OUR NEW ISLAND INDUSTRY

Sancho Panza's highest ambition was to be Governor of one island. That was a long while ago and this country has bred an army of political Sancho Panzas who want to drag the United States into the island business on the wholesale plan.

Somebody has discovered that it might be handy to have some islands where no islands now exist. Supervising Architect Taylor has induced Secretary Gage to send to Congress a recommendation that \$100,000 be appropriated for the purpose of filling up and raising three acres of submerged flats adjoining Ellis Island to be transformed into a site for a marine hospital.

As long as we must have islands as a matter of principle, some where we want them and more where they will be of no use, old-fashioned folk will experience some regret that we did not begin our island-acquiring career with the making of islands instead of securing them by conquest or purchase.

It is quite probable that the necessity for a three-acre island for a marine hospital in New York harbor has not been established to the satisfaction of anybody but Supervising Architect Taylor, but the plan of making the islands we really want instead of buying or conquering those we don't want has its merits.

When a little man wants to make an impression he puts on a silk hat. For the weakness and prostration following grippe there is nothing so prompt and effective as One Minute Cough Cure. This preparation is highly endorsed as an unfailing remedy for all throat and lung troubles and its early use prevents consumption. It was made to cure quickly.—J. H. Hill & Son

SONGS OF PRAISE. If all the babies who have been helped in the world by Mother's Friend would praise for it, the chorus would echo to the heavens. The song of this simple liniment is absolutely wonderful. Buy it that it was not discovered years ago. It would have saved poor woman so much pain and suffering. Now, however, any woman who has a hard time when her children are born has better be to blame. She need not suffer. Mother's Friend will help her. For external use. Get Mother's Friend at the drug store. \$1 per bottle.

"Still Waters Run Deep."

In your body lies the vital fluid, the blood. It makes no noise, but it gives you life. If it is strong, pure, full in volume and vigorous, you reap the benefit. If not, the still waters of life, tainted and poisoned, are well-springs of disease. Hood's Sarsaparilla purifies the water of life at its source. It makes the blood healthful and keeps it so, as nothing else can.

Family Medicine—"We value Hood's Sarsaparilla very highly. When we feel the need of a medicine we take it and it keeps our systems in good order." N. J. Leighty, Booth, Kansas.

Eczema—"Hood's Sarsaparilla and Hood's Ointment cured eczema very quickly. I would not be without them." Mrs. Rayner, 126 Kellogg Street, Fall River, Mass.

Tired Feeling—"We take Hood's Sarsaparilla for our spring medicine and whenever we have that tired feeling and we find it is good." Mrs. John Work, Cochran, Pa.

It overcomes Constipation, improves Appetite, gives perfect health. Only 50c at J. H. Hill & Son's drug store.

A fool in the society of the wise is like a fish out of water.

A powerful engine cannot be run with a weak boiler, and we can't keep up the strain of an active life with a weak stomach; no other can we stop the human machine to make repairs. If the stomach cannot digest enough food to keep the body strong, such a preparation as Kodol Dyspepsia Cure should be used. It digests what you eat and it simply can't help but do you good.—J. H. Hill & Son.
