SIZE OF THE COTTON CROP.

Experts still disagree as to the size of the cotton crop. Some say it will go to 10,250,000 bales, while others say it will not exceed 9,250,000. The extremes are a million bales apart. There is no unanimity, and never so over the size of a cotton crop. The McFaddens of Philadelphia and other bears will continue to predict a big outcome, but the weight of opinion is against them.

Many people worry because they believe their hearts are all right but their stomachs are unable to digest food. Kodol Dyspepsia Cure digests what you eat and prevents the formation of gas which makes the stomach press against the heart. It will cure every form of indigestion. J. H. Hill & Son.

Spreads Like Wild Fire.

When things are "the best" they become "the best selling." Abraham Hare, a leading druggist of Belleville, O., writes: "Electric Bitters are the best selling bitter I have handled in twenty years." You know why? Most diseases begin in disorders of stomach, liver, kidneys, bowels, blood and nerves. Electric Bitters tones up the stomach, regulates liver, kidneys and bowels, purifies the blood, strengthens the nerves, hence cures multitudinous maladies. It builds up the entire system. Puts new life and vigor into any weak, sickly, run-down man or woman. Price 50 cents. Sold by J. H. Hill & Son, druggists.

Every girl has a longing to have a man kiss her against her will.

It is an unrivaled liver-softener when used for coperative lung diseases. Guaranteed bottle 50c and \$1.00 at J. H. Hill & Son's. Trial bottles free.

For Sale! 6,000 Acres of Land!

I have for sale several valuable farms and city property. 1st. Farm 1,319 acres owned by Dr. J. S. Bizzell. Owing to poor health, he has decided to dispose of this valuable plantation. He has ditched and improved the land. I have decided to cut it up in small tracts. Anyone desiring a small or large farm can secure a bargain in this property. It is suitable for tobacco, cotton, corn for stock raising. All the cleared land is within the county fence—all the woods land outside the fence, making it especially fine for stock raising, only about 8 miles from the city; for a short while, part of this land will be sold for \$10 per acre.

2nd. The Daniel Pate farm, with in sight of the Asylum, on south side 550 acres, or will cut up as desired: extra fine for cotton, corn and stock raising.

3rd.—900 acres of the Bonitz plantation. Fine for cotton, tobacco, corn and for raising cattle. We are determined to close this farm at a very low price at once.

Several other farms near the city, 30 acres of the Pennoek land at a bargain. The W. K. Hollowell plantation, one of the finest in the county; a bargain. Mr. Albert Edgerton's mill at Genoa. Mrs. James Kenan's farm near Falcon, containing 700 acres. 100 acres fine, stiff land, next to Henry Murphy's, about 4 miles south of Goldsboro, at a big bargain. In the city I have lots of bargains.

Mr. J. J. Street's large 16-room house with vacant lot adjoining. Anyone desiring a handsome home will do well to see this property. Mr. Albert Pearson's 8-room cottage on William St. Mr. Robert Konegay's three nice stores on Walnut St., opposite 1 B. Bonville's. This property always rents well and is a valuable investment; will be offered very low for 30 days. Several vacant lots and other houses and lots for sale in and near the city; two houses and one vacant lot in Edmondson Town for sale. All property offered for sale on easy terms. If you wish to buy or sell property, see me: I sell for a reasonable commission only. Do not see me if the title of your property is questionable, or if your price for property is too high, as I am too busy to give you any time if you do not mean business. Office at F. B. Edmondson's dry goods and grocery store. Hours 12 to 2. Correspondence solicited. Business done anywhere in the U. S. Personal attention given in the city or Wayne county.
