THE WEATHER.

FOR GOLDSBORO AND VICINITY:
Fair to-night and Thursday.

OUR LOCAL OPTIC.

Goldsboro and Vicinity History in Brief
Epitome of Sayings and Doings, Wise and Otherwise, Run Down and Run In by Omnipresent Ubiquitous, Local "Grand Rounds."

Have you registered?

Mrs. Arnold Borden and children have returned from a visit to relatives in Chester, S. C.

They are having a remarkable sale of ladies shirt waists at Weil's—selling them at exactly half—all this week.

Messrs. I. F. Dortch and P. F. Aycock will speak at Creech's store on Friday night, together with Mr. W. T. Dortch.

Miss Ada Wrenn and little niece, Sallie, left yesterday for Raleigh, where they will spend sometime visiting relatives.

The Daughters of the Confederacy will meet to-morrow afternoon at 6 o'clock, at the home of the president, Miss Sue Collier.

Miss Mayme Isaacs has returned from Boston, Mass., where she has been taking a special course in music. She was accompanied by her cousin, Miss Jennie Harris.

Have you registered? Have you talked Amendment to your neighbor? Are you doing your duty? The failure to carry the Amendment would well nigh ruin North Carolina.

Mr. F. W. Hilker, the popular agent of the Robert Porter Brewing Company, is now occupying the newly equipped quarters on Walnut street, in the Bizzell building.

By order of the president there will be an important meeting of the Goldsboro Athletic Club to-night at 8:30 o'clock. There will be some very important business to attend to, besides the election of a vice-president.

Senator Ransom—the grand old man eloquent—will speak in this city next Monday, at 1 o'clock. Let the whole city and county turn out and give him an old time Democratic welcome. Let's have an old time Democratic Rally on the occasion.

There was only one marriage license issued in Wayne county the past week: Mr. H. C. Moore to Miss Annie Glisson, and that was returned on account of the inability of the contracting parties to perfect the final arrangements for the ceremony.

Mr. J. D. Rivenbark is back again from a trip to Raleigh and Durham. During his absence yesterday his brother Mr. Paul Rivenbark furnished the well written news letter to the Post which appeared this morning from Goldsboro.

Rev. P. H. Whisner, D. D., of the Baltimore Conference, and Secretary of the Board of Church Extension, of the M. E. Church South, will speak at St. Paul's M. E. Church to-night, services to begin at 8:15 o'clock. A cordial invitation is extended to all the people to hear him. We hope our city will give him a full congregation. He is now in the city, the guest of Mr. Charles Dawey.

The interment of the remains of Mrs. Eva Ballen-Berger was made to-day in Willow Dale Cemetery, beside her husband, who preceded her some years ago. She was about 80 years of age and had been residing with her son Mr. N. B. Berger, near Pikeville, where she died yesterday. She was well known in this city, where the family lived for a number of years and where her husband kept a store on Ashe street near the old market.

Goldsboro's Juvenile base ball team, of which John Graatham is

Captain, Leslie Yelverton, pitcher, and W. S. O. B. Robinson, Jr., catcher, went up to Durham yesterday on the St. Paul Sunday School excursion, and covered themselves with glory, over which they are now jubilant. They defeated a team of larger boys of Durham by a score of 9 to 0. The juveniles say when they get larger they are going to give Goldsboro the best base ball team in the State.

Recall two years ago. Nigger school committeemen in charge of white schools. A nigger deputy sheriff from Craven county carrying a white man through Goldsboro to the Insane Asylum at Raleigh, a nigger now in Congress from this district, nigger magistrates, and a nigger on the board of trustees of the school for the white blind of North Carolina. And in the face of all these things the Radicals and the fusion gang insult our people by telling there is no danger of nigger rule. This is the time for men to show their hands. There is no use mincing matters. The negroes are going to stand together. What's the white folks going to do?

SENATOR RANSOM.

To Speak in Goldsboro Monday, July 23 at 1 O'clock.

The Orator, Statesman and Diplomat Will Lift His Eloquent Voice in Favor of the Amendment and White Supremacy.

No man is better known in North Carolina than Ex-Senator Mat. W. Ransom, and the announcement that he is to speak in Goldsboro next Monday will be welcome news to the people of this city and section. With his polished manners and ringing eloquence he has held the souls of the nation spellbound at his feet. He has lost none of his magic charm as an orator and is as bright and as fresh to-day as ever.

Everybody is invited to hear him. The ladies especially are invited. The K. of P. Band will furnish the music.

Those living in adjoining counties can come on the morning trains, arriving in Goldsboro not later than 12:30 o'clock, hear the speech and return that afternoon. This is the only opportunity for our people to hear this distinguished son of North Carolina.

YOUR BUSINESS.

Whose business is it to work might and main for the Constitutional Amendment? Do you want good government in North Carolina? Then it is your business. Are you opposed to negro rule, and in favor of a government by the white men of the State? Then art thou art the man, then, whose business it is to work for the Amendment. Are you a white man, with Anglo-Saxon blood coursing through your veins, do you love your race, and do you cherish in your heart the memory of that sweet-faced mother, and that venerable father who gave you his blessing and told you never to do a dishonorable act, anything that would bring reproach upon the name that he would hand down to you untarnished? Then, verily, verily, by the memory of your ancestors, it is your business—yes, more than that, it is your solemn duty to do everything in your power to carry the election, adopt the Amendment, and thus establish peace and prosperity within our borders.

THEY SAY.

It is now constitutional against rough riderism. The spineless McKinley is only nominally in it.

Pickled olives were invented for women to take to picnics and make their husbands sick all the way home with.

The hen is a liberal fowl; she gives a peck when she takes a grain.

Some men are so stingy they refuse to smile except at the expense of others.

The One Day Cold Cure. Cold in head and sore throat cured by Kerrett's Chocolate Laxative Quinine. As easy to take as candy. "Children cry for them."

Blood Troubles: Cancer, Scrofula, Old Sores, Rheumatism, Contagious Blood Poison, Chronic Ulcers.

As the blood contains all the elements necessary to sustain life, it is important that it be kept free of all impurities, or it becomes a source of disease, passing instead of nourishing the body, and loss of health is sure to follow. Some poisons enter the blood from without, through the skin by absorption, or from within, as when waste products accumulate in the system and ferment all-wing disease germs to develop and be taken into the circulation. While all blood troubles have one common origin, each has some peculiarity to distinguish it from the other. Contagious Blood Poison, Scrofula, Cancer, Rheumatism, Eczema and other blood diseases can be distinguished by a certain sore, ulcer, eruption or inflammation appearing on the skin. Every blood disease shows some or later on the outside and on the weakest part of the body, or where it finds the least resistance. Many mistake the sore or outward sign for the real disease, and attempt a cure by the use of salves, liniments and other external applications. Valuable time is lost and no permanent benefit derived from such treatment.

BLOOD TROUBLES REQUIRE BLOOD REMEDIES; the poison must be completely and permanently eradicated. The blood must be purified and cleansed, or the disease goes deeper and saps the very life. Mercury, iodine and arsenic, the treatment usually prescribed in this class of diseases, are violent poisons, even when taken in small doses—never cure, but do much harm by adding another poison to the already overburdened, diseased blood.
