OUR LOCAL OPTIC.

Goldsboro and Vicinity History in Brief
Epitome of Sayings and Doings, Wise and Otherwise, Run Down and Run In by Omnipresent Ubiquitous, Local "Grand Rounds."

It is a great thing to be a Democrat.

Easter bonnets are in full bloom at the millinery stores.

Miss Annie L. Davis, of Greensboro, is visiting relatives in this city.

The English sparrows are attacking the gardens as usual. They are a perfect nuisance.

No other trains carry more passengers than do the Atlantic & North Carolina Railroad trains.

The Mental Culture Department of the Woman's Club will hold a business meeting Thursday afternoon at 4:30 o'clock.

The peach crop is safe thus far. If the peaches, berries, and vegetables pass full moon in April they will probably be safe.

Goldsboro should have a canning factory. A small outlay of money would not only yield a big profit, but would be of great advantage to the community.

In the favored land how many blessings we enjoy. There is in all the world no country like America, and no State of this Union is like old North Carolina.

His many friends in this city—and they are indeed many, were glad to greet on the streets again to-day Mr. Allen Moore, who has been confined to his home for weeks with a protracted case of grip.

To-morrow will be a great day in North Carolina. The Democratic Convention will name the best man in the State for Governor, and fill the other positions with men whose names will be received with enthusiasm all over North Carolina.

The ARGUS hopes most sincerely that next Sunday will be a bright beautiful spring day. We like always to see Easter a beautiful day on account of the sacredness and solemnity of this day which is celebrated in every land and clime where has been placed the banner of the Cross, and where there has been told the old story of Jesus and His love.

The public have to thank Capt. N. O'Berry for having the passenger train held in Raleigh to-morrow night until 10 o'clock. Goldsboro people who wish to attend the convention at Raleigh can leave here to-morrow morning and return to-morrow night, leaving Raleigh at 10 o'clock. The fare for the round trip is \$2.50.

If any one in these parts had any shadow of doubt that Democracy is in the saddle in North Carolina, that shadow surely vanished to-day at sight of the avalanche of Eastern Democrats that poured through this city, on their way to the Democratic State Convention in Raleigh to-morrow. It will be the greatest convening of Democrats in the history of our commonwealth.

A gentleman tells us that while standing at the wharf in New Bern he saw a small boat containing two fishermen go into the dock. It was then three o'clock in the afternoon, and they had been out since early morning, and as a reward for their labors brought in fifty-three large white shad. One of the fishermen said he and his partner caught two hundred and twenty-five white shad one night this season.

Mr. Henry Angel left to-day for Richmond to enter upon the duties of his new position as traveling salesman for a wholesale shoe house, while Mrs. Angel left for Wilmington to visit relatives before joining her husband in his territory in Alabama. While their many friends here regret to part with them, the universal good wishes of the community go with them.

A large and enthusiastic meeting of the Chamber of Commerce was held last night. Among the important measures discussed

and passed upon was the giving instructions to the secretary to correspond with the A. C. L. authorities in reference to having the Richmond shoddy run to Goldsboro instead of Rocky Mount. The change would enable passengers from the north to reach Goldsboro the same night instead of a lie over in Wilson.

NEW REAL ESTATE FIRM

Mr. W. J. Gibson, the popular representative of the Fena Life Insurance Company has purchased an interest in the business of the Goldsboro Real Estate Exchange, of which Mr. E. A. Humphrey has been attorney and general manager.

These gentlemen have formed a substantial co-partner to be known as the Humphrey-Gibson Company, and will continue to conduct a general Real Estate and Insurance business.

The department for the collection of rents will receive special attention, and will be under the personal supervision of Mr. Gibson. An up-to-date and modern collection department for Goldsboro is what has long been needed, and will go a long way towards making Real Estate investments more profitable.

The ARGUS congratulates these young gentlemen upon their sagacity in selecting a business that has indeed an inviting field in progressive Goldsboro, and we wish them the fullest possible measure of success.

FIREMENS' BALL

On Easter Monday April 16th, Goldsboro Fire Co. No. 1 have announced that they will give a Fancy Dress Ball for the benefit of the Company in order to raise funds to meet their expenses to the Inter-State Tournament to be held at Wilmington in August next. It should be the pride of all our citizens to uphold and encourage our volunteer firemen, who are ever ready to fight the Fire Fiend and to protect your property and this is the occasion for each one to show their appreciation of their work. For those who wish to indulge in the mazy dance tickets are \$2.00, but as many do not dance but would like to attend a banquet tickets are issued with a coupon of admittance to the ball room. Let each family send as many of its members as possible.

CITIZEN.

S. S. ASSOCIATION.

The executive committee of the Wayne County S. S. Association have appointed the following time and places for holding the different township conventions:

- Fork—Ebeuzer, May 11th, 1900.
- Brogden—Mt. Olive Baptist church, June 21, 1900.
- Saulston—Saulston M. E. church, June 28, 1900.
- Indian Springs—Seven Springs Baptist church, July 19, 1900.
- Pikeville, Nahant church, June 14, 1900.
- Goldsboro—Goldsboro First Baptist, May 30, 1900.
- Grantham—Falling Creek M. E. church, May 12, 1900.
- Stony Creek—Salem church, July 12, 1900.
- New Hope—Casy's Chapel, Nahant—Eureka M. E. church, July 6, 1900.

The above time and places are subject to change by the Presidents and Executive Committee of the different townships, but it is hoped that they will be observed when practical.

Because of the removal from the township of Mr. T. I. Sutton, E. A. Stevens was elected president to fill the vacancy.

Every Township president is requested to begin active work in order that each township may have as large a convention as possible, and it is suggested that they have their programmes printed at least two weeks in advance and distribute them throughout the townships. Any aid or information will be gladly furnished by me.
