise in one hand and an umbrella in the other and came very near running over us. When he recognized us he stopped and said he was on his way to take the train for New York and that he would be gone about ten days. We did not ask him where he was going or when he was coming back. It was none of our business. He was very polite. He is too stingy to subscribe for the paper. He thought we would make a notice about his going off, but this is all the notice he will get until he comes around and pays for the paper a year in advance.

Some of the young ladies of this town are getting very importunate. They are continually writing to the Rambler on all subjects. We never did think it was right for young ladies to write to married men. One young lady has written a lengthy epistle in which she asks us to keep a lookout for a certain young man whom she is going to marry and see if he drinks or smokes or goes in bad company—She says we find out everything else. There is an insinuation about the letter which we cannot entertain and keep our mouth shut. How are we going to know whether he drinks or keeps bad company? She must think we are a regular barroom loafer, a gambler and a dead beat. If she wants anybody to watch that red-eyed darling of hers she better do it herself. If we get any more such letters there is going to be a big sensation in this burg.

The recent heavy increase in the population of Frog Pond has exhausted the supply of printed copies of Liar's license and the town clerk has sent an order for one thousand copies to the ARGUS job office with special instructions to rush the order. All the old inhabitants of the town take out the license annually and it is their most cherished possession. There are a few people around Goldsboro who could use the license to great advantage. The Rambler is acquainted with some of our citizens who would be a good match for anything that Frog Pond could trot out, and they have not taken out licenses, either. For the benefit of those who would like to read the license we herewith print a copy of the form:

LIAR'S LICENSE.

This is to certify that..... has been licensed to lie from..... day of..... 19..... to..... day of..... 19..... he being a duly qualified liar, having passed a most rigid examination by the Ancient, Reckless and Independent Order of Deceivers or Liars' Union, and after having successfully passed the required examination, we do hereby grant him this license.

Mayor.....  
Town Clerk.....

Since the brass band question has finally reached a peaceful solution in Frog Pond and the inhabitants of that thriving town have finally made up their minds to wear cotton in their ears on the nights when the bands are practicing, there has sprung up a spirit of rivalry between those two famous musical organizations for supremacy and proficiency. Both bands are now practicing on such classic compositions as "Old Hundred," "Hail to the Chief," and "Old Dan Tucker," which they will play in this city on the 12th day of April, on the return

of Hon. Charles B. Aycock from the gubernatorial convention at Raleigh. All civic and military organizations of Frog Pond are going to be here that day on dress parade, and the people of Goldsboro will see some of the ugliest, but at the same time the happiest specimens of humanity that ever trod shoe leather. The mayor of Frog Pond has already issued an edict for everybody to suspend business that day and come to Goldsboro to greet Governor Aycock.

"Deeds are fruits, words are but leaves." The many wonderful cures effected by Hood's Sarsaparilla are the fruits by which it should be judged. These prove it to be the great remedy for all blood diseases.

Hood's Pills cure all liver ills. Non-irritating.

### THEY SAY.

The fat women always do the most fasting in Lent.

Prejudice in a man is a failing; in a woman it is a vice.

After a man has been married three years, Arbor day is a bit more important to him than his wife's birthday.

If it hurt to be a fool, half the men in the world would go around yelling most all the time.

The average woman will think a man wants to marry her if he tells her she seems so different from other girls.

Talk may be cheap, but for calling a man a liar over the telephone the other day a man out West had to pay a fine of \$2.

Grow and again you see two women passing down the street who look like "eters." You are astonished to learn that

they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no rich cheeks and round forms where there are debilitating drains, and female weakness. Women who have suffered from these troubles have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and relieves the cheeks.

No alcohol, opium or other narcotic is contained in "Favorite Prescription."

Any sick woman may consult Doctor Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address Dr. R. V. Pierce, Buffalo, N. Y.

"I commenced to take Dr. Pierce's Favorite Prescription," writes Mrs. Martha E. Barham of Newville, Prince George Co., Va., "in June, 1897, also his 'Golden Medical Discovery,' and I cannot express the benefit I have received from these medicines. I was suffering with what the doctors called chronic indigestion, torpid liver and vertigo. I also suffered with female weakness. The doctor did not do me any good, so I wrote to you for advice. When I commenced to use the medicines I weighed only 112 pounds, now I weigh 140 pounds."

Dr. Pierce's Pellets regulate the liver.

## Mother's Story of Baby's Cure

Of a Most Distressing Humor by the Cuticura Remedies.

When our baby was a week old, eczema appeared on the top of her head and spread all over her scalp, face, and forehead, forming one mass of sores. You can realize how much she must have suffered, when she scratched at times till the blood ran intermingled with water. Our family doctor's treatment proved ineffectual, as the disorder, instead of abating, developed more. We then stopped all medical treatment, and commenced with CUTICURA REMEDIES. We used the CUTICURA RESOLVENT, CUTICURA Ointment, and CUTICURA SOAP, all traces of the eczema disappeared, the skin and scalp were left perfectly clear and smooth, and she was entirely cured.

Mrs. E. BUTLER,  
My oldest boy, age nine years, was troubled with sores on different parts of the body, especially on the leg, about twenty-four in all. They were about the size of a five-cent piece, and would fester very much and eject a pus. They were very painful. After my above experience with the cure of my little girl with CUTICURA REMEDIES, I did not bother with the doctor in this case, but gave him the CUTICURA treatment which completely cured him in four weeks. Mrs. E. BUTLER, 1289 3d Ave., S. Brooklyn, N. Y.
