TECHNICAL EDUCATION.

President McKinley on his trip to California made a number of speeches which were, without excaption, in good temper, in good taste and full of good sense.

These words are worthy to be inscribed over the portals of every school house, college and university in the land:

"What we want more than anything else, whether we be white or whether we be black, is to 3000 testimonials of cures. Help know how to do something well. by Botanic Blood Balm. Over Early Risers, the famous pills for constipation, and liver complaints,—J. H. Hill & Son. If you will just learn how to do one thing that is useful better than anybody else can do that one thing, you will never be out of a job."

tion is coming to be recognized fully and this strong indorsement of it by the President of the United States shows that he is in began to use Electric Bitters, touch with the best spirit of the about six bottles completely curtime.

President McKinley had few educational advantages in his neys and Bowels. Perfect satisearly life. Like many other men faction guaranteed by J. H. Hill who have become eminent in our country, he was born poor, and the poor boy of that day had small opportunities for good school training compared to those which are now within his reach. war had to go to work for a living. But William McKinley has success and the dissipation of energy which means failure.

that and of Schools of Technology.

State of Ohio, City of Toledo, ! Lucas County.

Frank J. Cheney makes oath that he is the senior partner of the firm of F. J. Cheney & Co., doing business in the city of Toledo, county and state afore-said, and that said firm will pay the sum of One Hundred Dollars for each and every case of Catarrh that cannot be cured by the use of Hall's Catarrh Cure. FRANK J. CHENEY.

Sworn to before me and subscribed In my presence, this 6th day of December, A. D. 1886.
