TO KEEP THE STANDARD OUT.

A very interesting contest is going on in Texas where the owners of the great Lucas well are endeavoring to keep the Standard Oil Company from securing a firm hold upon the new field. The owners of the well are Pennsylvanians who know full well what a tyrant the Rockefeller concern is, and they have determined, so it is stated, to market their product without its aid. For this purpose pipe lines are to be laid to and storage tanks built at Beaumont and Port Arthur. Fortunately the distance to the seaboard is short, and all the work needed is well within their capital.

The oil from the Lucas well is very plainly fuel oil, and the yield of the new field, if large, will give a wide section of country cheap fuel. It is a section devoid of coal, but full of manufacturing ambition. If Texas and Louisiana have secured cheap fuel those States can spin their own cotton to their own great profit. They can bull their own rice, and refine their own sugar. The yield is large, and all the oil that gusher wells can furnish will be needed, for there is not a pound of coal in either Louisiana or Texas.

The handling of the new supply becomes therefore a matter of general interest. The keeping of the Standard Oil monopoly out relates to the prosperity of all—relates to industries that touch all. The contest becomes therefore one of deep importance to the two States. Competition is better than monopoly in every case, and especially when the fuel supply is involved. The State of Texas is fully awake to the dangers of monopoly, and the chances are very good that one oil field will be kept out of the grasp of the worst monopoly the country has ever known.

From Washington

How a Little Boy Was Saved.

Washington, D. C.—"When our boy was about 18 months old he broke out with a rash which was thought to be measles. In a few days he had a swelling on the left side of his neck, and it was decided to be mumps. He was given medical attendance for about three weeks when the doctor said it was scarlet fever and ordered a saline. He wanted to lance the sore, but I would not let him and continued giving him medicine for about four months when the bunch broke in two places and became a running sore. Three doctors said it was scarlet fever and each ordered a blood medicine. A neighbor told me of a case somewhat like our baby's which was cured by Hood's Sarsaparilla. I decided to give it to my boy and in a short while his health improved and his neck healed so nicely that I stopped giving him the medicine. The sore broke out again, however, whereupon I again gave him Hood's Sarsaparilla and its persistent use has accomplished a complete cure. I do not think there will be even a scar left. I cannot speak too highly of Hood's Sarsaparilla and I recommend it everywhere I get a chance." Mrs. NETTIE CHASE, 47 K St., N. E.

Like Magic.

"A complication of troubles, dyspepsia, chronic catarrh and inflammation of the stomach, rheumatism, etc., made me miserable. Had no appetite until I took Hood's Sarsaparilla, which acted like magic. I am thoroughly cured." N. B. SEELY, 1874 West 14th Ave., Denver, Col.

If you have failed to get relief from other remedies try Hood's Sarsaparilla. It cures when all others fail because it is Peculiar to Itself.

A Deep Mystery.

It is a mystery why women endure Backache, Headache, Nervousness, Sleepless-nights, Menstrual, Fainting and Dizzy Spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phebe Cherley, of Peterson, Ia., "and a lame back pained me so I could not dress myself, but Electric Bitters wholly cured me, and, although 73 years old, I now am able to do all my housework." It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at J. H. Hill & Son's drug store.

It is subsidy against tax reduction now.

Thousands Sent Into Exile.

The first dose brings relief. Astounding cures result from persistent use. Trial bottles free at J. H. Hill & Son. Price 50c. and \$1.00. Every bottle guaranteed.

The saloon problem in Chicago may yet have to be settled on the Nation basis.
