Old citizens of these parts inform us that just 53 years ago to-day one of the heaviest snows ever known in this section fell hereabouts. So the chilling winds and lowering clouds of to-day are not without precedent.

Thos. Ruffin Chapter Daughters of the Confederacy of this city, have arranged to give every Confederate Veteran entitled thereto a Southern Cross of Honor. Those entitled to this distinction are requested to make application to Adjutant A. B. Hollowell, of this city.

There was a very interesting special meeting of Thos. Ruffin Camp, United Confederate Veterans of this county in this city on Saturday, at which, among other things, a ringing memorial was adopted asking the State Board of Education to give Southern published books, when of equal merit, and especially in histories and readers, the preference in the coming State adoption of books to be used by the children in the public schools of North Carolina. The Argus endorses this action most cordially.

SUPERIOR COURT.

Superior Court for Wayne County convened in this city to-day, with Judge Starbuck presiding and the new Solicitor Mr. Armistead Jones, of Raleigh, at his post. The Judge's charge to the grand jury was comprehensive and explicit as to their duties, and Solicitor Jones handles the docket with ability and dispatch. The following constitute the grand jury:

Messrs. E. L. Beaton, Foreman, W. F. Atkinson, J. W. Winslow, S. H. Blow, E. P. Daniel, James Edmundson, Daniel Howell, L. H. Price, S. O. Casey, S. W. Flowers, E. S. Dees, L. J. Musgrave, Berry Ellis, I. P. Andrews, J. E. Cox, A. D. Scott, J. H. Howell, Alex. Casey.

For Mayor.

I hereby announce myself a candidate for Mayor of Goldsboro, subject to the action of the Democratic municipal convention. I would have made this announcement sooner, but thought my candidacy was well understood, and I take this course now because of the false rumor being circulated that I am not a bona fide candidate.

'TIS HE

At The Messenger Opera House Wednesday Night.

Patrons of the Messenger Opera House are promised on Wednesday evening of this week, something in the farcical line that bids fair to surpass anything ever witnessed here in the farce comedy classification. Every detail in the matter of scenery, light effects, costumes, etc., has been perfected by competent builders of histrionic material who have made things appertaining to stage craft a study. The story of "Tis He" contains an embodiment of pathos to relieve the more lively elements which is punctuated throughout the action with pungent humor which will prove clean out, and original in all the words imply.

In selecting the cast who are to enumerate the laugh promoting lines of "Tis He," no expense has been spared in selecting a company of players who are favorably known to lovers of farce comedy. During the action of this Hodge-Podge of merriment and song, specialties that are manifold in variety will be introduced. Below will be found a partial list of performers who still retain their original parts which had all New York talking during its metropolitan run: Tommy Harris, Jas. Mackey, Wm. H. Trueheart, Fred Gutlob, John West, Harry Howard, Thomas Harris, Jr., Amy Gutlob, Laura Harris, Port Orvis Alice Dillon, Lizzie Lennox and others of equal prestige.

If you want to enjoy the loudest laugh in a life time don't fail to see the greatest of all smiles creations, "Tis He." Seats are now on sale at Hill's Drug Store.

NOMINATING CONVENTION.

The convention for the nomination of a Democratic candidate for Mayor of Goldsboro will be held at the Messenger Opera House on Monday night, April 22, 1901, at 8 o'clock.

And the convention for the nomination of candidates for Aldermen of the city will be held, the First Ward at the Armory, and the Second Ward at the Court House, on Monday evening, April 23, at 8 o'clock. By order of the Executive Committee.

A CARD.

SECRETARY K. OF P. BAND, GOLDSBORO, N. C.

Dear Sir:—As soon as it is definitely determined will communicate with you relative to the employment of your Band.

Our entire Directory and people were highly pleased at the excellent music furnished at the last Fair, and the gentlemanly conduct and deportment of the entire Band.

Very truly yours,
GEO. GREEN,
Sec. and Treas. Newbern Fair.

Martin's Shortage \$17,000.

The committee engaged in examining Maj. Martin's books worked till midnight last night, trying to ascertain exactly the amount of Martin's defalcation and put in shape its report to the Governor.

The shortage in the penitentiary fund—the only account examined, so far—is, in round numbers, \$17,000.

It is known now that money was taken by Martin from the funds of other institutions. Martin admits as much, but says he took sufficient money from the penitentiary fund to pay back the amounts. Though he declares this positively, the admission and the condition of the bank account of some of them may make it necessary for the committee to examine all the books kept by Martin.

Rheumatism

Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

Mrs. James Kell, of 707 Ninth street, N. E., Washington, D. C., writes as follows: "A few months ago I had an attack of acute rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his prescriptions and I would get well. After having filled twelve boxes without receiving the slightest benefit, I declined to continue his treatment any longer. Having heard of S. S. S. (Swift's Specific) recommended for Rheumatism, I decided, almost in despair, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon thereafter had no use for them at all, S. S. S. having cured me sound and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health."

SSS the great vegetable purifier and tonic, is the ideal remedy in all rheumatic troubles. These are no opiates or minerals in it to disturb the digestion and lead to ruinous habits.

We have prepared a special book on Rheumatism which every sufferer from this painful disease should read. It is the most complete and interesting book of the kind in existence. It will be sent free to any one desiring it. Write our physicians fully and freely about your case. We make no charge for medicine.

THE GREAT FRANCE REMEDY produces the above results in 30 days. It acts sweetly and quickly. Cures when all others fail. Young men will regain their lost manhood, and old men will recover their youthful vigor by using REVIVO. It quickly and surely restores Nervousness, Lost Vitality, Impotency, Nightly Emissions, Lost Power, Failing Memory, Wasting Diseases, and all effects of self-abuse or excess and indigestion, which unite one for study, business or marriage. It not only cures by acting at the seat of disease, but is a great nerve tonic and blood builder, bringing back the pink glow to pale cheeks and restoring the fire of youth. It wards off insanity, Consumption, Tuberculosis, and all other diseases. It can be carried in your pocket. By mail \$1.00 per package, or six for \$5.00, with a post paid written guarantee to cure or refund your money. Sold by all druggists and grocers.
