OUR LOCAL OPTIC.

Goldsboro and Vicinity History in Brief: Epitome of Sayings and Deeds, Wise and Otherwise, Run Down and Run to by Omnipresent Ubiquitous, Local "Grand Hounds."

Mrs. A. J. Cooke will entertain the Tuesday afternoon club tomorrow, Tuesday afternoon at 4 o'clock.

The Mayor's docket was heavy this morning, with the usual Saturday night and Sunday business to dispose of.

Mr. R. A. Watts, Jr., has returned to the city and opened up his jewelry repair shop in the bicycle shop of Mr. T. H. Stanton on East Centre street.

On account of the meeting of the special committee in the Mayor's office to-night the Finance Committee of the Board of Aldermen will meet at 6:30 o'clock.

Mr. Crawford Howell brought in the largest sweet potato seen in this office this season or any other season. The potato weighed 5 1/2 pounds and only required eighteen of them to make a bushel.

The Ruffin Lodge Knights of Pythias in this city will attend in a body the district meeting of the organization to be held in Winston on the 12th instant. A special train has been chartered for the occasion, which will leave here about 5 o'clock in the afternoon and return that night after the banquet. The fare for the round trip will be only \$1.00 and everybody can go who wish to.

The appearance of our home talent "The Star Minstrel Company" in the Messenger Opera House is soon to be looked for with interest by all theatre-goers. They have new and up-to-date songs and jocosely abounding and their specialties are full of fun and amusement. They guarantee their performance to be up to date in every particular, so you may rest assured of "getting you money's worth." Watch for the date.

Bishop Morrison, who is to preside at the Methodist Conference which convenes in Newbern Wednesday, preached an able sermon in St. Paul church yesterday morning and left this afternoon for Newbern. Goldsboro's Methodist preachers, Rev. Dr. F. D. Swindell, of St. Paul, and Rev. S. T. Moyle, of St. John, both of whom are held in high esteem by their respective congregations and by the public generally, will leave tomorrow morning for Newbern to attend the Conference. All wish that they may be returned to their charges here.

The new board of County Commissioners comprising Mr. C. F. Herring, Mr. Elijah Edwards and Mr. J. P. Smith met at the register's office this morning and took the oath of office, which was administered by Clerk of the Court I. F. Ormond. Upon taking their places for the transaction of business Mr. C. F. Herring was elected chairman, and a splendid selection it is, too. For eight years Mr. Herring was Clerk of the Superior Court of Wayne county, and no county ever had a better officer. Mr. J. P. Smith has served the people so well that they wanted him again. Mr. Edwards is a new man, but will make a fine member of the Board. The people are proud of the men who comprise the Board of County Commissioners in the guidance of the county. The retiring members, Messrs. Stevens and Gardner, served the county with marked ability and wisdom. The old Board turns the county over in most excellent condition, and Messrs. Stevens, Gardner and Smith deserve the thanks of the people of the county.

WILL COME UP TO-NIGHT.

THE BOND QUESTION TO BE CONSIDERED BY THE COMMITTEE.

The Ball Has at Last Been Set In Motion and Let Us Hope That It Will Not Stop Until Something Has Been Accomplished.

The following are the committee:

- Mayor Peterson, chair.
- J. H. Hill,
- Sol W. W.,
- C. D. Wey,
- N. O'Berry,
- J. E. Robinson,
- E. B. Birden,
- Jos. R. Senchal,
- W. D. Creech,
- M. E. Robinson.

There should be a full attendance of the Committee.

Nothing so vital to the progress of Goldsboro has come for consideration at any meeting or assembly. The committee should realize the importance of their deliberation this evening and consider only the welfare of the community in general. In saying this it is not the purpose of THE ARGUS to commit the committee or to forecast its proceeding, but the subject is one which this paper is so much interested in and which cannot fail to bring such desirable results to Goldsboro and her people, that we cannot refrain from emphasizing the importance of favorable action in the question.

