

THE ARGUS

TOMORROW NIGHT.

The Big Tented Musical Show Will Hold
Fourth In Goldboro

A. G. Allen's Big Original New Orleans Colored Minstrels will appear under canvas in this city tomorrow night and will be quite a novelty for Goldboro.

The past season has rounded out twenty-six years of The New Orleans minstrel existence—a record certainly to be proud of.

A. G. Allen believes that amusement, judiciously devised and properly presented, is one of the needs of our great social existence; that the people will have amusement that minstrelsy among all ages, classes and conditions is pure, refreshing and inspiring when presented by artists under strict discipline in regard to a moral entertainment.

In keeping with these ideas, Mr. Allen has transformed the nature of minstrelsy so materially, that today it bears a far different relation to the world, than it did a decade ago. Unscrupulous adventurers and tricksters who have watched the success of the New Orleans Minstrels; try to duplicate its success; but the thinking public are quick to see their character, and they cannot visit the same place twice, except under the thin veil of an assumed name, which the keen public eye usually penetrates. Mr. Allen will not allow a vulgar or coarse expression in this performance. Nothing said or done to offend the most refined.

GOLDSBORO ATHLETIC CLUB

In Perseverance and Accomplishments.

We, the members of the first Athletic Club ever organized in this city, and known as the "Goldboro Athletic," do hereby most heartily thank the citizens who have contributed anything to so good a cause, and toward the purchase of the following gymnasium outfit, which is one of the best in the State, and also a good base ball outfit:

- SPALDING'S GOODS.
- 2 Chest Weights.
 - 1 Paralled Bar.
 - 1 Horizontal Bar.
 - 1 Rowing machine.
 - 1 Set of Combination Swings.
 - 1 Ring, 1 ladder.
 - 1 Jumping stand.
 - 4 Sets of boxing gloves.
 - 4 Striking bags with gloves.
 - 2 Throwing hammers.
 - 8 Pairs of dumb balls.
 - 1 Medicine ball.
 - 1 Complete base ball outfit, best quality.

Citizens, we have the base ball goods and the players, all we need is encouragement, and we believe that the way to get it is to get the men in Goldboro, [as well as the ladies] interested in the delightful game known as base ball. After we have had two or three good games here, which we expect to have soon, we believe that the men of Goldboro will see to it, that their town has a good base ball ground, so that she can indulge in athletic sports as well as anything else. Citizens think it over, and before this season is gone, see that we have as good a base ball ground as any town in North Carolina.

You are cordially invited to witness the game between the Bee Hive Club and the first nine of the Athletic Club to be played at Hermann Park Friday afternoon at 4 o'clock.

Very Respectfully,
THE PRESIDENT.

WHEN NATURE

Needs assistance it may be best to render it promptly, but one should remember to use even the most perfect remedies only when needed. The best and most simple and gentle remedy is the Syrup of Figs, manufactured by the California Fig Syrup Co.

BOILS AND CARBUNCLES

These unsightly sores usually appear in the spring or summer, when the blood is making an extra effort to free itself from the many impurities that have accumulated during the winter months.

Carbuncles, which are more painful and dangerous, come most frequently on the back of the neck, eating great holes in the flesh, exhaust the strength and often prove fatal. Boils are regarded by some people as blessings, and they patiently and uncomplainingly endure the pain and inconvenience under the mistaken idea that their health is being benefited, that their blood is too thick anyway, and this is Nature's plan of thinning it. The blood is not too rich or too thick, but is diseased—is full of poison—and unless relieved the entire system will suffer. The boil or carbuncle gives warning of serious internal troubles, which are only waiting for a favorable opportunity to develop. Many an old sore, running ulcer, even cancer, is the result of a neglected boil.

Keep the blood pure, and it will keep the skin clear of all the irritating impurities that cause these painful, disfiguring diseases.

S. S. S. cures boils and carbuncles easily and permanently by reinforcing, purifying and building up the blood and ridding the system of all accumulated waste matter.

S. S. S. is made of roots and herbs which act directly on the blood, and all poisons, no matter how deep-seated, are soon overcome and driven out by this powerful purely vegetable medicine.

S. S. S. is not a new, untried remedy, but for many years has been curing all kinds of blood and skin diseases. It has cured thousands and will cure you. It is a pleasant tonic as well as blood purifier—improves the appetite and digestion, builds up your general health and keeps your blood in order. Our physicians have made blood and skin diseases a life study—write them fully about your case, and any information or advice wanted will be cheerfully given. We make no charge whatever for this service. Send for our book on Blood and Skin Diseases—free. Address, The Swift Specific Co., Atlanta, Ga.

All These Watches 'Keep Time.'

Some of them keep it so you don't get any of it. They are all 'right' once a day. Some of them will tell you frequently and correctly when they should be sent to the repairers. The dollar watch will cost you \$2.00 the first year for repairs. You frequently see them on display in the drug store, the hardware store, the corner grocery or the dry goods emporium. Again you see them advertised and send to some irresponsible

firm, from whom you get a warrant that doesn't warrant. Experience brings watch wisdom. We sell reliable watches, at reliable prices, and give you a reliable warrant for which we are reliable.

Notice.

I am authorized to offer a reward of fifty dollars (\$50) for information sufficient to convict the party or parties injuring the shade trees on Park Avenue on the night of May 17th 1900.

J. E. PETERSON, Mayor.

It is very proper that a reward should be offered for the apprehension of the ruthless renegade who destroyed the thriving young trees on Park Avenue, and we are glad to note that the Mayor has done so. We hope it will have the desired effect.

Mr. W. T. Dortch delivered the address at the closing exercises of the Pikeville High School yesterday. The address was in keeping with Mr. Dortch's enviable record as a speaker and was listened to with rapt attention by those present. The school has been conducted by Miss Lucy Waters, of La-Grange, and her success the past session is very flattering evidence of her ability as an educator.

Messrs. W. T. Dortch and Geo. E. Hood delivered political speeches at Pine Forest, this county, last night. Both addresses were interesting and instructive and were received with unstinted applause. The issues of the campaign were discussed in a plain, practical manner and much good for the cause of Democracy was accomplished, and Democracy means good government and white supremacy.

A telegram was received by Mr. J. J. Sireet yesterday afternoon, announcing the death, at 5:30 o'clock, of the wife of Rev. T. P. Clapp, at her home in Eion College. Rev. Mr. Clapp made many warm friends in this city among the large congregations that gathered nightly in the Holiness church to hear his eloquent presentation of the Scriptures, who deeply sympathize with him in the loss of his dear wife. It will be remembered that Mr. Clapp was called home from his labors here to the bedside of his wife Monday.
