RAMBLES OF THE RAMBLER

BREEZY NEWS, VIEWS AND COMMENTS.

er to be run over his face and head. He is well-nigh annexed. But there is still hope while he refrains from playing gawf.

Kentucky Democrats know much less about the English language than they know about revolvers and, whisky, if one may judge by their "magnificent" reference to the "splendid" national

China was a republic five thousand years ago, but it drifted into an empire. At our present pace America will accomplish in Ive years what it took China two thousand years to do. The Chinese are very pokey.

President McKinley is meeting with severe critisism throughout the entire country for not calling an extra session of Congress to consider the Chinese situation. Under the constitution only Congress can declare war. The President only has the pow-Congress to send ships and land men in a foreign country to protect our cit zens. The statesmen preparation will digest what you eat. It of the country outside of the administration seem to think a declaration of war against China will soon be necessary, and that, therefore, Congress should be called together at once in order to provide in the event of an urgent contingency.

It seems that our gallant little friend, General Jos Wheeler, can't get enough of war. He has made a special request of the War Department that he be immediate-It has been demonstrated by experi-ence that consumption can be prevented by the early use of One Minute Cough speaking about the matter to a Chicago reporter, General Wheelcoughs, colds, croup, asthma, grippe and all throat and lung troubles Cures er said that he thought it the duty quickly J H Hill & Son. of eyery one who holds a com-Many a married could could mission in the United States save money out of what a bache- army to desire active service when it could be accorded him; therefore, he had specially requested