The committee are all men of ability and experience and the community can well afford to place the destiny of this great and momentous question in their hands feeling assured that they will take only such action as intelligence and sagacity may dictate.

Mayor Peterson requests the committee to meet promptly at 7 o'clock.

"TOO RICH TO MARRY"

At the Messenger Opera House To-morrow Night.

"Too Rich to Marry," a title about which is woven a plot both original and ingenious. It is bristling with novel situations, and unusually clever climaxes.

The plot presents the remarkable experiences of two young New Yorkers, whose love affairs run anything but smoothly, because one is too poor and the other too rich. Pansy, who is a poor artist, loves and marries with Louis, the only daughter of a rich mine owner in Colorado, while out west on a sketching trip. The young couple return to New York. Van Vliet, the son of a wealthy Wall street millionaire, with club propensities and social distinction, a companion of Pansy's, on a pleasure trip to Maryland, sees and loves the wifely daughter of a rich mine owner in Colorado, while out west on a sketching trip. The young couple return to New York. Van Vliet, the son of a wealthy Wall street millionaire, with club propensities and social distinction, a companion of Pansy's, on a pleasure trip to Maryland, sees and loves the wifely daughter of a rich mine owner in Colorado, while out west on a sketching trip.

The opening scene finds Pansy and Van Vliet in the former's studio, recalling their affairs of near Van who could not overcome the religious scruples of Aetha's mother, who opposed his suit because her religion does not sanction wealth, has returned home without his little dark and sweet Aetha, however, persuades her mother to take her to New York to study art. By strategy Van gets them to Pansy's studio. Pansy has no other pupils, and it is absolutely necessary to have one at least, under the circumstances, so Van disguises himself as a young lady art student, and in the garb of a woman, wins Aetha's mother over to consent to marrying the daughter to a supposed cousin, who turns out to be Van himself. The cast is a selection of metropolitan favorites.

Reserved seats are now on sale at Hill's Drug Store.

Our patrons will please take notice that change of advertisements for Saturday's edition should be sent in by Friday afternoon to insure choice position and display. Positively no "ad" changed later than Saturday 10 o'clock a. m.

SORES AND ULCERS.

Sores and Ulcers never become chronic unless the blood is in poor condition—is sluggish, weak and unable to throw off the poisons that accumulate in it. The system must be relieved of the unhealthy matter through the sores, and great danger to life would follow should it heal before the blood has been made pure and healthy and all impurities eliminated from the system. S. S. S. begins the cure by first cleansing and invigorating the blood, building up the general health and removing from the system all morbid, **A CONSTANT DRAIN UPON THE SYSTEM.**

When this has been accomplished the discharge gradually ceases, and the sore or ulcer heals. It is the tendency of these old indolent sores to grow worse and worse, and eventually to destroy the bones. Local applications, while soothing and to some extent allaying pain, cannot reach the seat of the trouble. S. S. S. does, and no matter how apparently hopeless your condition, even though your constitution has broken down, it will bring relief when nothing else can. It supplies the rich, pure blood necessary to heal the sore and nourish the debilitated, diseased body.

Mr. J. B. Talbot, Look Box 24, Winston, Miss., writes: "Six years ago my leg from the knee to the foot was one solid sore. Several physicians treated me and I made two trips to Hot Springs, but found no relief. I was induced to try S. S. S., and it made a complete cure. I have been a perfectly well man ever since."

SSS is the only purely vegetable blood purifier known—contains no poisonous minerals to ruin the digestion and add to, rather than relieve your sufferings. If your flesh does not heal readily when scratched, bruised or cut, your blood is in bad condition, and an ordinary sore is apt to become chronic. Send for our free book and write our physicians about your case. We make no charge for this service.

This is worth remembering when it comes to buying anything kept in a first-class, up-to-date drug store, where they keep the best of everything in their line; Where hot, refreshing and nutritious drinks are served!

Where a superb line of those dainty articles of use and ornament that make the most appropriate and welcome Christmas gifts will soon be on display for your inspection.
